JULIE!
THIS PLACE IS...
JULIE, OVER HERE!

IT'S NOT THAT THESE KIDS DON'T HAVE PARENTS, JUST THAT THEIR PARENTS ARE TOO POOR AND HAVE NO WAY OF RAISING THEM, SO THEY HAVE TO SEND THEM HERE
JULIE

YOU'RE--- CRYING?!
BECAUSE YOU HAVE ME!
I BROUGHT YOU HERE, HOPING YOU'LL KNOW THAT YOU ARE ACTUALLY SO MUCH LUCKIER THAN THEY ARE

BETWEEN YOU AND ME, IT'S UNNECES-SARY TO SAY THANKS.
THANK YOU!

How come I'm so dishonest even when writing in my diary?
I'm so stupid, how come I've never written about Ryan?
RIP

Young master, you've returned?
YOU HAVEN'T SLEPT YET? I'M SLEEPING OVER TONIGHT.
SIS- ... LILY?
SLEEPING OVER?

Potato Chips
YOU

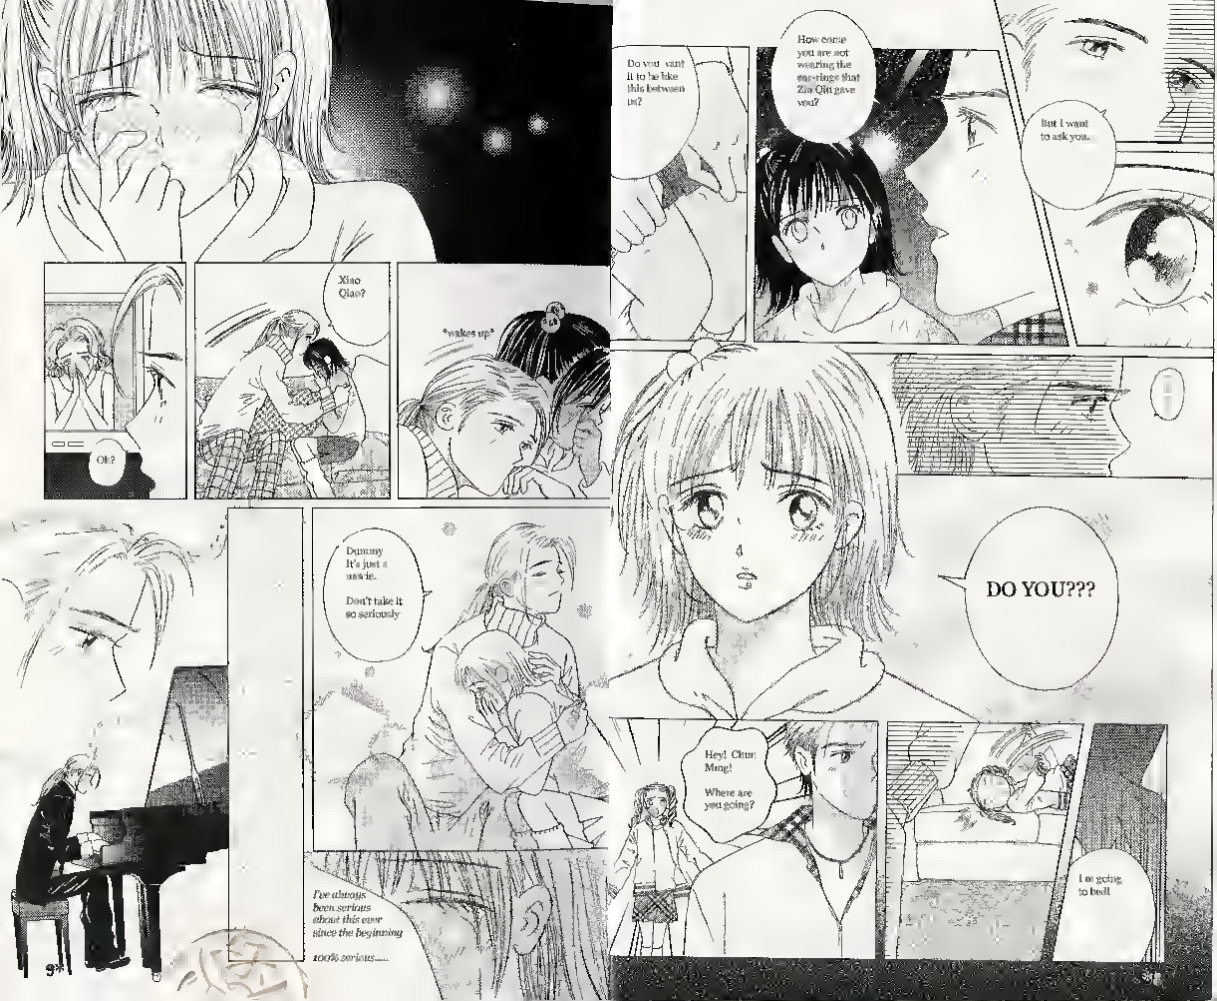
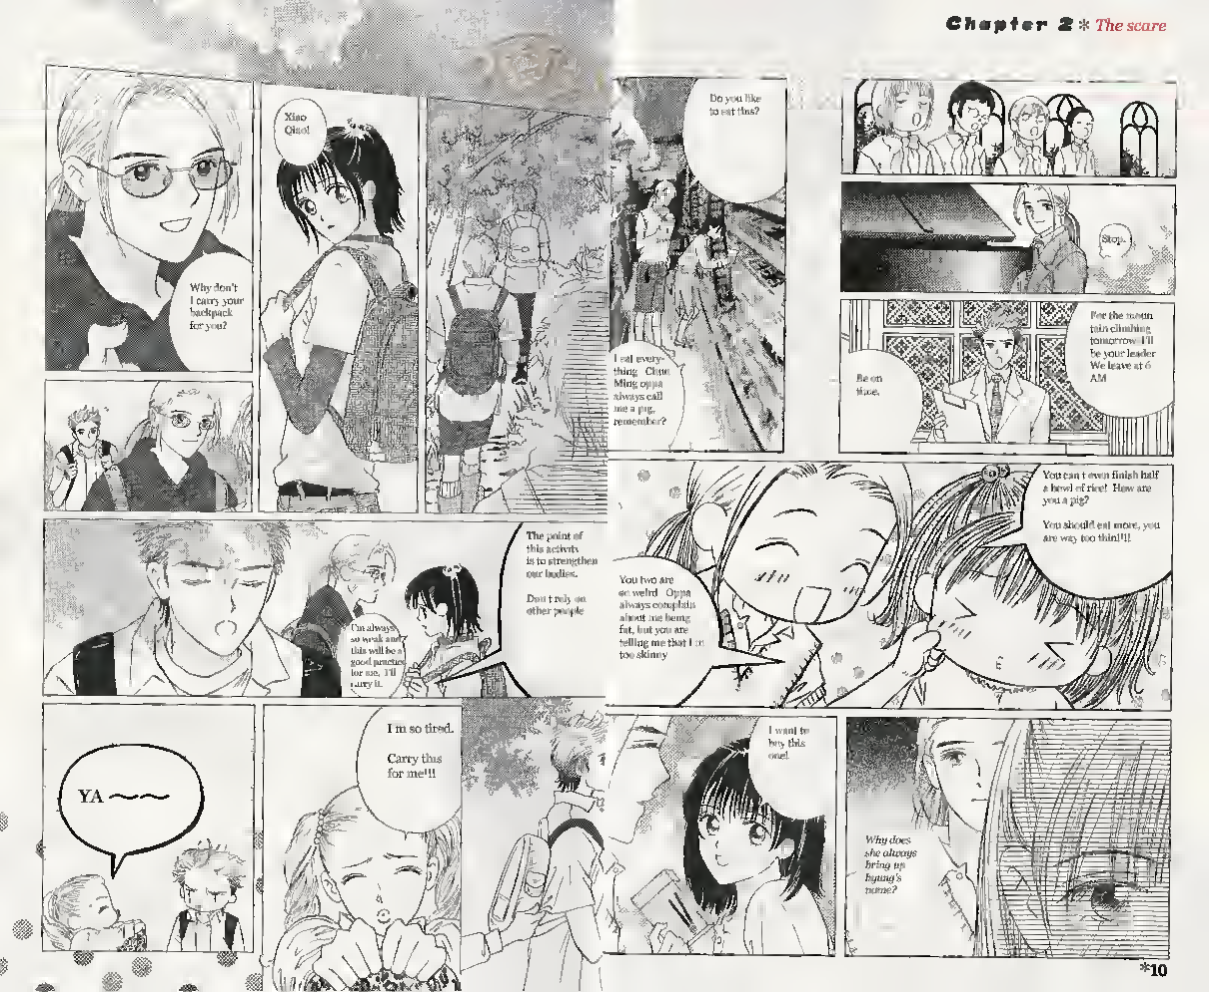
I! I WANTED TO SAY WHAT I DIDN'T GET TO FINISH SAYING THAT DAY...

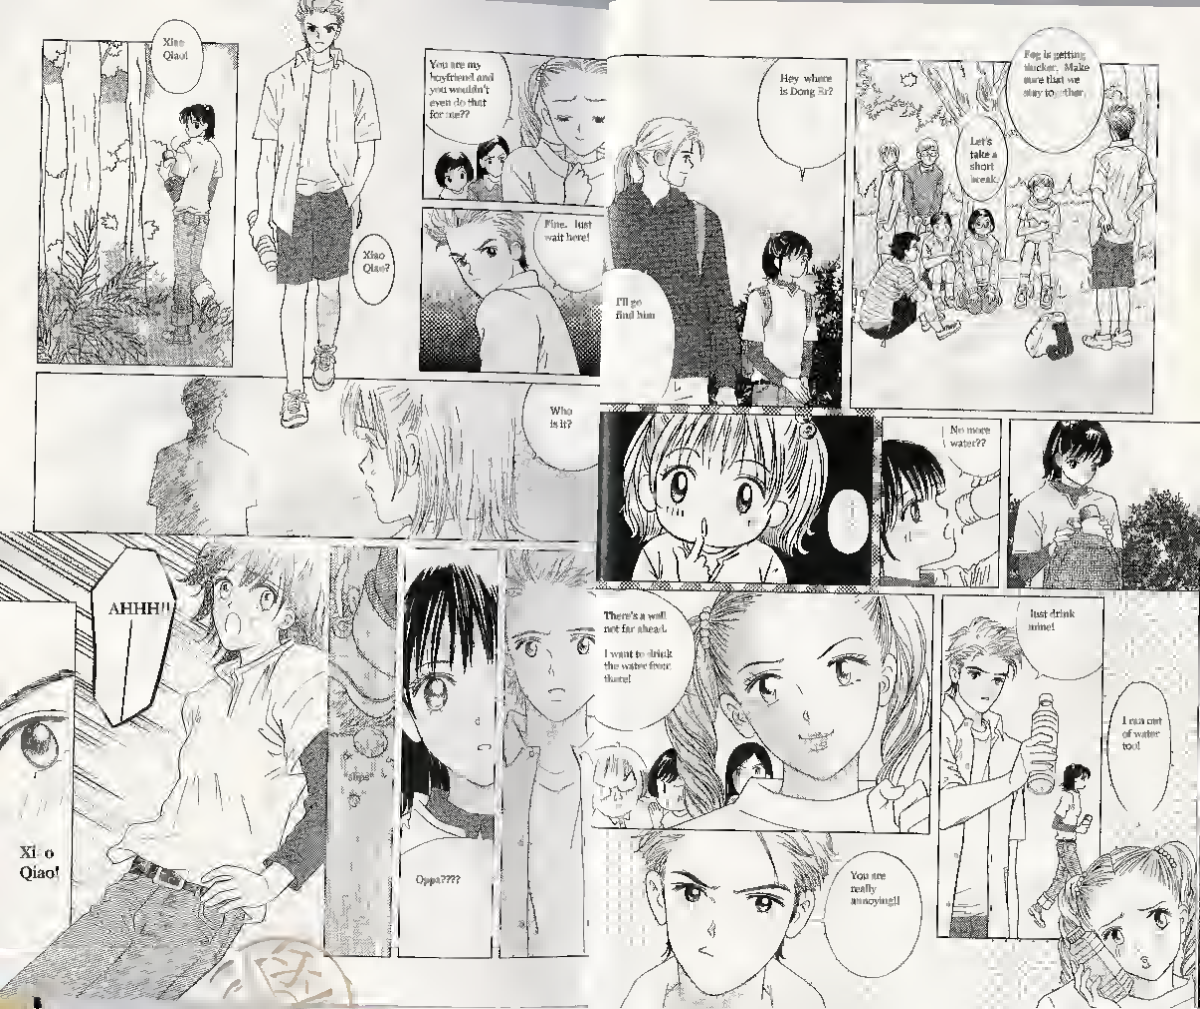
YOU REALLY WANT IT TO END THIS WAY?
WHY AREN'T YOU WEARING THE EARRINGS THAT LANCE GAVE YOU?
BUT I WANT TO ASK
.....
DO YOU?
Hey! Ryan? Where are you going?
I'M GOING TO SLEEP!



Oh?
Xiao Qiao?
*wakes up*
Do you want it to be like this between us?
How come you are not wearing the ear-rings that Zia Qin gave you?
But I want to ask you...
DO YOU???
Dummy It's just a movie. Don't take it so seriously
Hey! Chun Ming! Where are you going?
I'm going to bed!
I've always been serious about this ever since the beginning
100% serious.....



Why don't I carry your backpack for you?
Xiao Qiao!
Do you like to eat this?
I eat everything. Chun Ming oppa always call me a pig, remember?
Stop.
Be on time.
See the mountain rain climbing tomorrow. I'll be your leader. We leave at 6 AM
The point of this activity is to strengthen our bodies.
Don't rely on other people
I'm always so weak and this will be a good practice for me. I'll carry it.
You two are so weird. Oppa always complains about me being fat, but you are telling me that I'm too skinny
You can't even finish half a bowl of rice! How are you a pig?
You should eat more, you are way too thin!!!
YA ~~~
I'm so tired.
Carry this for me!!!
I want to buy this one!
Why does she always bring up Byung's name?



Xiao Qiao!
Xiao Qiao?
You are my boyfriend and you wouldn't even do that for me??
Fine. Just wait here!
Who is it?
Hey where is Dong Ri?
I'll go find him
Fog is getting thicker. Make sure that we stay together.
Let's take a short break.
No more water??
There's a well not far ahead. I want to drink the water from there!
Just drink mine!
I ran out of water too!
You are really annoying!!
AHHH!!
Xi o Qiao!
Oppa????

Thank God!
Oppa!
WAAA!!
Oppa!
Let go of me!!
No.
I'll never let you go!!!

If I can let go, I would have given you up a long time ago,
Oppa!?
Zhi Qiu?
We are over here!!

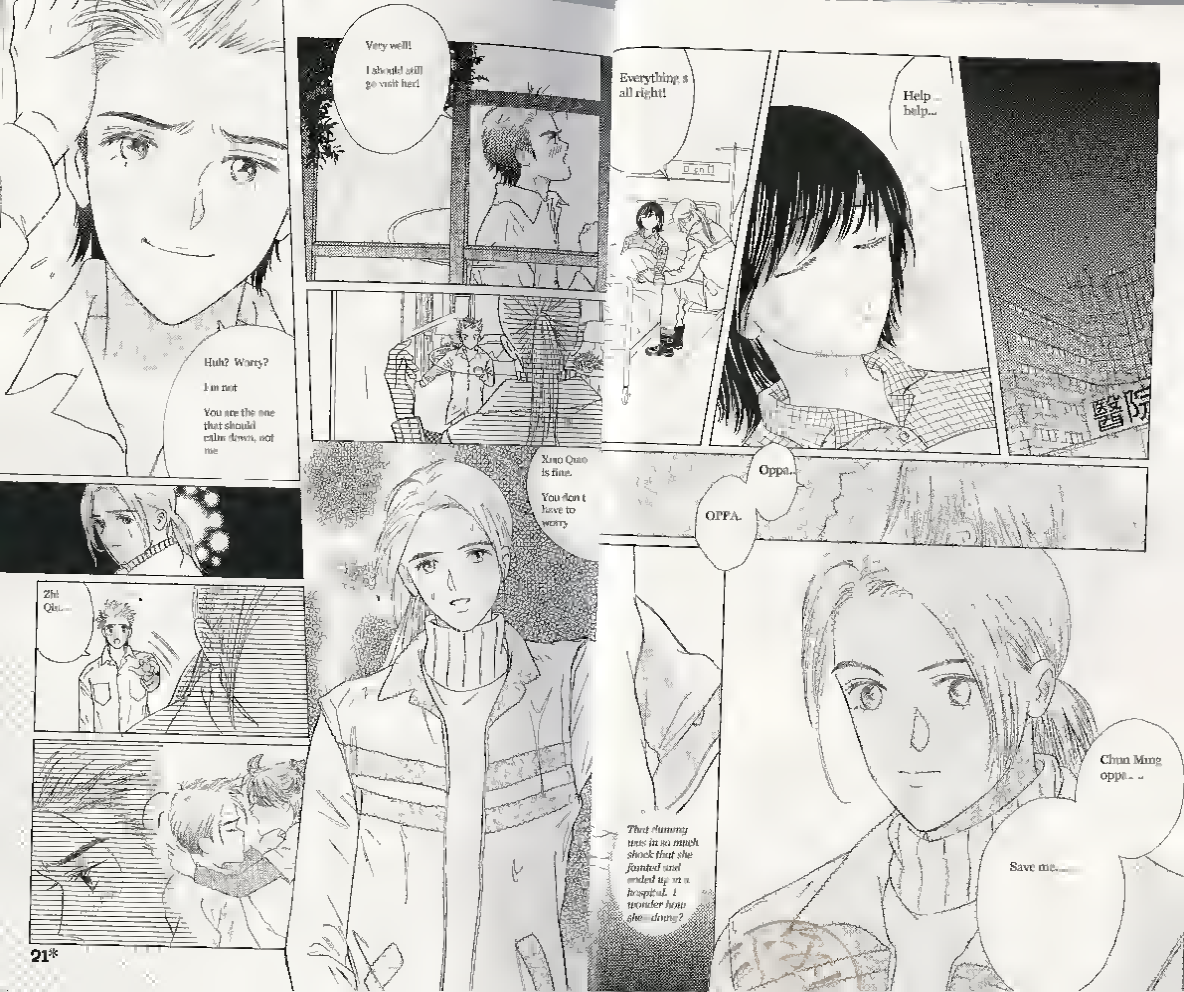
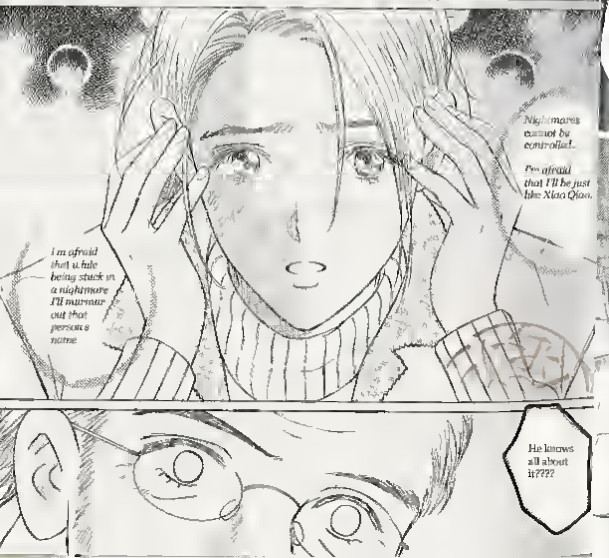
Oppa.. just let me go ..
YA!!!!!

OPPA!!!
Xiao Qiao!
Hyung!!!
PULL!!
XIAO QIAO!?
Xiao Qiao...
Great!
You are saved!!!

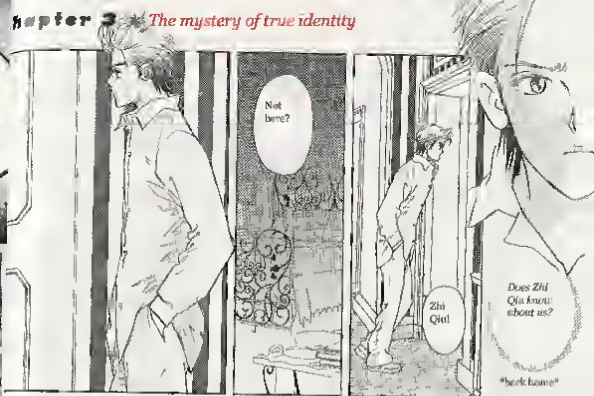


Very well!
I should still go visit her!
Huh? Worry?
I-m not
You are the one that should calm down, not me
Xiao Qiao is fine.
You don't have to worry
Zhi Qiu...
That dummy was in so much shock that she fainted and ended up in a hospital. I wonder how she's doing?
Everything's all right!
Help... help...
Oppa...
OPPA.
Chun Ming oppa...
Save me...

I thought that if I am careful and kept my mouth shut, then I can keep the secret from being exposed
But now I don't think that is going to happen.
What exactly happened??

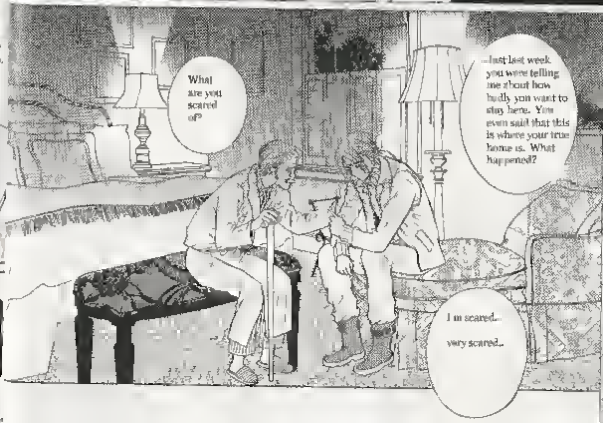


Nightmares cannot be controlled..
I'm afraid that I'll be just like Xiao Qiao.
I'm afraid that while being stuck in a nightmare I'll murmur out that person's name
He knows all about it????

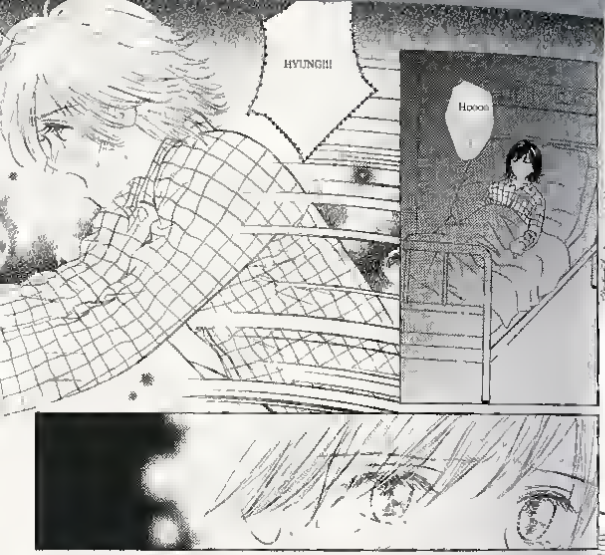


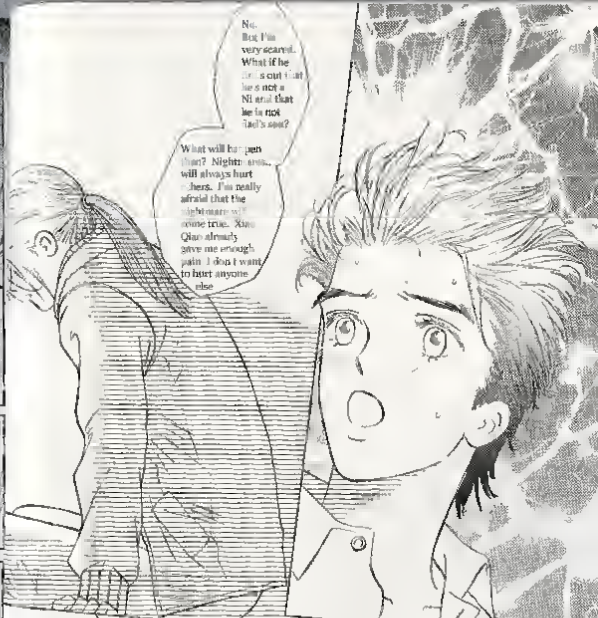
Not here?
Zhi Qin!
Does Zhi Qin know about us?
*back home*

Grandfather I think we should end go back to the United States!



What are you scared of?
--last last week you were telling me about how badly you want to stay here. You even said that this is where your true home is. What happened?
I'm scared.. very scared..





## 李贊隨筆

寫《甲子園》就是要喚大家一起！

《甲子園》跟前作《星願》最大的不同，就是下場寫《星願》故事時，已經收到故事最終的安排。但甲子園卻是寫到第二十週回，有一天吃飯時，媽媽突然出現小邊之球，看明的影子，才想到故事的下一步難題。

兩個故事中，李贊救過贊（甲子園），也為贊得自己和雲晴都傷透了。對於出場的人來說，這一點是很重要的鋪墊。但當時的我看明被安排走上盲教症，他比讀者的反應還要大。面對雲晴本性溫柔過度的女生，李贊好像真得很辛苦。

在故事還出不久時，有一位讀者說，「我更喜《甲子園》很地邊，不成現象中書邊生的故事。」大概現今這個時代，有錢人的確不多。

這位讀者還提醒李贊，寫故邊，人物最有自己的個性。平日看報紙，一星期少說有四、五則精神失常的犯罪新聞生。而在精神病的世界裡，李贊覺得這都是最溫柔的，看到的幻覺都不如現實般不可。

看明跟贊中承受的痛苦，大邊不是小學的選所能治療好的。也最初以為這回是那麼的，到最後贊得一直被害他的人竟是親戚。這邊也從小看慣的邊邊不無關係，比首富出事的小學最後邊得多。面對邊，李贊不認為自己的他有能力去解決。

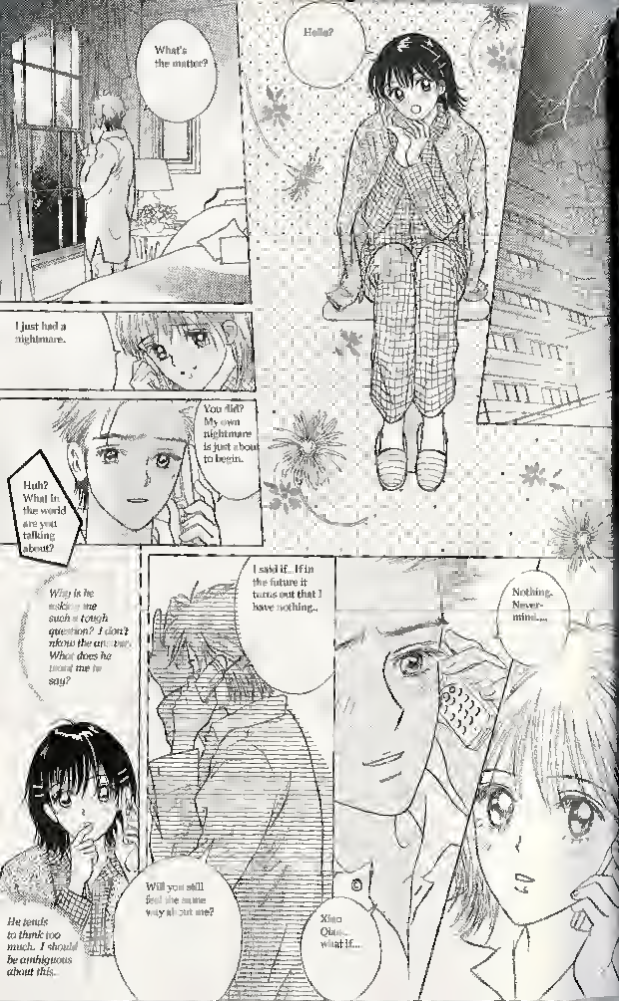
正因為看過看明，所以邊邊讓看了那麼的邊緣。不突代小學讓邊說，實可能是出於對邊明的邊愛。

邊精神病患是需要，到底也難時說真話，難時說假話呢？

同樣，在看明裡中的小學，都一邊才是真正的她？

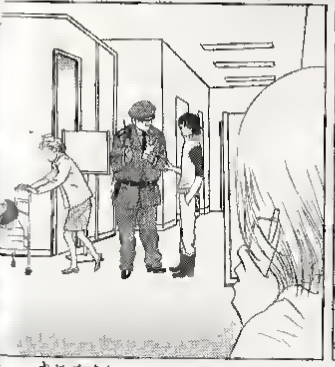
邊是同一空間，竟然邊此邊近，各活在兩個截然不同的世界，這場難邊註定悲劇！

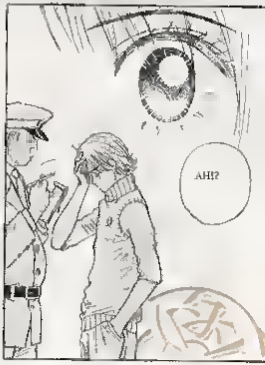
假設一場一直白子大家成長了，有能力去邊決邊境中的困難時，相關的人會再度邊邊，邊得到真正的邊福！



What's the matter?
I just had a nightmare.
You did? My own nightmare is just about to begin.
Huh? What in the world are you talking about?
Hello?
Why is he asking me such a tough question? I don't know the answer. What does he want me to say?
He tends to think too much. I should be ambiguous about this.
Will you still feel the same way about me?
I said if... If in the future it turns out that I have nothing..
Xiao Qiao... what if...
Nothing. Never-mind...

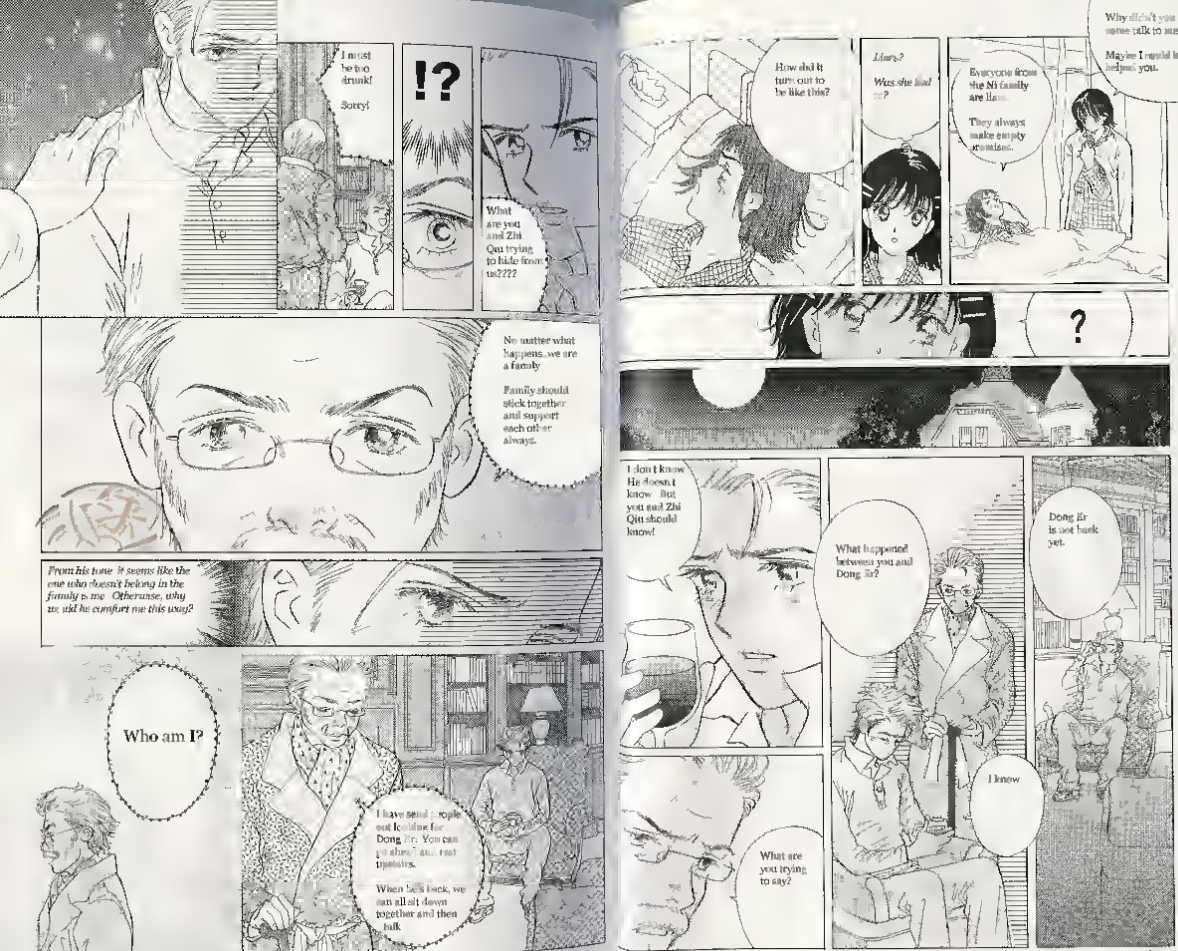
Lon!!!
What if he finds out that he is not a NI and that he is not dad's son?
What will happen then?



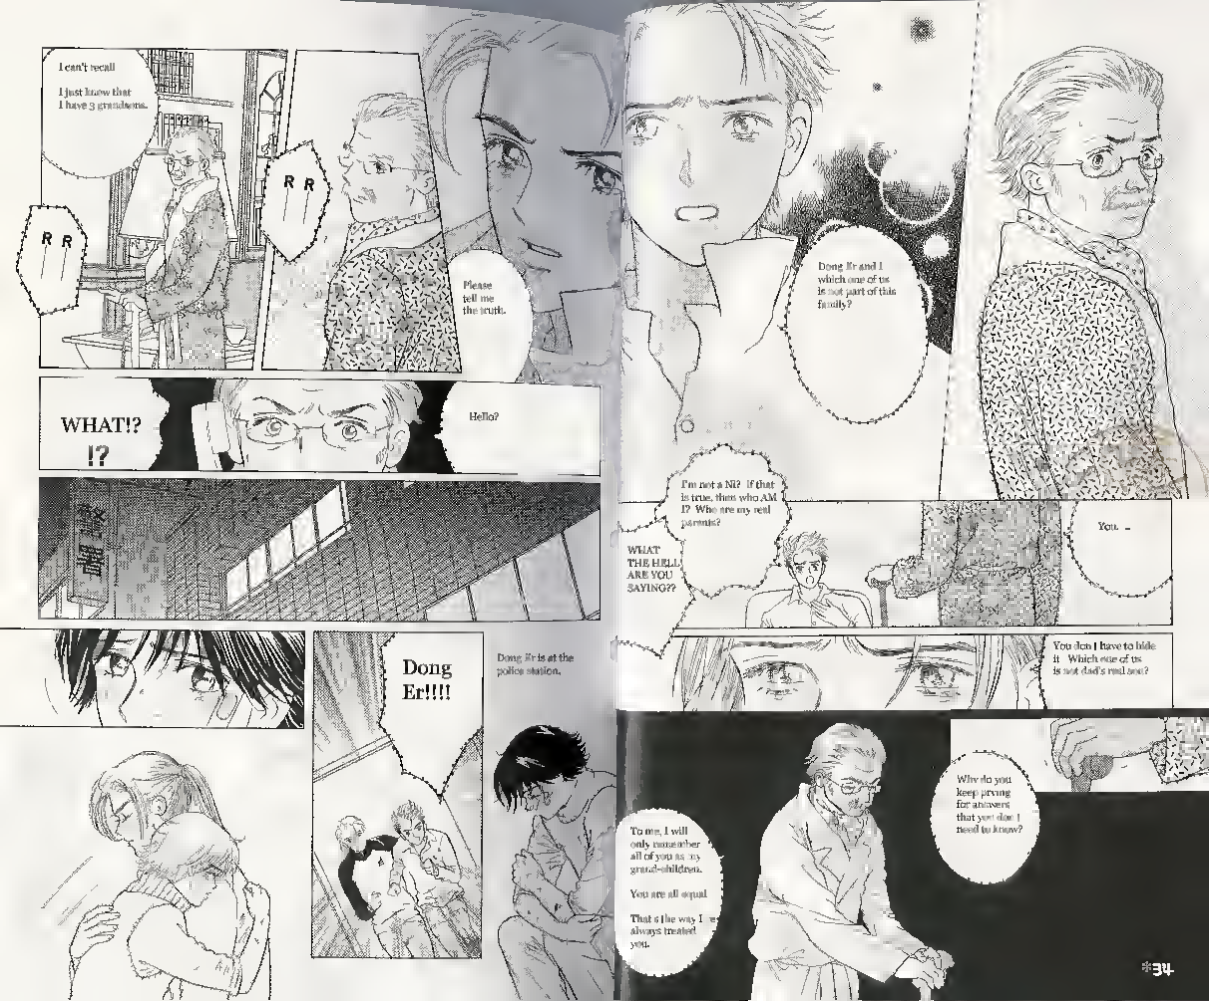


e or 史蒂芬 Kathy。
首先好多謝你对男主的支持!男主大概在四月中右右推出,在Yes!內會有預告的!
四聖時沒有安排老師和版,但是全部當大Yes! Staff的都会有書到時你要留意。
小说想看明日香-对小莉同上和-对?我会向李聖反映的。

Dong Er!?
I HATE ALL OF YOU!!!!
Dong Er!?
When you told me that you like Dong Er you really mean it?
I don't like her at all, so of course I have to let her know that!
What exactly did you say to her?
Even if you didn't like her you still shouldn't be so cruel to a girl who has feelings for you!
I told her exactly how I feel. I told her that she was ugly and I told her to never bother me again!
PA!
!
I have no right?
At least I'm more honest than you are. She likes me. I don't like her. She brought this onto herself.
At least by doing what I did, I did not hurt a third party
Hyung, you've really changed. Since when did you start to care about how others feel?
Huh, you have no right to scold me in this area.

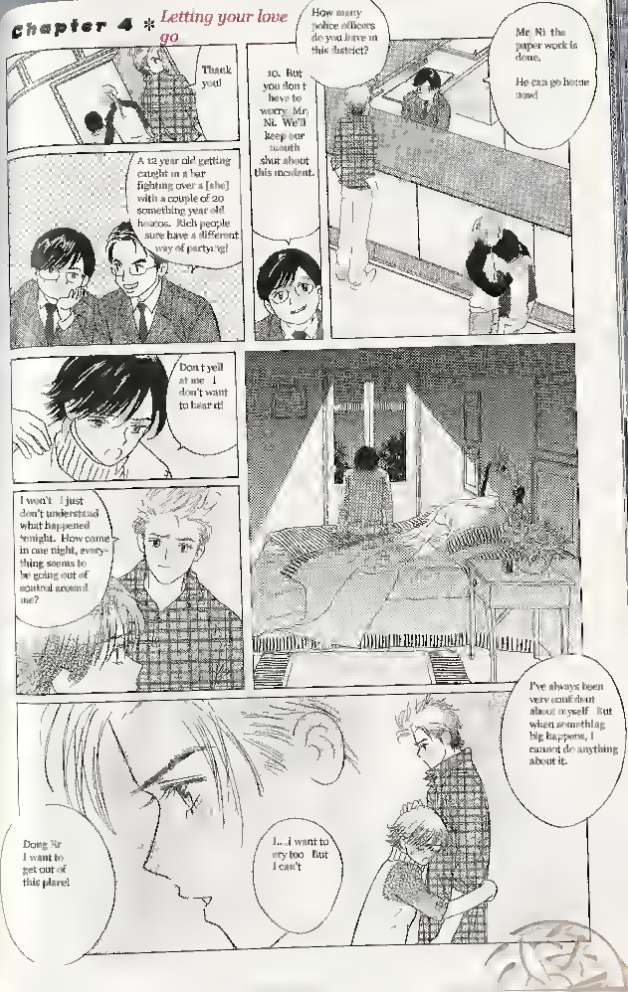


I must be too drunk!
Sorry!
!?
What are you and Zhi Qiu trying to hide from us????
No matter what happens..we are a family
Family should stick together and support each other always.
From his tone it seems like the one who doesn't belong in the family is me. Otherwise, why he told to comfort me this way?
Who am I?
I have send 2 people out looking for Dong Er. You can go there and rest upstairs.
When he's back, we can all sit down together and then talk.
How did it turn out to be like this?
Liars?
Was she lied to?
Everyone from the Ni family are liars.
They always make empty promises.
Why didn't you come talk to me?
Maybe I could have helped you.
?
I don't know. He doesn't know. But you and Zhi Qiu should know!
What happend between you and Dong Er?
Dong Er is not back yet.
I know
What are you trying to say?



I can't recall
I just know that I have 3 grandsons.
R R
R R
Please tell me the truth.
WHAT!?
!?
Hello?
Dong Er and I which one of us is not part of this family?
I'm not a NI? If that is true, then who AM I? Who are my real parents?
WHAT THE HELL ARE YOU SAYING??
You. ..
You don I have to hide it Which one of us is not dad's real son?
Dong Er!!!!
Dong Er is at the police station.
To me, I will only remember all of you as my grand-children.
You are all equal
That s the way I always treated you.
Why do you keep prying for answers that you don I need to know?

It's you!! When did you get here?
Are you here to tell me something?
Where is Dong Xi? I heard you two had a fight. What happened? Did he go home??
Every-thing's fine.
!
Why didn't you respond?
From now on, please be good to Zhi Qiu.
I told you many times. There's nothing going on between us. What do you want from me?



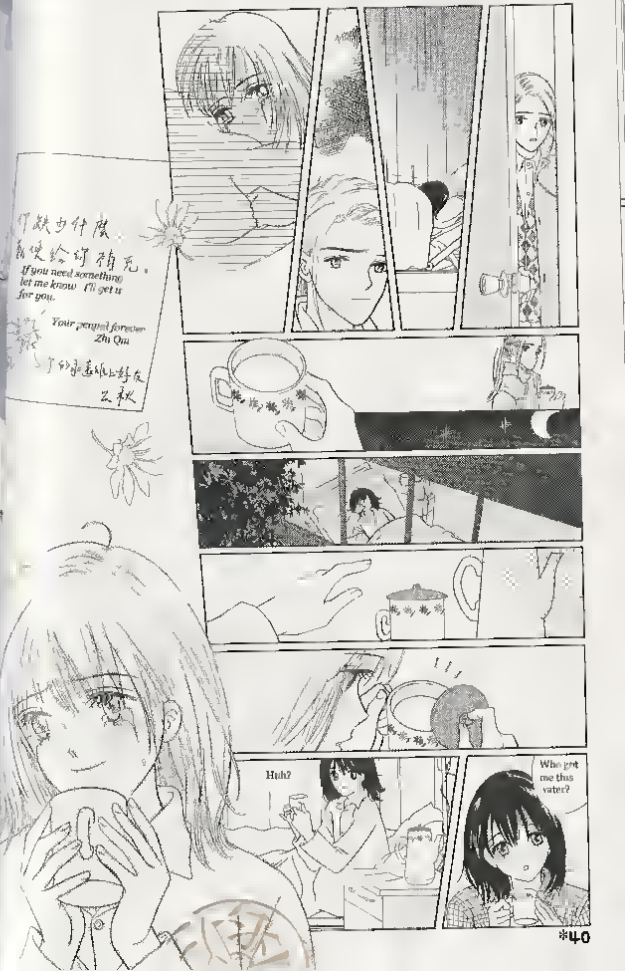
Thank you!
A 12 year old getting caught in a bar fighting over a [she] with a couple of 20 something year old hearts. Rich people sure have a different way of partying!
How many police officers do you have in this district?
10. But you don't have to worry. Mr Ni. We'll keep our mouth shut about this incident.
Mr. Ni the paper work is done.
He can go home now!
Don't yell at me. I don't want to hear it!
I won't. I just don't understand what happened tonight. How come in one night, everything seems to be going out of control around me?
I've always been very confident about myself. But when something big happens, I cannot do anything about it.
Dong Xi I want to get out of this place!
I...I want to cry too. But I can't.

I swear to God,
I'll never ever give you a chance in this lifetime.
Get out!
So you can shop around!
I want to sleep.
Please leave!
You and I are from two different worlds. We know each other well but I cannot tell you how I feel because I'm afraid...
I'm afraid that I'll cause you pain that cannot be eased

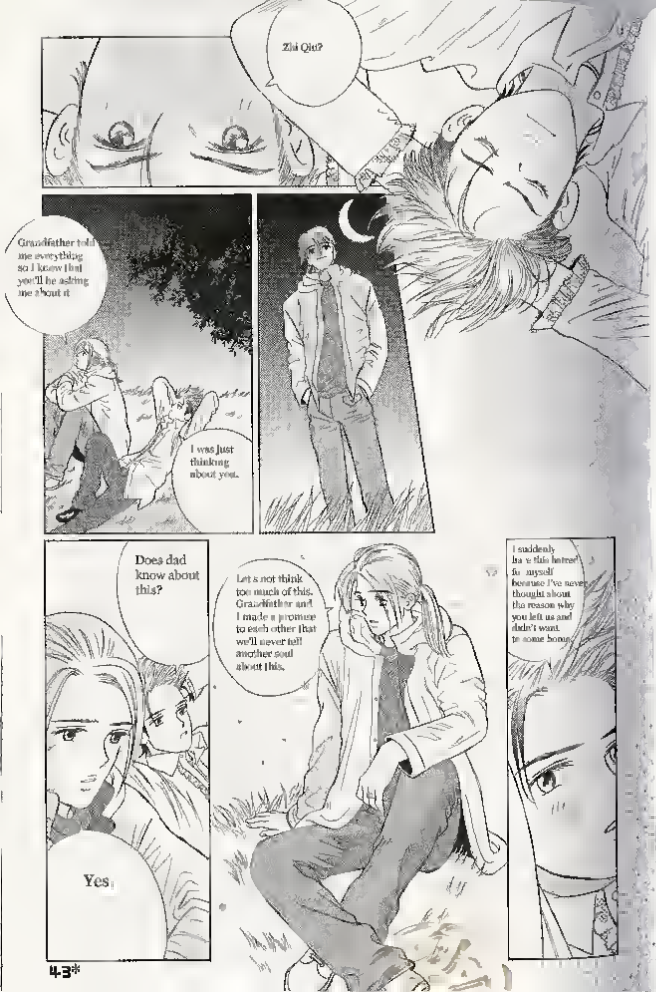
I don't get it. How come you are not mad at me?
Zhi Qiu?
What?
You don't mean that.
Is that really how you feel?
I won't let you use me like that
Do you really think that since I am the oldest, I'll get most of the inheritance, that's why you chose me?
I already told you, you had always been just a toy to me. So why do you keep trying to hold onto me?
Do you really want to become part of our family?
You are in on this together with that woman.
But I'll never fall into your trap like Zhi Qiu did.

Zhi Qin hasn't been back for long, and now you are leaving?
I want to see the outside world.
You are moving to the U.S. next week?
It would be a good thing for you to have some exposure
Yes. I've made my decision.
Grandfather didn't ask me to stay. So I really am not a.Ni.

YOU ARE LEAVING TOO?
I want to go with Iying too.
As the oldest son, you'll have to take over things eventually. By studying abroad, you'll learn to be independent and you'll get to meet all kinds of people too. It'll be a good experience for you.
I m gonna go upstairs to pack my things.
Tl e tests here are getting difficult I want to try ll ont in the U S too.

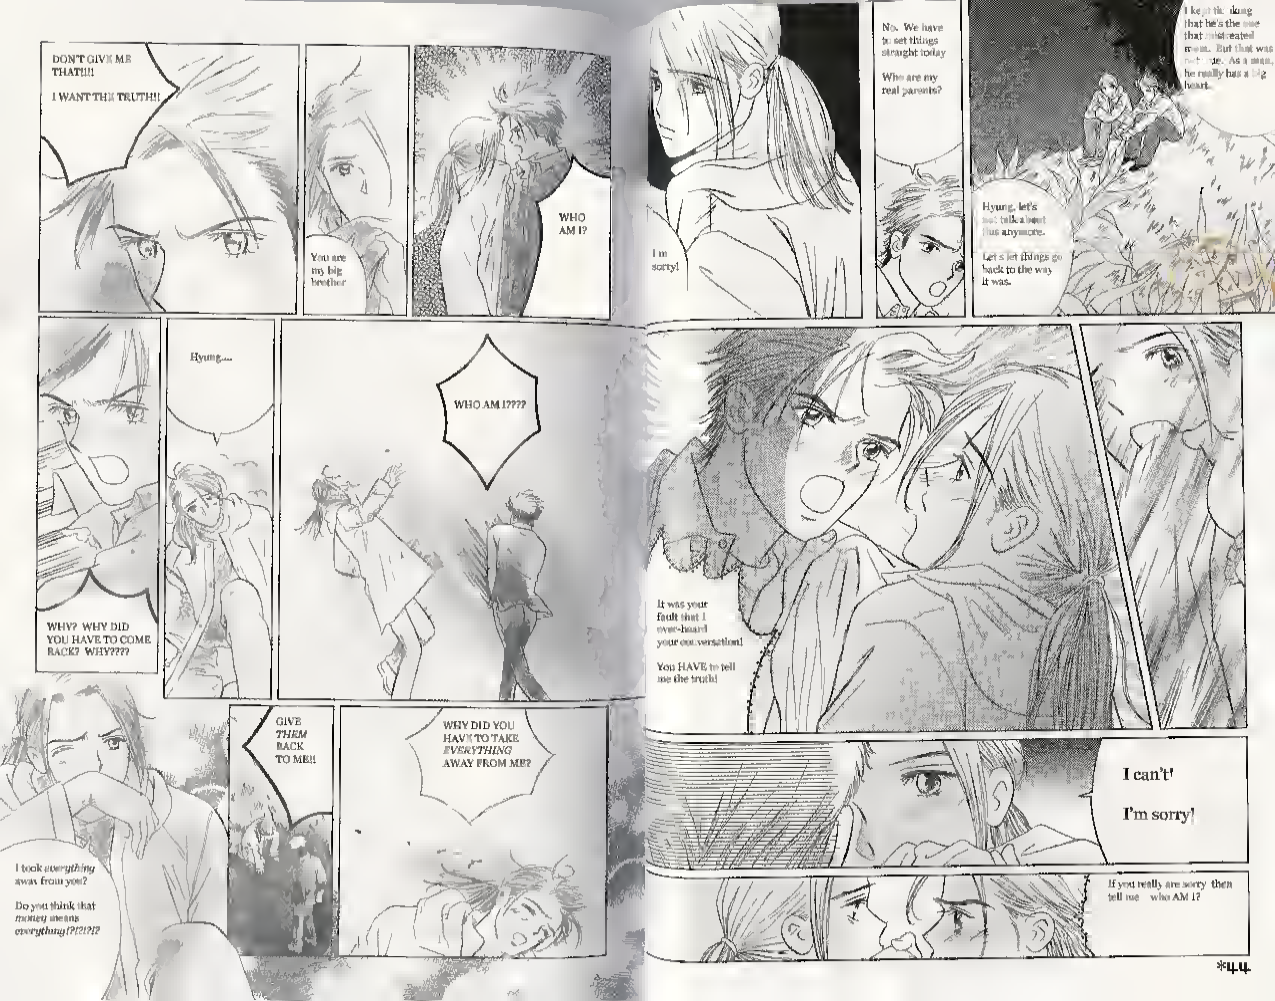


If you need something let me know. I'll get it for you.
Your personal forecher
Zhi Qin
Huh?
Who got me this rate?

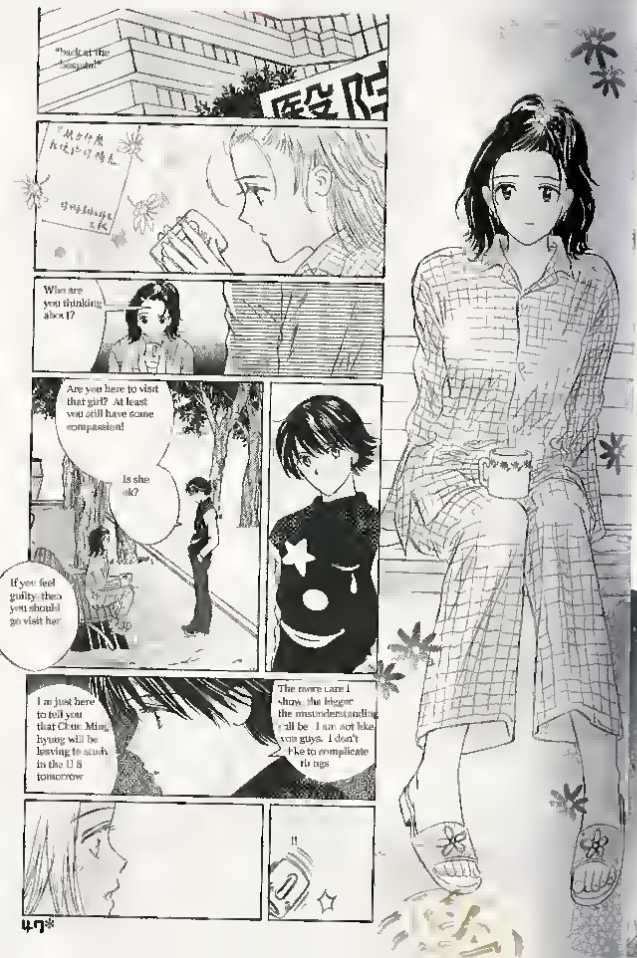


Zhi Qiu?
Grandfather told me everything so I know that you'll be asking me about it
I was just thinking about you.
Does dad know about this?
Yes.
Let's not think too much of this. Grandfather and I made a promise to each other that we'll never tell another soul about this.
I suddenly felt a little betrayed for myself because I've never thought about the reason why you left us and didn't want to come home.

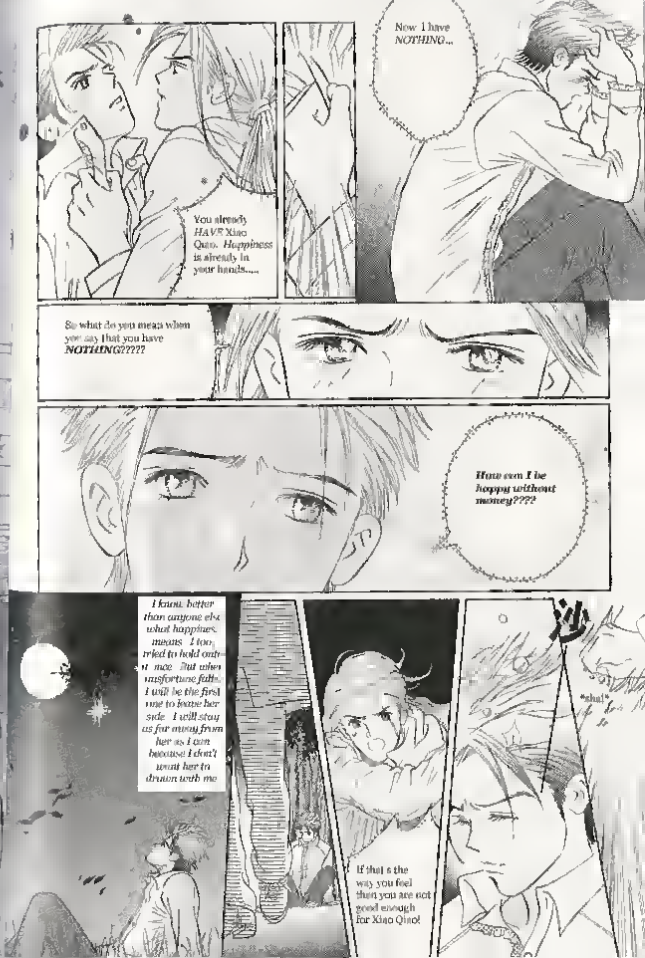
It's because I am not related to the Ni family!
You are still young and should wait a few years. You can't go now.
I will even badly have Byung can take care of me if I go with him now so I don't see why not!
Grandfather how come byung can go but I can't?
Not Dong Er. you can't leave!
Nobody ever cares about what I really want.
Have you ever thought about THAT???
Dong Er...
If you don't take care of me I can still take care of myself. I must go!
I have to learn how to be independent so I may not be able to take good care of you. You should stay
DONG ER!
WHAT ARE YOU SAYING?
It's TRUE! I've always felt this way!
You never cared for me!!!
DONG ER!!!



DON'T GIVE ME THAT!!!
I WANT THE TRUTH!!
You are my big brother
WHO AM I?
I'm sorry!
No. We have to set things straight today.
Who are my real parents?
I kept thinking that he's the one that mistreated mom. But that was not the case. As a man, he really has a big heart.
Hyung, let's not talk about this anymore.
Let's let things go back to the way it was.
Hyung....
WHY? WHY DID YOU HAVE TO COME BACK? WHY????
WHO AM I????
It was your fault that I overheard your conversation!
You HAVE to tell me the truth!
I can't!
I'm sorry!
If you really are sorry then tell me who AM I?
I took everything away from you?
Do you think that money means everything!?!?!?!
GIVE THEM BACK TO ME!!
WHY DID YOU HAVE TO TAKE EVERYTHING AWAY FROM ME?



"back at the hospital"
Who are you thinking about?
Are you here to visit that girl? At least you still have some compassion!
Is she ok?
If you feel guilty, then you should go visit her
I'm just here to tell you that Chun Ming Jiyang will be leaving to study in the U S tomorrow
The more I care I show the bigger the misunderstanding will be. I'm not like you guys. I don't like to complicate things
!!

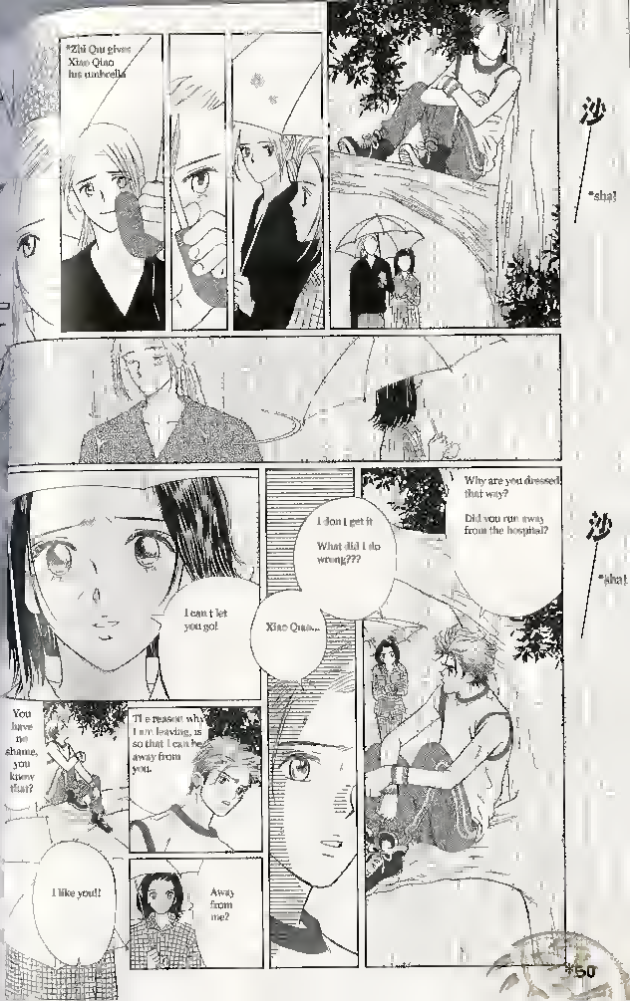


You already HAVE Xiao Qiao. Happiness is already in your hands.....
Now I have NOTHING...
So what do you mean when you say that you have NOTHING?????
How can I be happy without money????
I know better than anyone else what happines means. I too, tried to hold onto it once. But when misfortune falls, I will be the first one to leave her side. I will stay as far away from her as I can because I don't want her to drown with me
If that is the way you feel then you are not good enough for Xiao Qiao!
*shut*

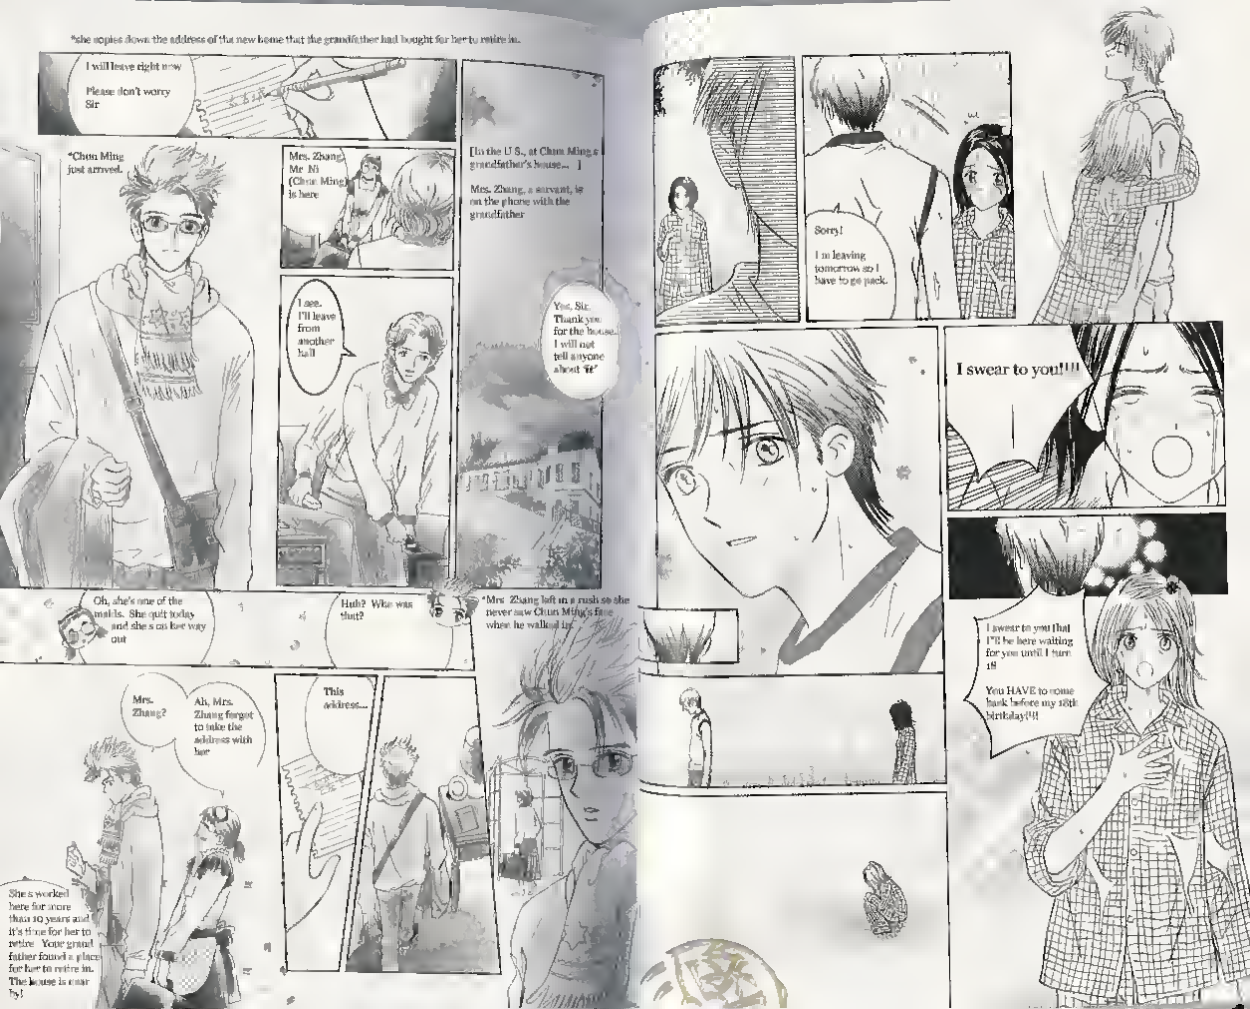
沙
I'm leaving.
I knew you would react this way
Xiao Qian?
Wasn't I leaving?
How come I'm back at the hospital again?
Huh? There's a mental hospital around here?
Did she escape from the mental institution?
Oppa!
Xiao Qian...
OPPA!!!

讀者來信

I hate myself for the fact that I like you.
But my feelings for you are becoming stronger and more vivid as the days go by so I know the way I feel about you is true!!!
Xiao Qiao...
Even if I know that you'll toss me aside, I still wish to stay by your side!
Xiao Li is the one for me!
I... ..
I'm sorry.
Even if you only see me as your sister I still don't mind!!!



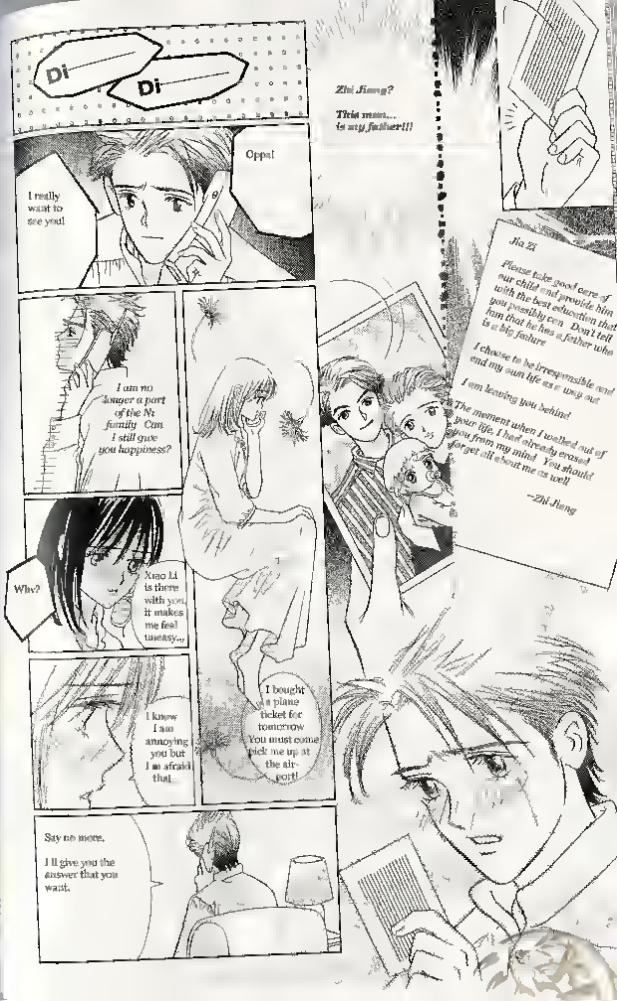
*Zhi Qiu gives Xiao Qiao his umbrella
*sha!
*sha!
Why are you dressed that way?
Did you run away from the hospital?
I don't get it
What did I do wrong???
Xiao Qiao...
I can't let you go!
You have no shame, you know that?
The reason why I am leaving, is so that I can be away from you.
I like you!!
Away from me?



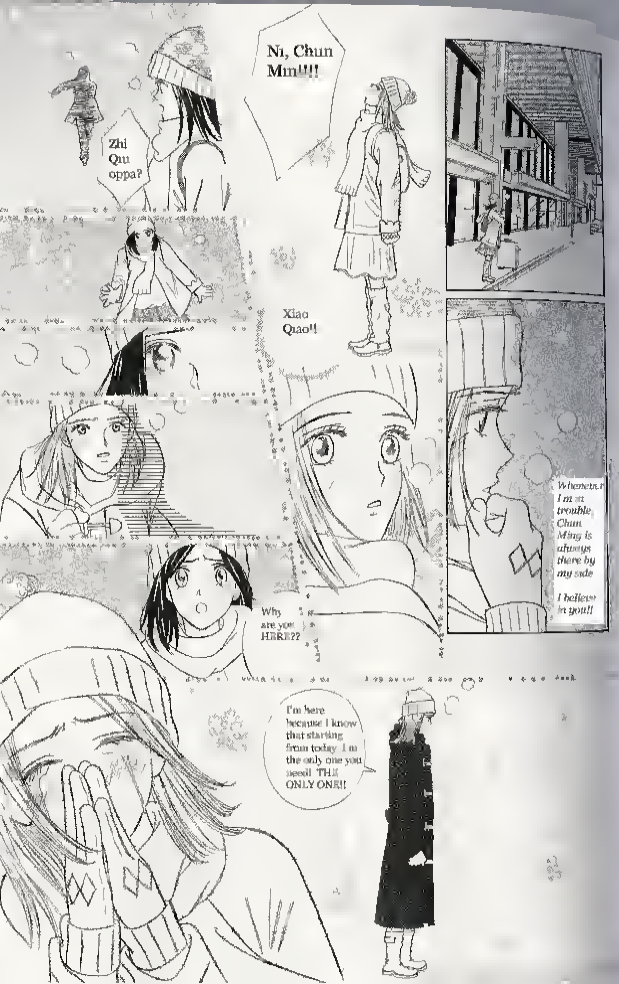
*she copies down the address of the new home that the grandfather had bought for her to retire in.
I will leave right now
Please don't worry Sir
[In the U.S., at Chun Ming's grandfather's house... ]
Mrs. Zhang, a servant, is on the phone with the grandfather
*Chun Ming just arrived.
Mrs. Zhang: Mr. Ni (Chun Ming) is here
I see. I'll leave from another hall
Yes, Sir. Thank you for the house. I will not tell anyone about it.
Oh, she's one of the maids. She quit today and she's on her way out
Huh? What was that?
*Mrs. Zhang left in a rush so she never saw Chun Ming's face when he walked in.
Mrs. Zhang?
Ah, Mrs. Zhang forgot to take the address with her
This address...
She is worked here for more than 10 years and it's time for her to retire. Your grandfather found a place for her to retire in. The house is near by.
Sorry! I m leaving tomorrow so I have to go back.
I swear to you!!!!
I swear to you that I'll be here waiting for you until I turn 18!
You HAVE to come back before my 18th birthday!!!!

I'm sorry....
I must see him again....
Xiao Qiao...
DONG ER!!
Xiao Qiao??
Grandfather is THAT generous towards a servant?
Sir there is a young lady here to see you!
Don't worry
I won't do anything foolish again.
Please think rationally You have to believe in yourself!
How could you leave me???
Why are you here?
Where are the others?
Do they know that you are here?
HELLO
Others? Who are you referring to?
Zhi Qiu? Dong Er?
Or Xiao Qiao?
What?
Xuan Li went to see uppa?
Hmm? Is that a hidden compartment?
This is all YOUR fault
Why didn't you ask Lyung to stay?
I wonder what Lyung's reaction will be when he sees her there?
back HK...
Right!!
I never understand ANY THING!!
Dong Li as a kid you are not going to understand

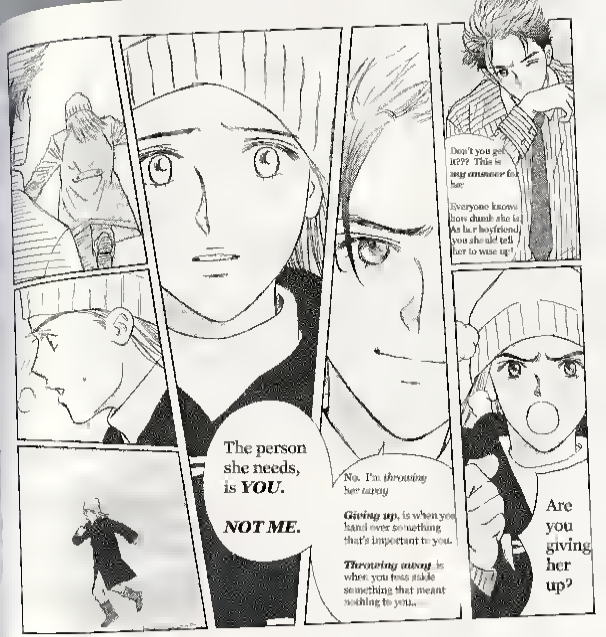
Ok. I'll see you at the airport tomorrow.
4 / 8 ...at the airport
PA!!
Ding Dong
WHY ARE YOU STILL HERE!?
XIAO QIAO IS WAITING FOR YOU AT THE AIRPORT!!!



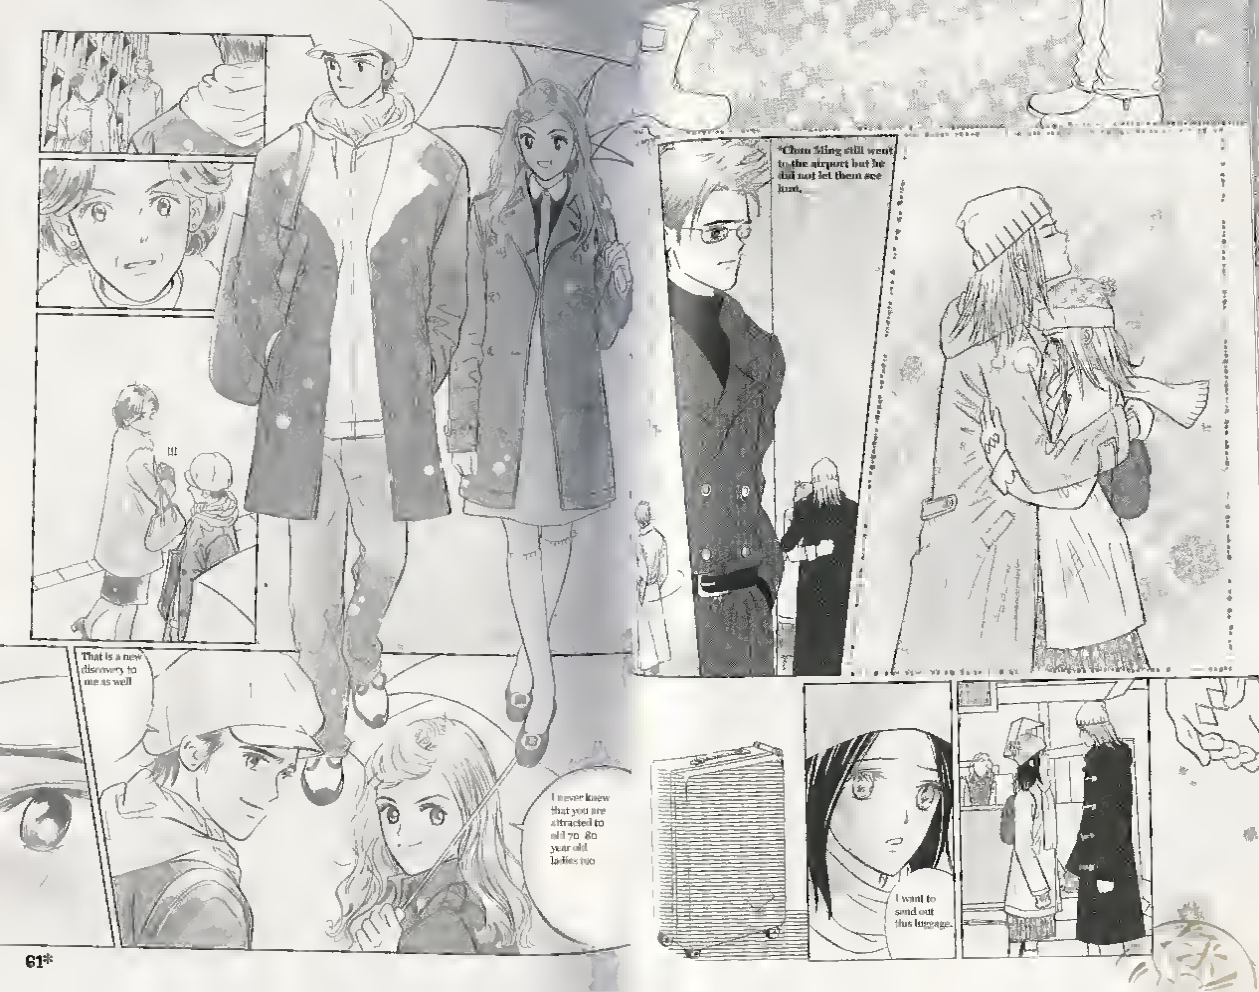
Di
Di
Oppa!
I really want to see you!
I am no longer a part of the Ni family. Can I still give you happiness?
Why?
Xiao Li is there with you, it makes me feel uneasy...
I bought a plane ticket for tomorrow. You must come pick me up at the airport!
I knew I am annoying you but I am afraid that...
Say no more.
I'll give you the answer that you want.
Zhi Jiang?
This man... is my father!!!
Jia Zi
Please take good care of our child and provide him with the best education that you possibly can. Don't tell him that he has a father who is a big failure.
I choose to be irresponsible and end my own life as a coward.
I am leaving you behind.
The moment when I walked out of your life, I had already erased you from my mind. You should forget all about me as well.
--Zhi Jiang



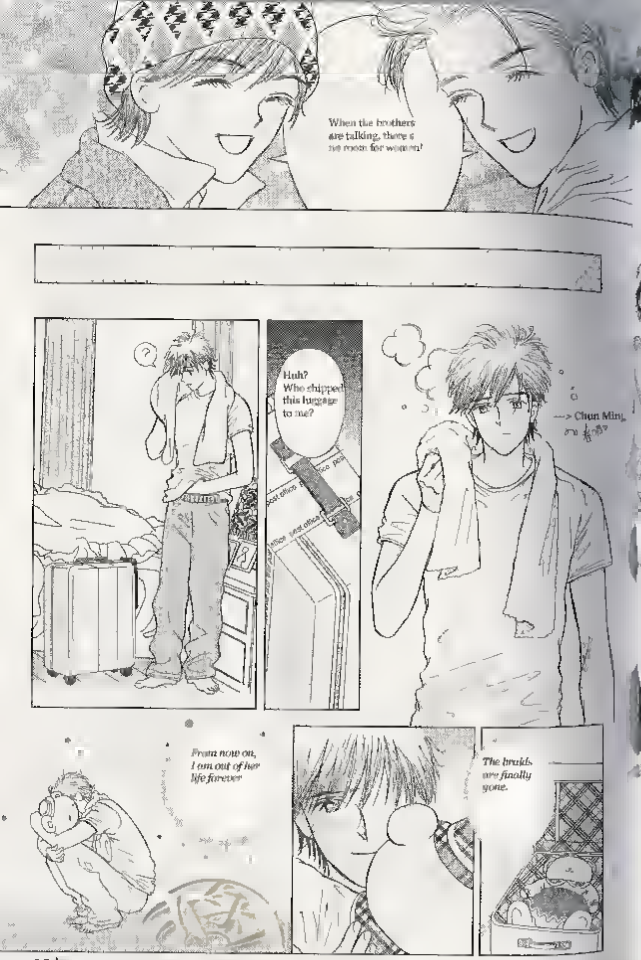
Ni, Chun Mm!!!!
Zhi Qiu oppa?
Xiao Qiao!!
Whenever I'm in trouble, Chun Ming is always there by my side
I believe in you!!
Why are you HERE??
I'm here because I know that starting from today, I'm the only one you need! THE ONLY ONE!!



The person she needs, is YOU.
NOT ME.
No. I'm throwing her away
Giving up, is when you hand over something that's important to you.
Throwing away is when you toss aside something that meant nothing to you...
Don't you get it??? This is my manner for her.
Everyone knows how dumb she is. As her boyfriend, you should tell her to wise up!
Are you giving her up?

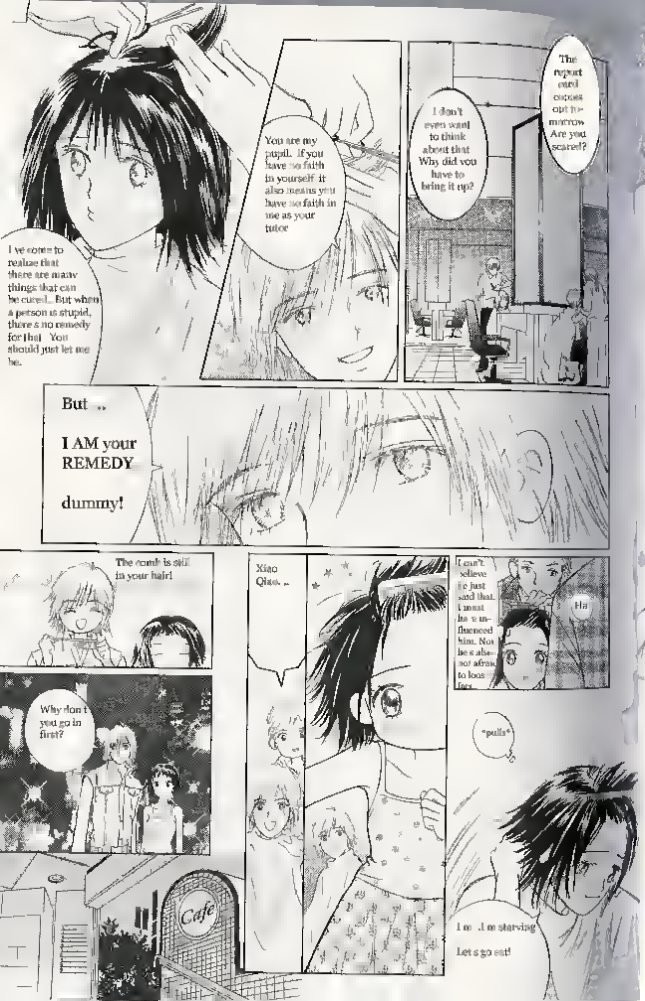


Chun Ming still went to the airport but he did not let them see him.
That is a new discovery to me as well
I never knew that you are attracted to old 70 -80 year old ladies too
I want to send out this luggage.

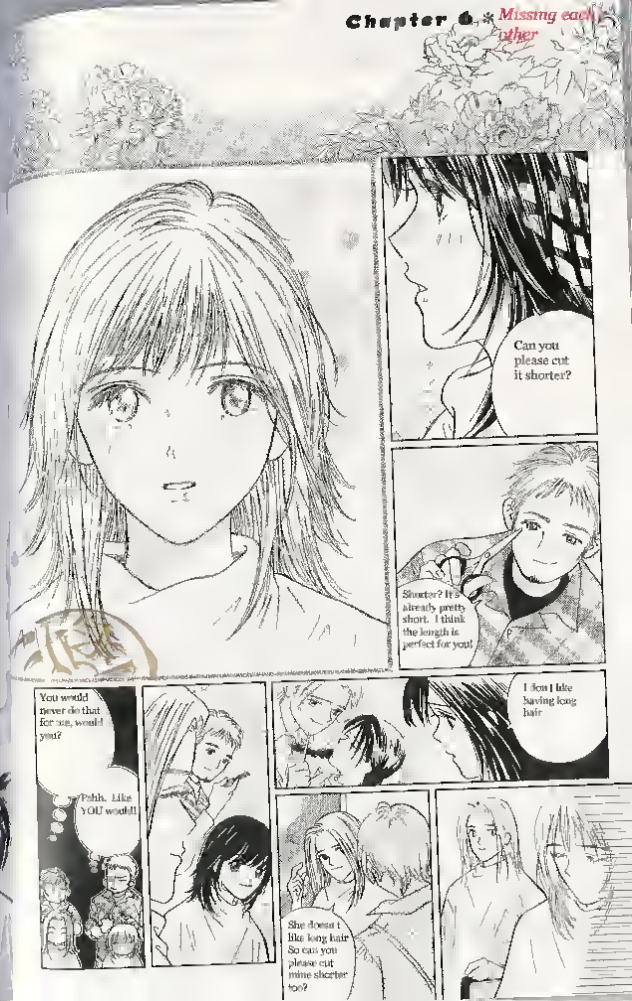


When the brothers are talking, there's no room for women!
Huh? Who shipped this luggage to me?
—> Chun Ming, are you?
From now on, I am out of her life forever
The brats are finally gone.

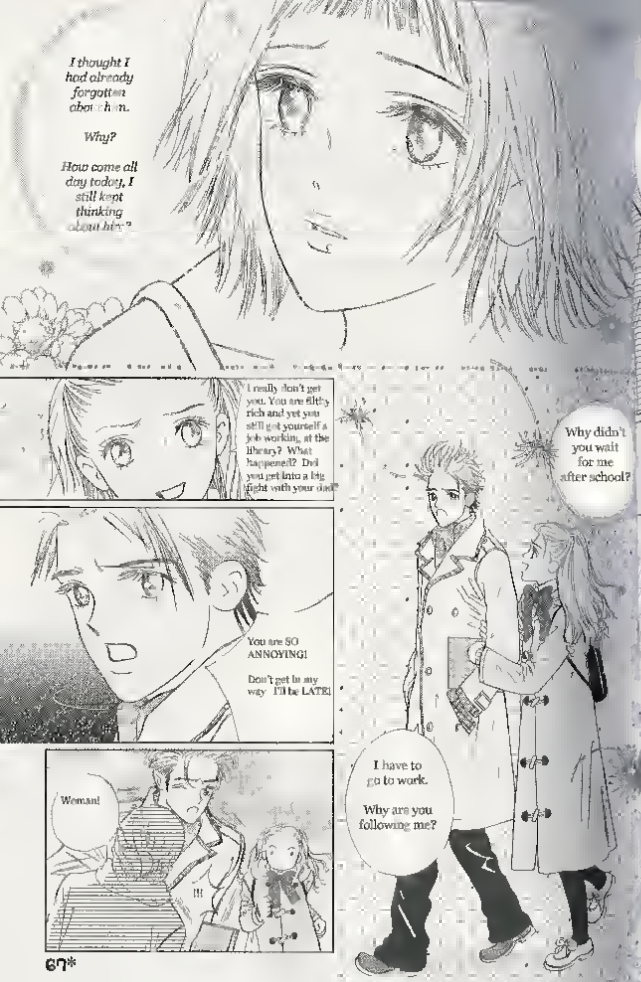
Hyung!!
HEY! WHAT ABOUT MEEE?????
I swear... go upstairs and take a shower. We'll go out for dinner and we can talk then
I just called them. They said alone I'm here already then you should start taking good care of me!!
Let's get going!
I think I have seen that lady somewhere before...
Dong Er? Why are you here? Does dad and grandfather know about this???



I've come to realize that there are many things that can be cured... But when a person is stupid, there's no remedy for that. You should just let me be.
You are my pupil. If you have no faith in yourself, it also means you have no faith in me as your tutor.
I don't even want to think about that. Why did you have to bring it up?
The report card comes out tomorrow. Are you scared?
But ...
I AM your REMEDY
dummy!
The comb is still in your hair!
Xiao Qiao...
I can't believe it just said that. I must be so unfluenced him. Now he's also not afraid to look me.
Ha
Why don't you go in first?
*pulls*
I'm ...I'm starving
Let's go eat!
Cafe

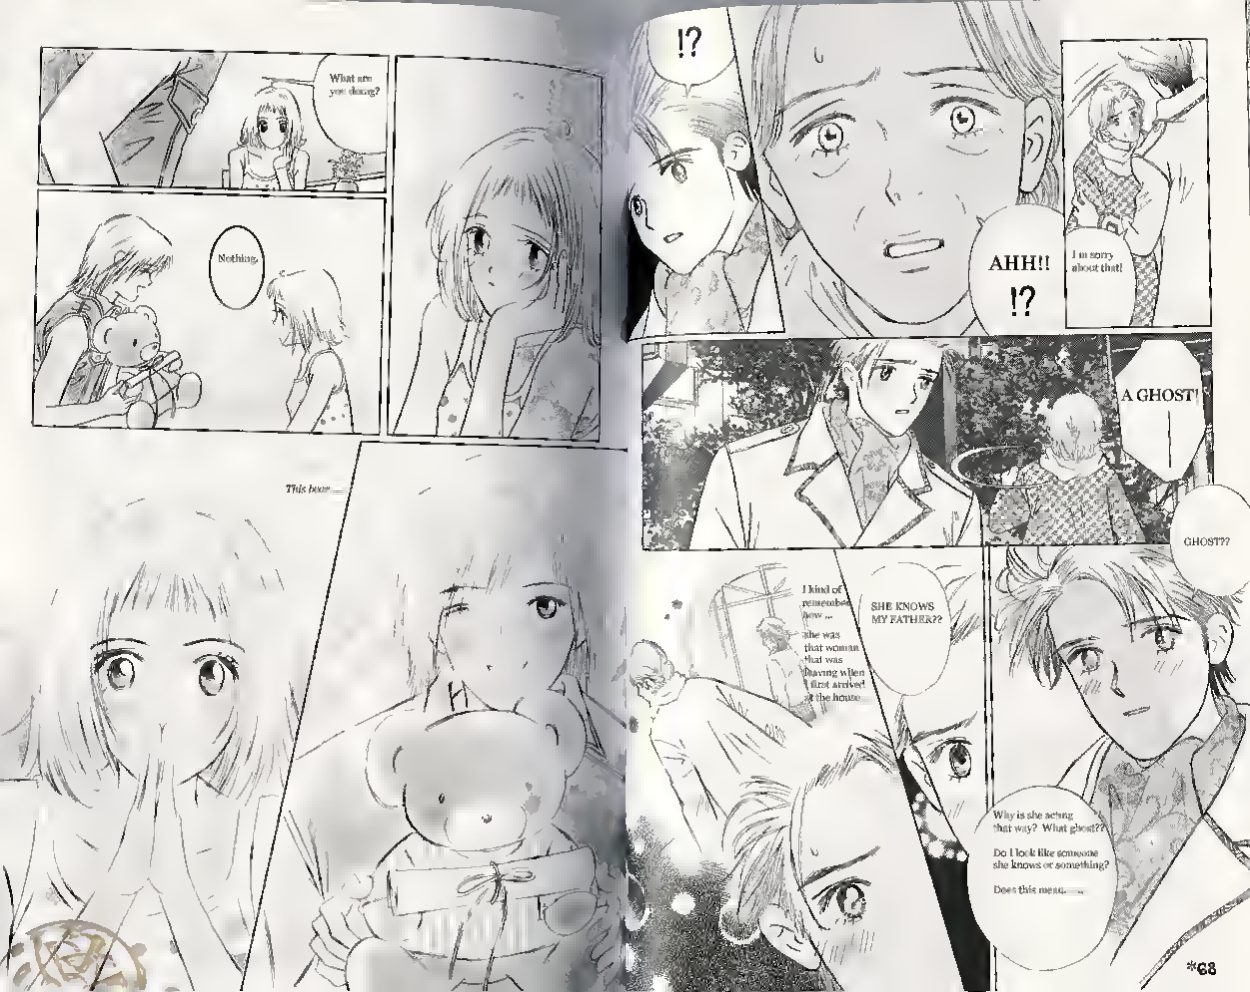


Can you please cut it shorter?
Shorter? It's already pretty short. I think the length is perfect for you!
You would never do that for me, would you?
Pshh. Like YOU would!
I don't like having long hair
She doesn't like long hair. So can you please cut mine shorter too?

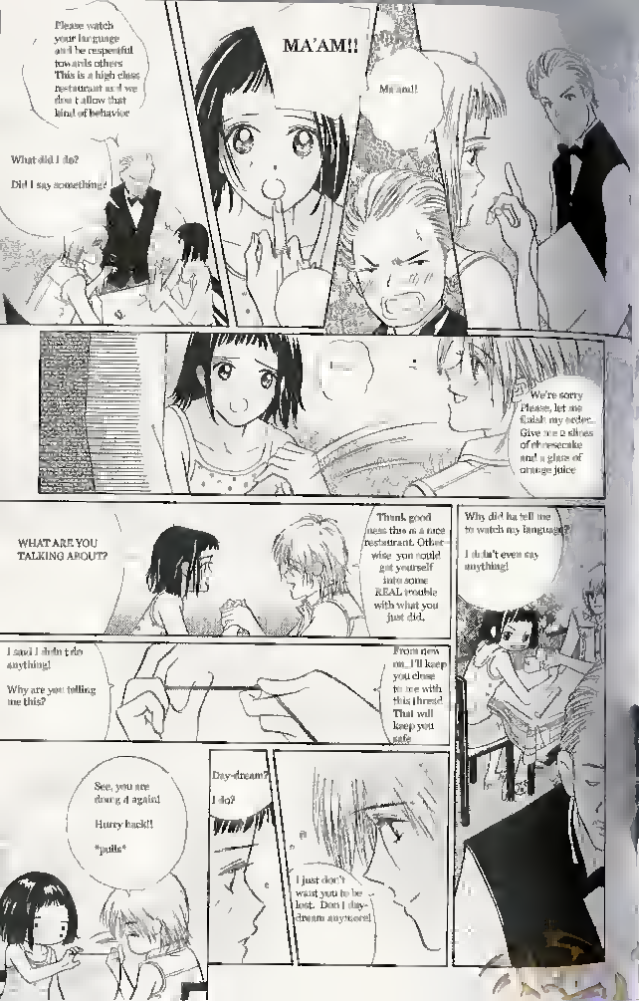


I thought I had already forgotten about him.
Why?
How come all day today, I still kept thinking about him?
I really don't get you. You are filthy rich and yet you still got yourself a job working, at the library? What happened? Did you get into a big fight with your dad?
You are SO ANNOYING!
Don't get in my way. I'll be LATE!
Why didn't you wait for me after school?
I have to go to work.
Why are you following me?
Woman!
!!!

It's Cleun Mung!!!
BOYS LOCKER ROOM
OPPA!!!
WHAT DO YOU THINK YOU'RE DOING?
Soo.... SORRY?!!!
!!!



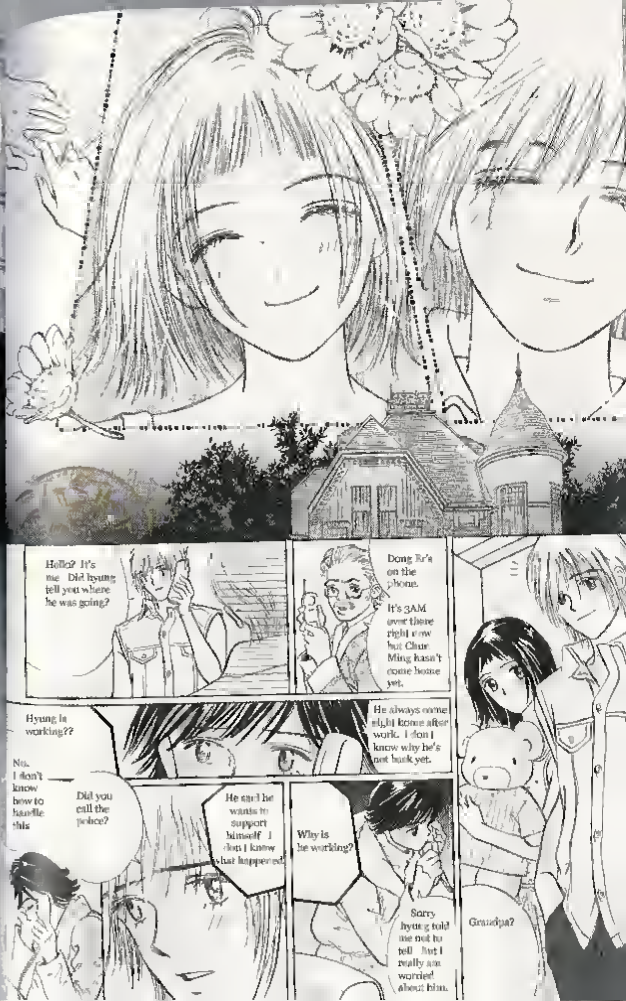
What are you doing?
Nothing.
This hour ...
!?
AHH!!
!?
I'm sorry about that!
A GHOST!
GHOST??
I kind of remember now ...
she was that woman that was leaving when I first arrived at the house.
SHE KNOWS MY FATHER??
Why is she acting that way? What ghost??
Do I look like someone she knows or something?
Does this mean. ...



Please watch your language and be respectful towards others. This is a high class restaurant and we don't allow that kind of behavior
MA'AM!!
Ma'am!!
What did I do?
Did I say something?
We're sorry. Please, let me. Catch my sister... Give us a glass of strawberry and a glass of orange juice
WHAT ARE YOU TALKING ABOUT?
Thank goodness this is a nice restaurant. Otherwise you could get yourself into some REAL trouble with what you just did.
Why did he tell me to watch my language?
I didn't even say anything!
I said I didn't do anything!
Why are you telling me this?
From now on, I'll keep you close to me with this thread. That will keep you safe.
See, you are doing it again!
Hurry back!!
*pulls*
Day-dream?
I do?
I just don't want you to be lost. Don't day-dream anymore!

Congratulations!
You've finally graduated!!!
*It's a diploma
優等生
You should have given me this gift earlier. I was so worried about it last night that I couldn't sleep.
Oh?
From now on, no matter what you do, you will be successful!
That's not what that thread is for
Why is this red thread so long?
RED THREAD?
Does this mean...
I want coffee
What do you want?
Maybe I just think too much. This is just a red thread not a ring
Hmmm?
If this is a ring on my finger it would mean that we're engaged. Does Ippo think that I'll say yes to...his?

Yes Sir
Hurry. Come back to Hong Kong as soon as you can
I was afraid that you'd run into Chun Ming!
I told you to come back to Hong Kong.
*NOTE: grandfather was speaking to Mrs. Zhang on the phone
I have no else!
What is her name??
Who are you looking for? Is the person that important?
I run into her around here twice. She must live near by!
There aren't that many Adams that live around here!
If you don't even know her name or where she lives how will you find her?
*Mrs. Zhang was behind him, getting into a taxi. But Chun Ming did not see her leave.



Hello? It's me. Did hyung tell you where he was going?
Dong Ri's on the phone.
It's 3AM over there right now but Chun Ming hasn't come home yet.
He always come right home after work. I don't know why he's not back yet.
Hyung is working??
No. I don't know how to handle this
Did you call the police?
He can't he wants to support himself. I don't know what happened
Why is he working?
Sorry hyung told me not to tell but I really am worried about him.
Grandpa?

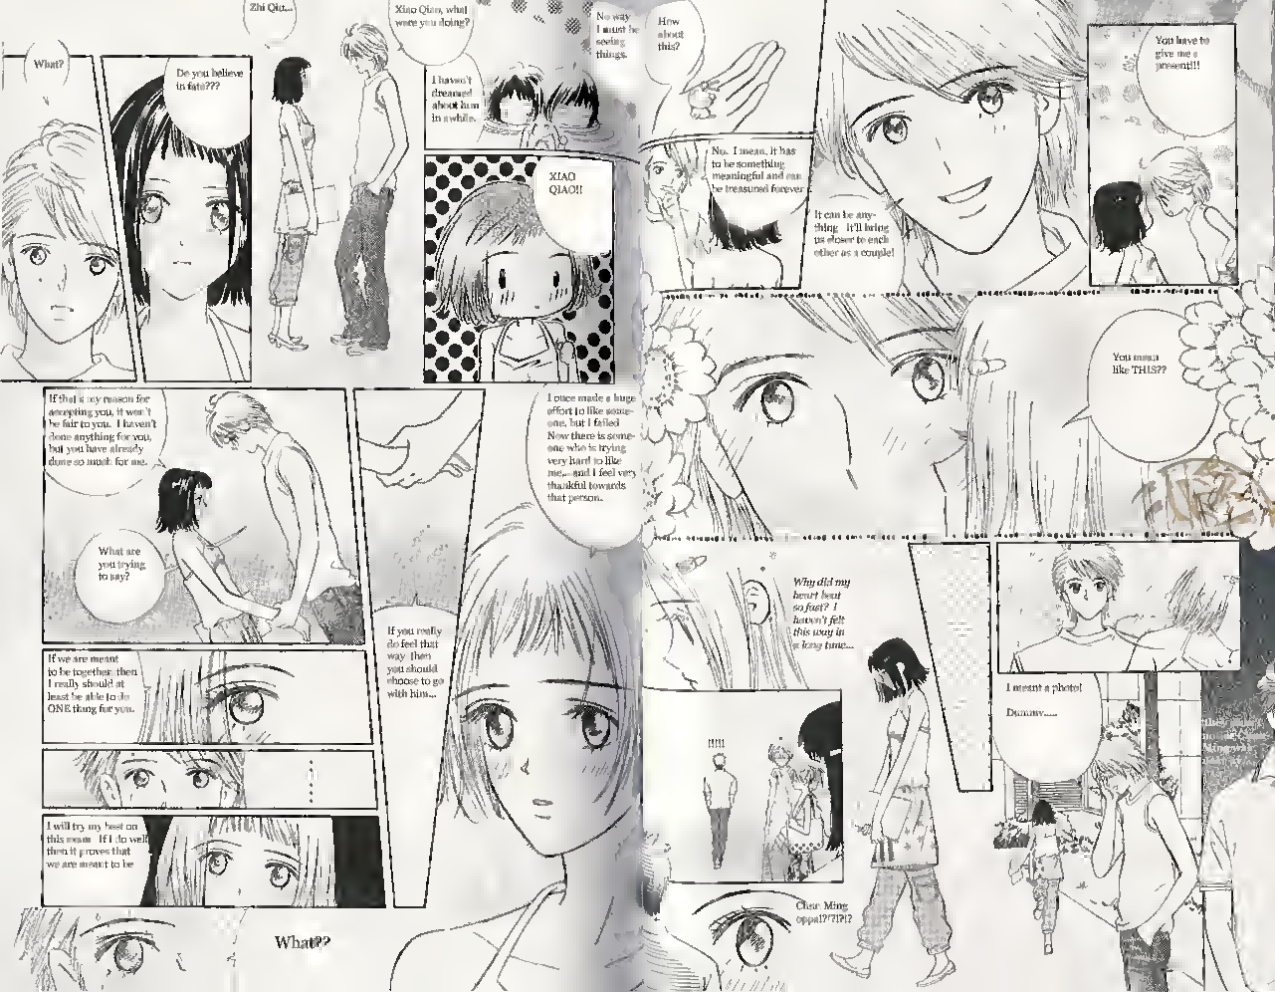
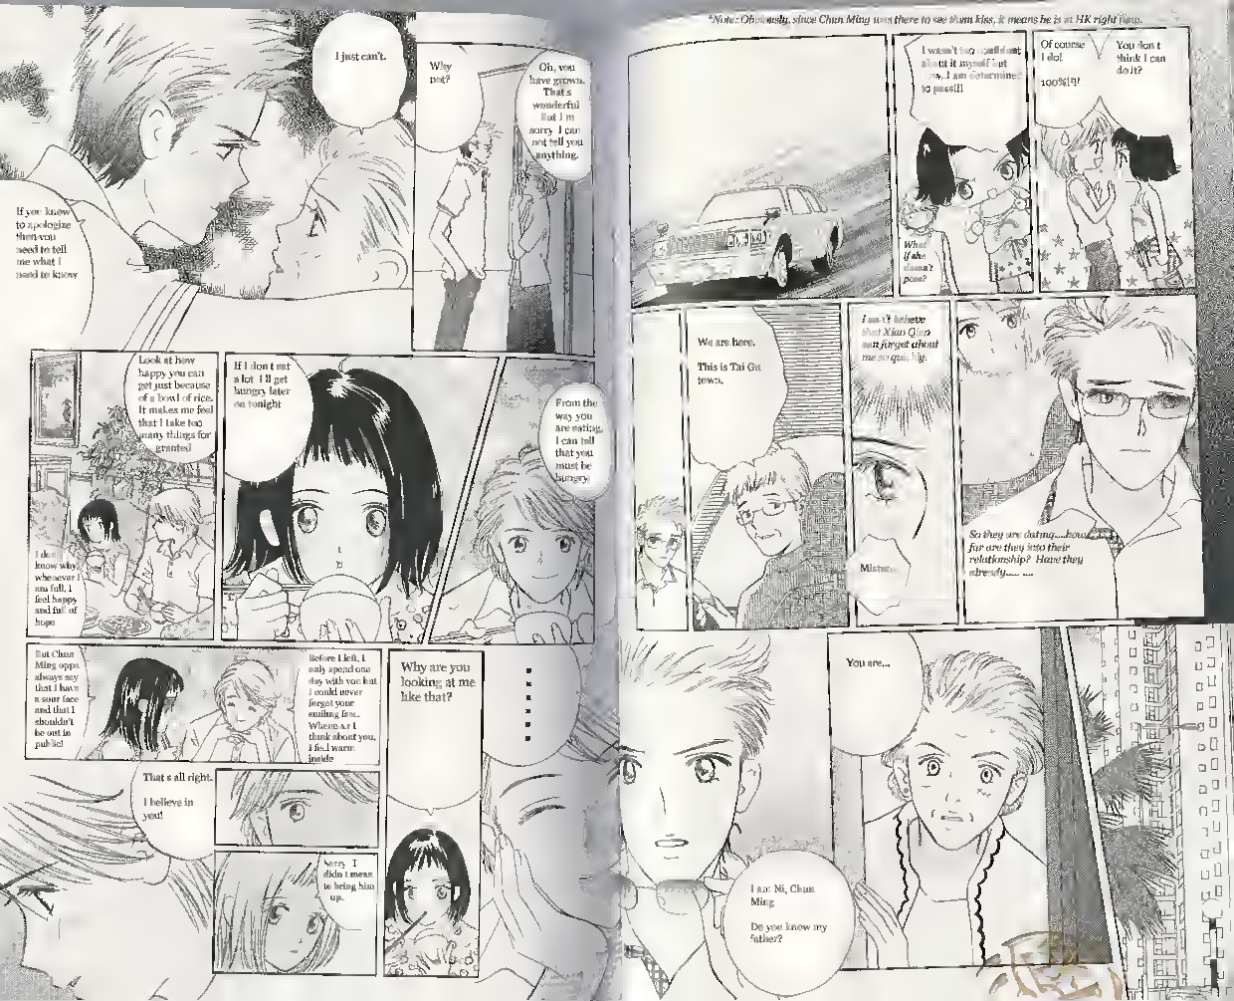
[Report card]
That's something, Chun Ming, oppa would say...
Sure thing. But you have to do one thing for me in exchange!
I just need to retake one exam for that one subject.
I promise. If you tutor me until 11PM I'll pass the test!
Are you asking me out??
Zhi Qiu, are you free... tonight?

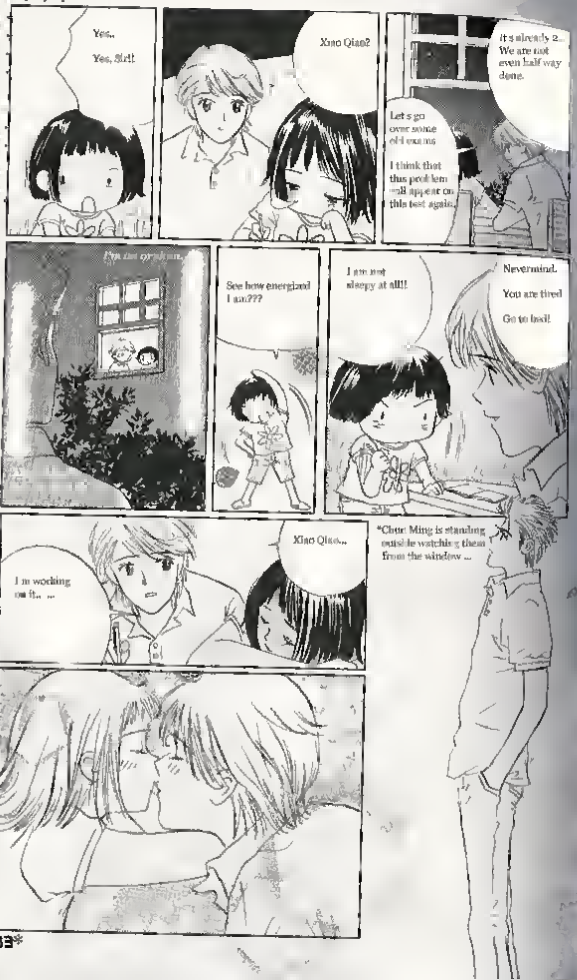
*Chun Ming was flipping through his notebook. It was he saw the paper with address that Mrs. Zhang gave him*
What? Tai Gu town? What are you talking about?
Tai Gu town?
I was bored. So I wanted to kill some time. Dong Er is so noisy.
Dong Er was very worried about you.
Also, why are you working?
Ok. Good night!
I really want to get to bed.
I have to get up early tomorrow.
Zhi Qiu, if you really do like me...then let's be together.
ZHI QIU.
Xiao Qiu, let's go out for a walk before dinner time.



What?
Do you believe in fate???
Zhi Qiu...
Xiao Qiao, what were you doing?
I haven't dreamed about him in a while.
No way I must be seeing things.
XIAO QIAO!!
How about this?
No. I mean, it has to be something meaningful and can be treasured forever.
It can be anything. It'll bring us closer to each other as a couple!
You have to give me a present!!!
You mean like THIS??
If that is my reason for accepting you, it won't be fair to you. I haven't done anything for you, but you have already done so much for me.
What are you trying to say?
If we are meant to be together, then I really should at least be able to do ONE thing for you.
I will try my best on this exam. If I do well then it proves that we are meant to be
I once made a huge effort to like someone, but I failed. Now there is someone who is trying very hard to like me... and I feel very thankful towards that person.
If you really do feel that way, then you should choose to go with him...
What??
Why did my heart beat so fast? I haven't felt this way in a long time...
!!!!!
Chae Ming oppa!?!?!?!?
I meant a photo!
Dummy.....

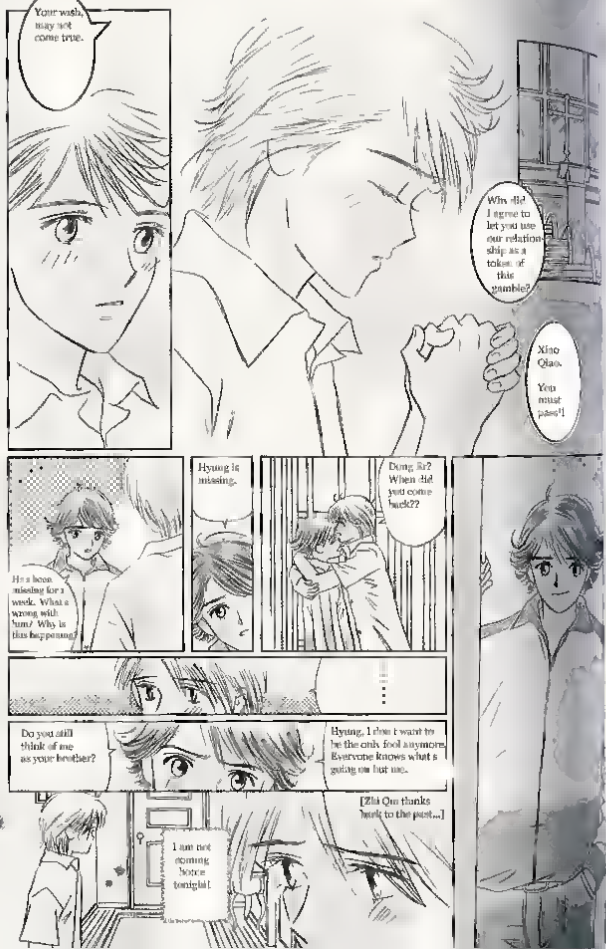


I just can't.
Why not?
Oh, you have grown. That's wonderful but I'm sorry. I can not tell you anything.
If you know to apologize then you need to tell me what I need to know
Look at how happy you can get just because of a bowl of rice. It makes me feel that I take too many things for granted
I don't know why whenever I am full, I feel happy and full of hope
If I don't eat a lot I'll get hungry later on tonight
From the way you are eating, I can tell that you must be hungry.
But Chun Ming oppa always say that I have a sour face and that I shouldn't be out in public
Before I left, I only spend one day with you but I could never forget your smiling face. Whenever I think about you, I feel warm inside
That's all right. I believe in you!
Sorry. I didn't mean to bring him up.
Why are you looking at me like that?
.....
*Note: Oh! Really, since Chun Ming was there to see them kiss, it means he is in HK right now.
What if she doesn't pose?
I wasn't too confident about it myself but now, I am determined to pass!!!
Of course I do!
You don't think I can do it?
100%!!!
We are here.
This is Tai Gu town.
I don't believe that Xiao Qiao can't forget about me so quickly.
Mister...
So they are dating....how far are they into their relationship? Have they already.....
You are...
I am Ni, Chun Ming.
Do you know my father?

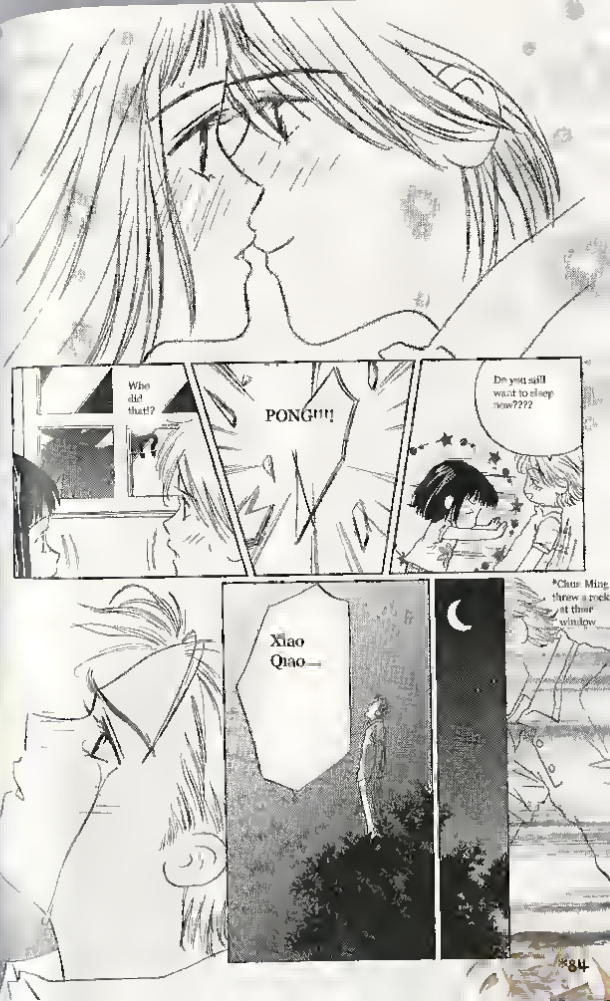


Yes..
Yes, Sir!!
Xiao Qiao?
It's already 2... We are not even half way done.
Let's go over some of the exams
I think that this problem will appear on this test again.
I'm the problem.
See how energized I am???
I am not sleepy at all!!!
Nevermind.
You are tired
Go to bed!
Xiao Qiao...
I am working on it... ...
*Clerk Ming is standing outside watching them from the window ...

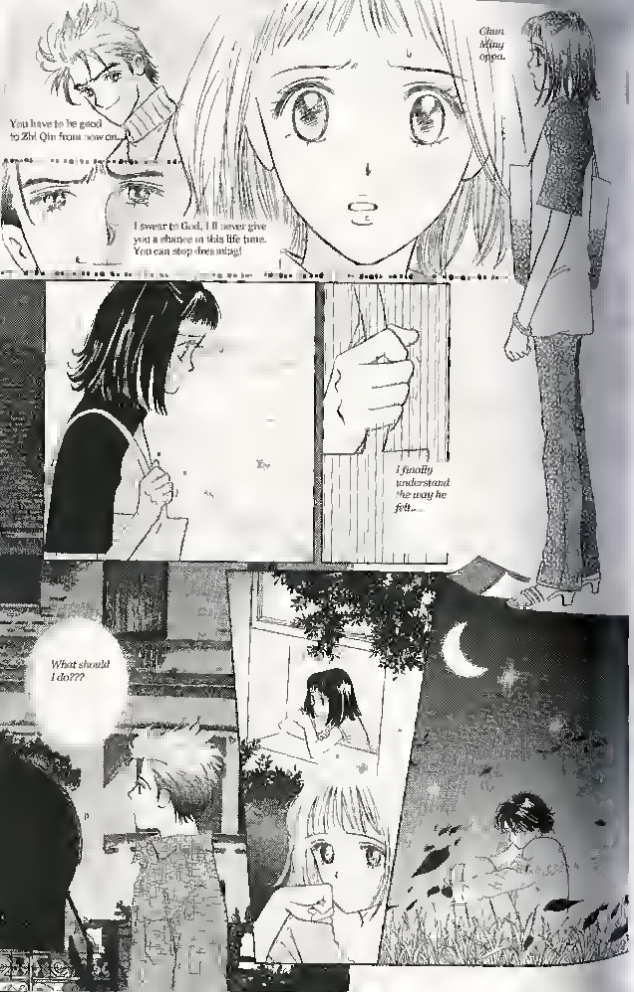
Ni, Guo Xin took everything away from my father????
She was forced to Ni, Guo Xin already took over all of your father's possessions.
When your mother married Ni, Guo Xin she was already 6 months pregnant with you.
Half a year?
My mother remarried half a year later?
Ok. Time to study!!!
If she did love him, then she wouldn't have killed herself! He only married her to stabilize his position in the company
Tell me.
Was my mother ever in love with Ni, Guo Xin?
I'm sorry...I was greedy and your grandfather said me not to say anything.
But ever since I ran into you I kept thinking about your mother...
Ni, Guo Xin was a son artist?
I don't know the details. I just knew that the two of them were close like brothers. Ni ,Guo Xin hung around your father a lot. He was very poor and unsuccessful. Your father helped him out and even gave him a job.
But shortly after your father got into an auto accident and died. The company fell into Ni ,Guo Xin's hands. He even forced your mom to marry him. For you and for survival, she agreed to marry him.
Zhi Qu and Deng Er ...the three of us all have different mothers????
Your two brothers both have different mothers....
After Ni, Guo Xin married your mother...he still fooled around with other women.



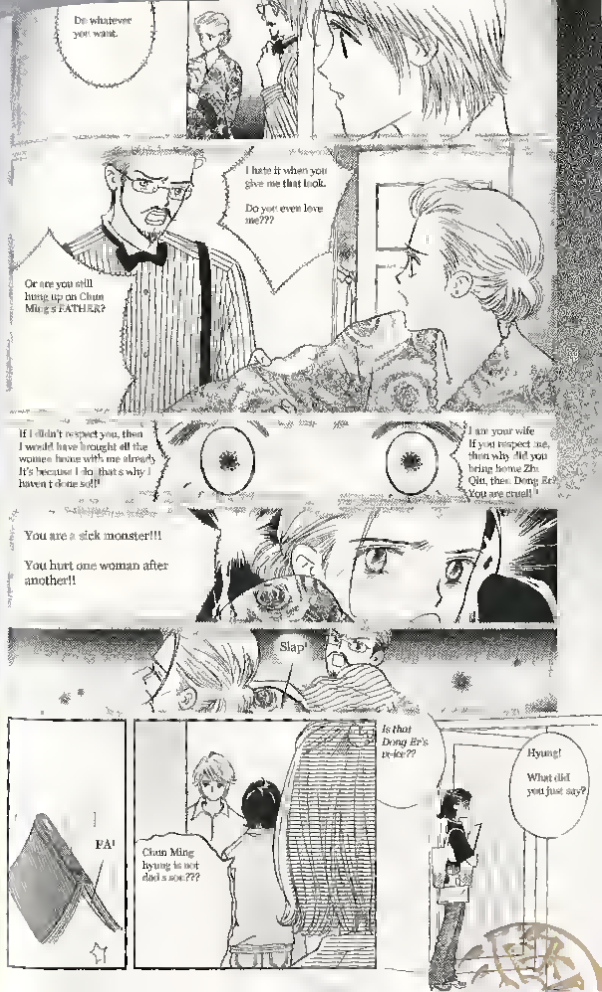
Your wish may not come true.
Who did I agree to let you use our relationship as a token of this gamble?
Xiao Qiao.
You must pass!!
He's been missing for a week. What a wrong with him? Why is this happening?
Hyung is missing.
Dong Ji? When did you come back??
Do you still think of me as your brother?
Hyung, I don't want to be the sick fool anymore. Everyone knows that's going on but me.
[Zhi Qiu thanks back to the past...]
I am not coming home tonight!



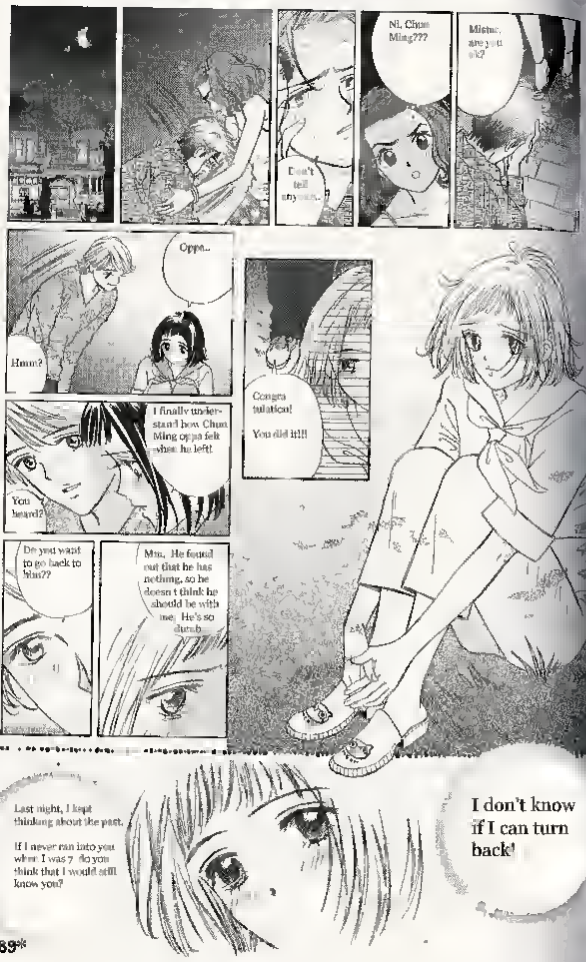
Who did that!?
PONG!!!
Do you still want to sleep now???
Xiao Qiao...
*Chen Ming threw a rock at their window.



You have to be good to Zhi Qin from now on.
I swear to God, I'll never give you a chance in this life time. You can stop dreaming!
Chun Ming cried.
Yu
I finally understand the way he felt...
What should I do???

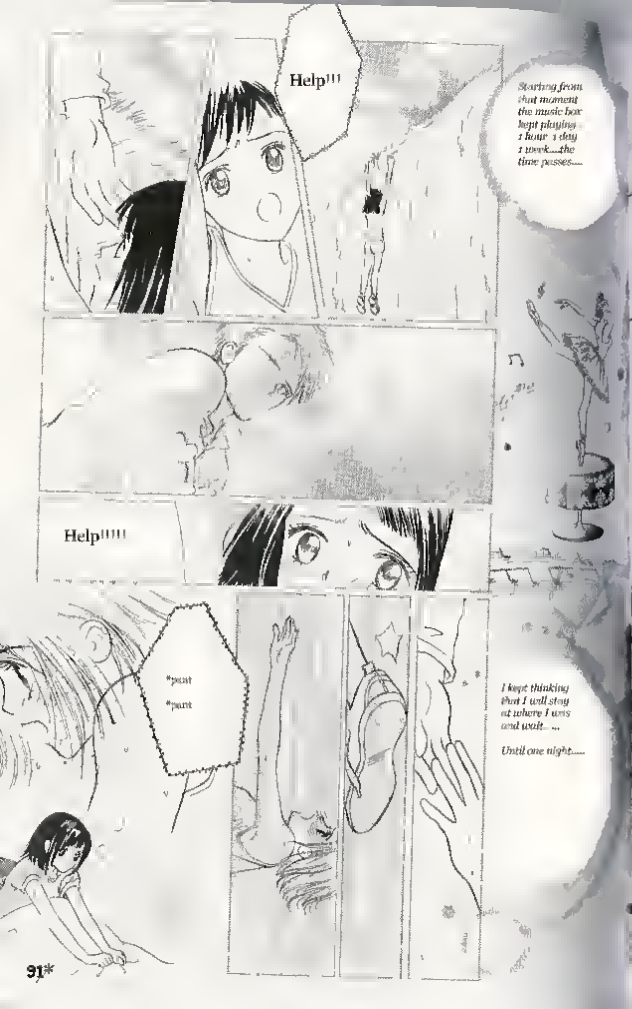


Do whatever you want.
I hate it when you give me that look.
Do you ever love me???
Or are you still hung up on Chun Ming's FATHER?
If I didn't respect you, then I would have brought all the women home with me already. It's because I do, that's why I haven't done so!!
I am your wife
If you respect me, then why did you bring home Zhi Qin, then Dong Er? You are cruel!
You are a sick monster!!!
You hurt one woman after another!!
Slap!
FA!
Chun Ming hyung is not dad's son???
Is that Dong Er's voice??
Hyung!
What did you just say?

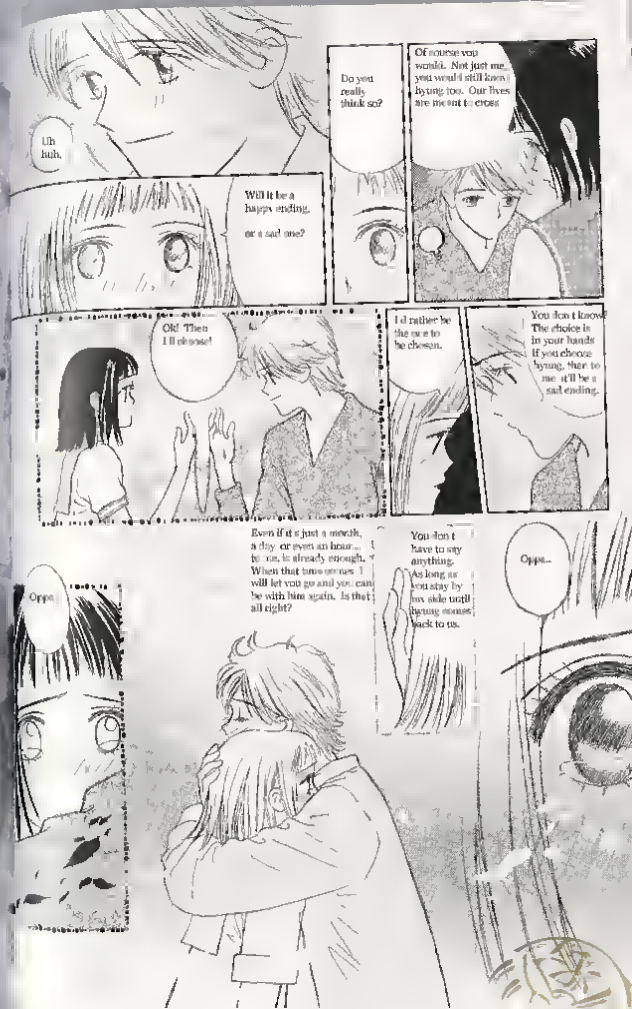


Ni, Chun Ming???
Mistuc, are you ok?
Don't tell anyone...
Oppa...
Hmm?
Congra tulation!
You did it!!!
I finally understand how Chun Ming oppa felt when he left!
You heard?
Do you want to go back to him??
Mm.. He found out that he has nothing, so he doesn't think he should be with me. He's so dumb.
Last night, I kept thinking about the past.
If I never ran into you when I was 7 do you think that I would still know you?
I don't know if I can turn back!

Don't move
Give me all your money!
NOBODY MESSES WITH ME!!!
Hel..
HELP!!!

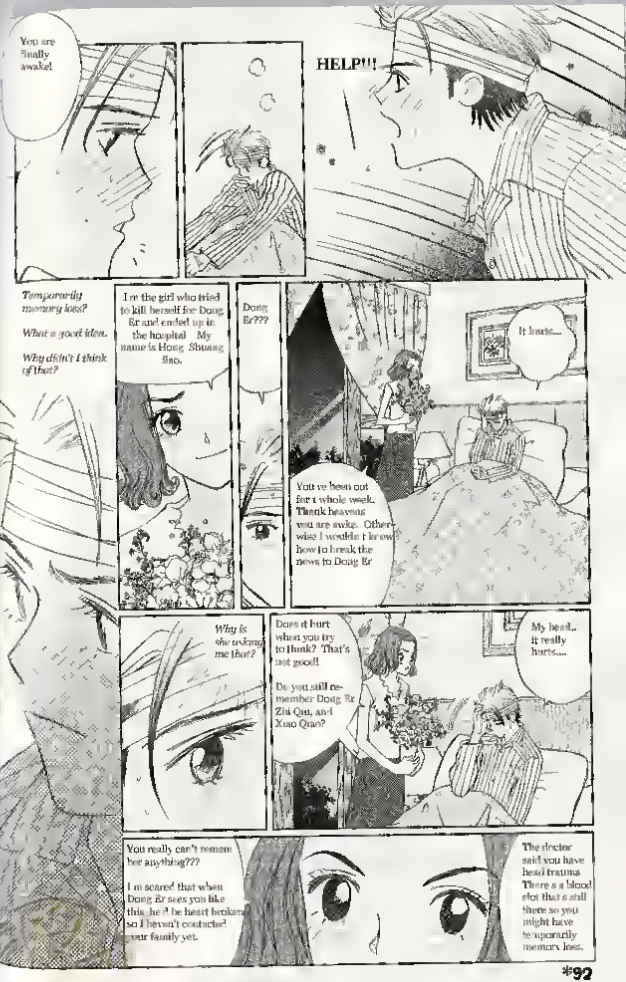


Help!!!
Starting from that moment the music box kept playing. 1 hour. 1 day. 1 week....the time passes....
Help!!!!!
*pant
*pant
I kept thinking then I will stay at where I was and wait... ...
Until one night.....

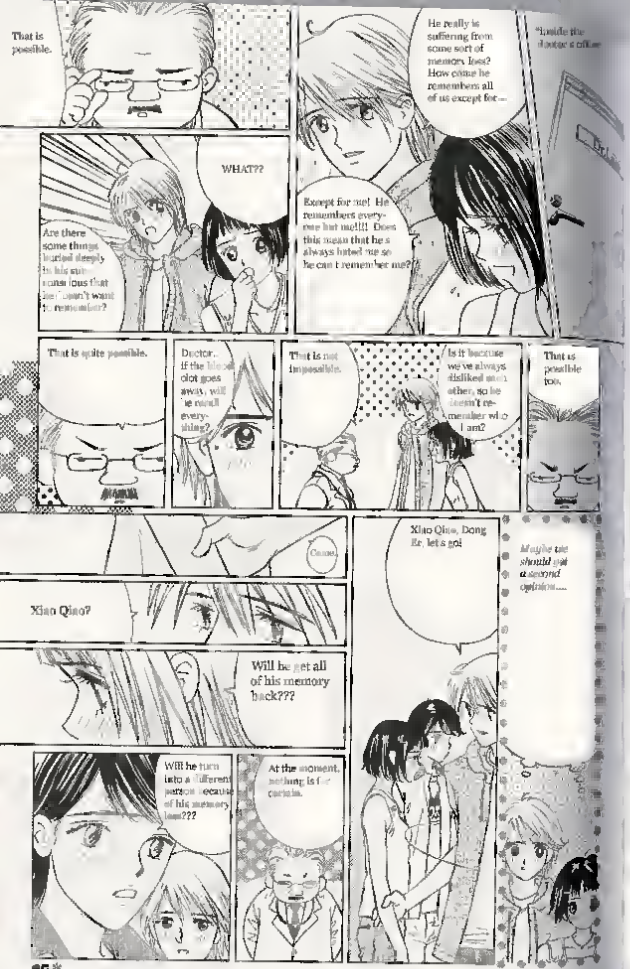


Uh huh.
Will it be a happy ending, or a sad one?
Do you really think so?
Of course you would. Not just me, you would still keep trying too. Our lives are meant to cross
Oh! Then I'll choose!
I'd rather be the one to be chosen.
You don't know! The choice is in your hands. If you choose Yuying, then to me, it'll be a sad ending.
Even if it's just a month, a day, or even an hour... to us, is already enough. When that time arrives I will let you go and you can be with him again. Is that all right?
You don't have to say anything. As long as you stay by his side until Yuying comes back to us.
Oppa
Oppa...

HYUNG!!!
Dong Er. Your brother was attacked... I brought him here.....
Hyung!!!
OPPA!!!
You really don't remember who we are???
I knew it! You still remember me

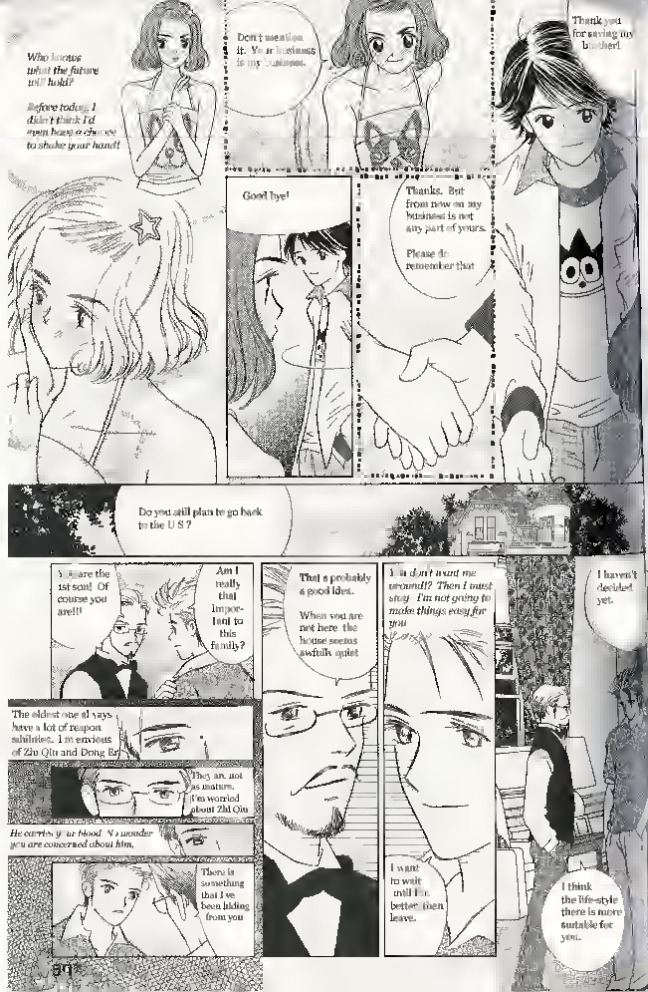


You are finally awake!
HELP!!!
Temporarily memory loss?
What a good idea.
Why didn't I think of that?
I'm the girl who tried to kill herself for Dong Er and ended up in the hospital. My name is Hong Shuang Hao.
Dong Er???
It hurts...
You've been out for a whole week. Thank heavens you are awake. Otherwise I wouldn't know how to break the news to Dong Er
Why is she asking me that?
Does it hurt when you try to think? That's not good!
Do you still remember Dong Er, Zhi Qiu, and Xiao Qiao?
My head... it really hurts....
You really can't remember anything???
I'm scared that when Dong Er sees you like this, he'll be heart broken so I haven't contacted your family yet.
The doctor said you have head trauma. There's a blood clot that's still there so you might have temporarily memory loss.

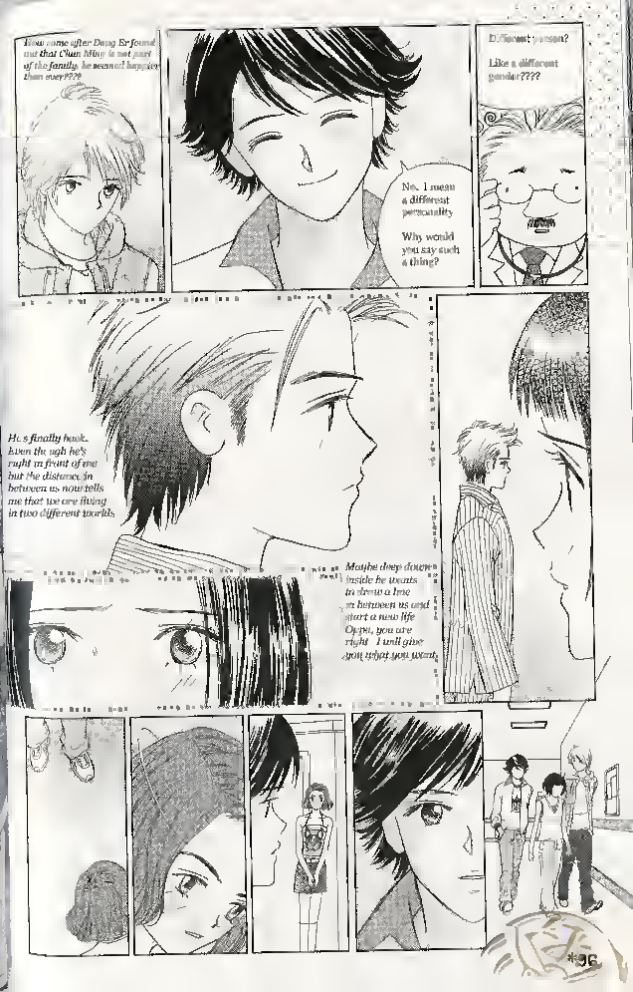


That is possible.
He really is suffering from some sort of memory loss? How come he remembers all of us except for...
*Inside the doctor's office
WHAT??
Are there some things buried deeply in his subconscious that he doesn't want to remember?
Except for me! He remembers everyone but me!!! Does this mean that he's always hated me so he can't remember me???
That is quite possible.
Doctor, if the blood clot goes away, will he recall everything?
That is not impossible.
Is it because we've always disliked each other, so he doesn't remember who I am?
That as possible too.
Cause.
Xiao Qiao?
Will he get all of his memory back???
Xiao Qiao, Dong Er, let's go!
Will he turn into a different person because of his memory loss???
At the moment, nothing is for certain.
*Maybe we should get a second opinion....

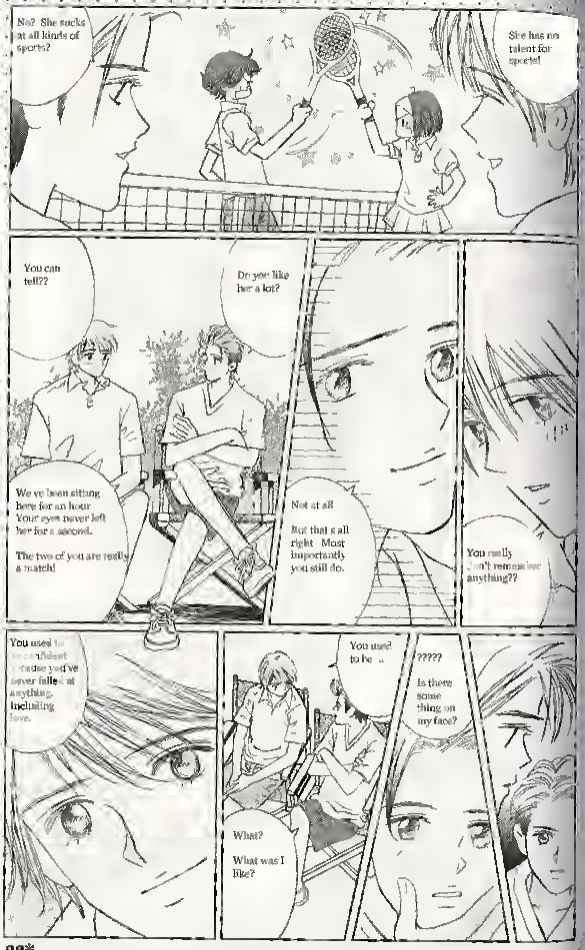
HYUNG!
I'm so glad that you're back!!!
!!!
ZHI QIU!
DONG ER!!
Dad... aunty..
I'm happy to know that you are ok!
We were so worried...
I'm the only person who he doesn't recognize???



Who knows what the future will hold?
Before today, I didn't think I'd even have a chance to shake your hand!
Don't mention it. Your business is my business.
Thank you for saving my brother!
Good bye!
Thanks. But from now on my business is not any part of yours.
Please do remember that
Do you still plan to go back to the U.S.?
You are the 1st son! Of course you are!!!
Am I really that important to this family?
The oldest one always have a lot of responsibilities. I'm envious of Zhi Qiu and Dong Er.
They are not as mature. I'm worried about Zhi Qiu
He carries your blood. No wonder you are concerned about him.
There is something that I've been hiding from you
That's probably a good idea.
When you are not here the house seems awfully quiet
You don't want me around? Then I must stay. I'm not going to make things easy for you
I want to wait until I'm better then leave.
I haven't decided yet.
I think the life-style there is more suitable for you.

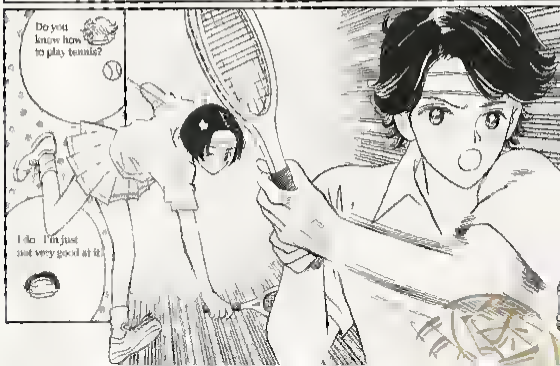


How come after Dong Er found out that Chan Mou is not part of the family, he seemed happier than ever????
No. I mean a different personality
Why would you say such a thing?
Different person?
Like a different gender????
He's finally back. Even though he's right in front of me but the distance in between us now tells me that we are living in two different worlds.
Maybe deep down inside he wants to draw a line in between us and start a new life
Oppa, you are right. I will give you what you want.



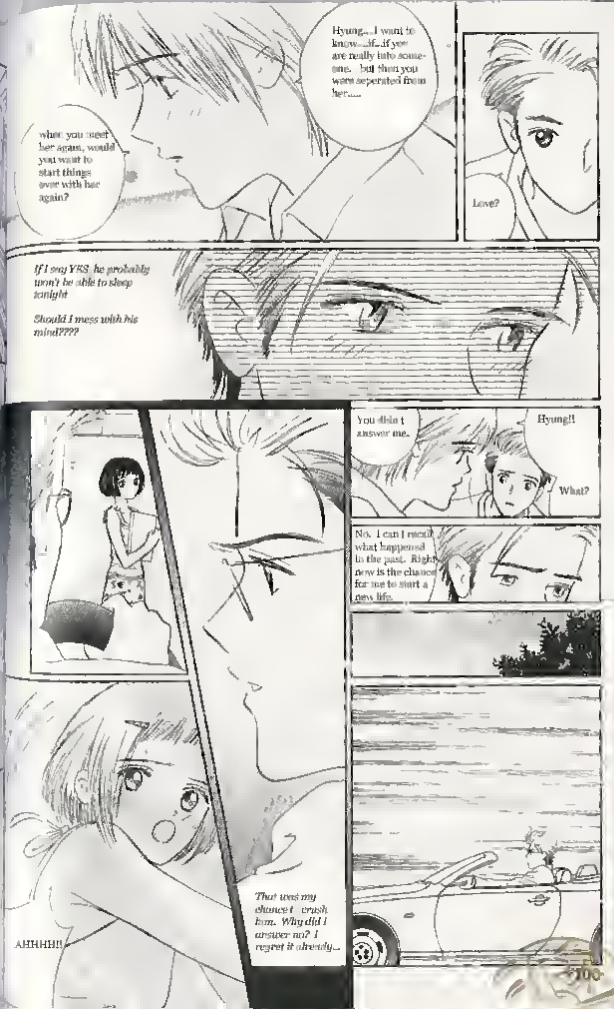
No? She sucks at all kinds of sports?
She has no talent for sports!
You can tell??
Do you like her a lot?
We've been sitting here for an hour. Your eyes never left her for a second.
The two of you are really a match!
Not at all
But that's all right. Most importantly, you still do.
You really don't remember anything??
You used to be confident and cocky and you've never failed at anything, including love.
You used to be ..
What?
What was I like?
?????
Is there some thing on my face?

!?
!?
2 years after Zhi Qiu had moved to the U.S. he was diagnosed with severe depression. He tried to kill himself
For 5 years, he had to see a psychiatrist for treatment. You are his elder brother, you should take good care of him.
Zhi Qiu knows abo ut all the awful things you did. That's why he became depressed because he's ashamed to be carrying your blood in his body! This is all your fault!!
Dad. I know what I need to do!!

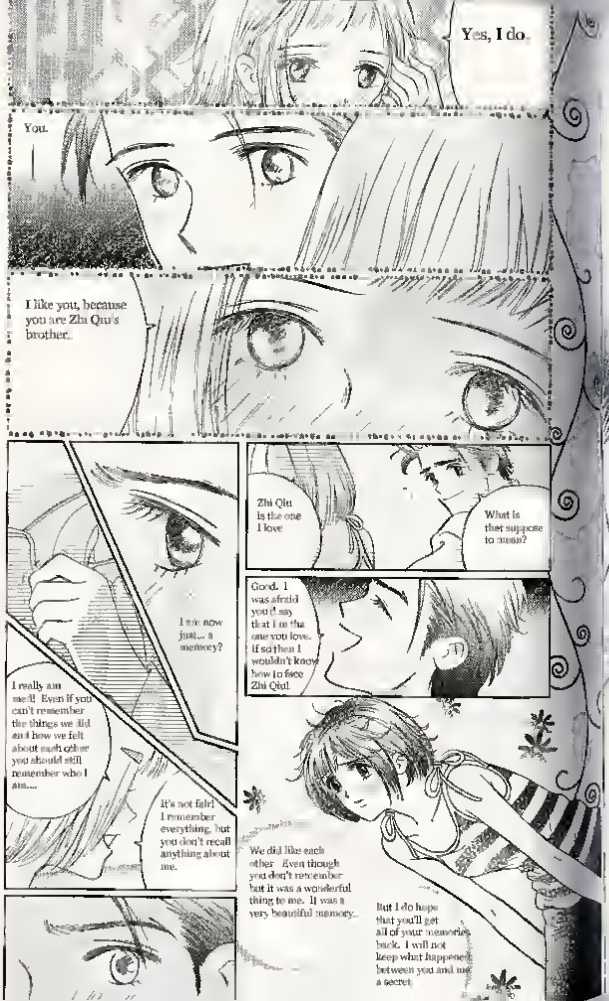


Do you know how to play tennis?
I do. I'm just not very good at it.

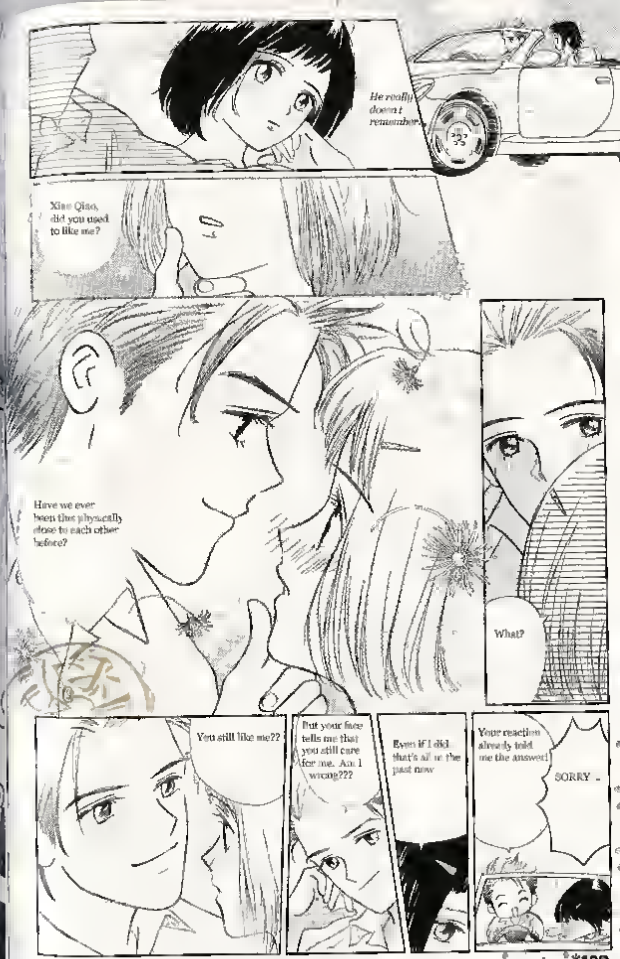
WERE YOU TRYING TO KILL ME???
OR WAS THAT ...JUST A ...JOKE???
She's testing to see if I remember?
Is this another one of your sick jokes??? Are you really trying to kill me?
I did! Were you injured? At least you are not hurt this time. If you are, Zhi Qiu will kill me.
You tried to run me over with your car before.
I'm sorry
Are you hurt?



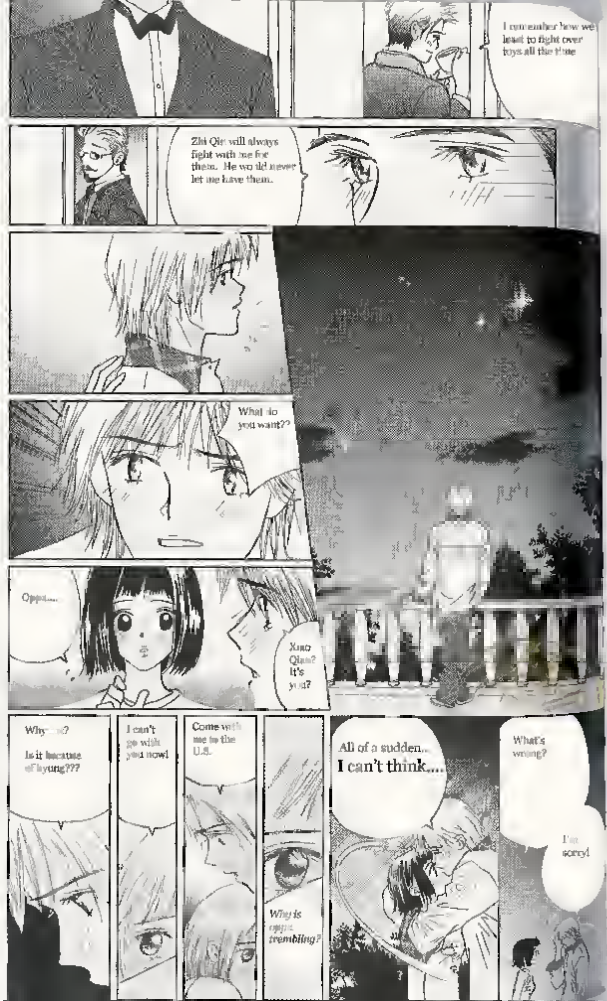
Hyung... I want to know...if...if you are really into someone, but then you were seperated from her.....
when you meet her again, would you want to start things over with her again?
Love?
If I say YES, he probably won't be able to sleep tonight
Should I mess with his mind????
You didn't answer me.
Hyung!!
What?
No, I can't recall what happened to the past. Right now is the chance for me to start a new life.
That was my chance! I crush him. Why did I answer no? I regret it already...
AHHHH!!



Yes, I do.
You.
I like you, because you are Zhi Qiu's brother.
I like now just... a memory?
I really am me!! Even if you can't remember the things we did and how we felt about each other you should still remember who I am....
It's not fair! I remember everything, but you don't recall anything about me.
Zhi Qiu is the one I love
What is that suppose to mean?
Good. I was afraid you'd say that I m the one you love. If so then I wouldn't know how to face Zhi Qiu!
We did like each other. Even though you don't remember but it was a wonderful thing to me. It was a very beautiful memory...
But I do hope that you'll get all of your memories back. I will not keep what happened between you and me a secret.



He really doesn't remember...
Xiao Qiao, did you used to like me?
Have we ever been this physically close to each other before?
What?
You still like me??
But your face tells me that you still care for me. Am I wrong???
Even if I did, that's all in the past now
Your reaction already told me the answer!
SORRY...



I remember how we least to fight over toys all the time
Zhi Qie will always fight with me for them. He would never let me have them.
What do you want??
Oppa.....
Xiao Qian? It's you?
Why...?
Is it because of lying???
I can't go with you now!
Come with me to the U.S.
Why is oppa trembling?
All of a sudden.. I can't think....
What's wrong?
I'm sorry!

Xiao Qian...
At least you should remember my name... but you don't.....
Is it using a lie to remember everything that has come to you???
I want to get my memories back. I need my family's help and support on that. Sir I will not go back to the U.S.
Does grandfather suspect that I'm up to something?
What is the meaning of this??
What is grandfather trying to say?
I can't remember things like I used to. I just remember the good times with you :) love,
Your dad and I had a talk. We think that the U.S. is a better place for you. They have a better medical system too.

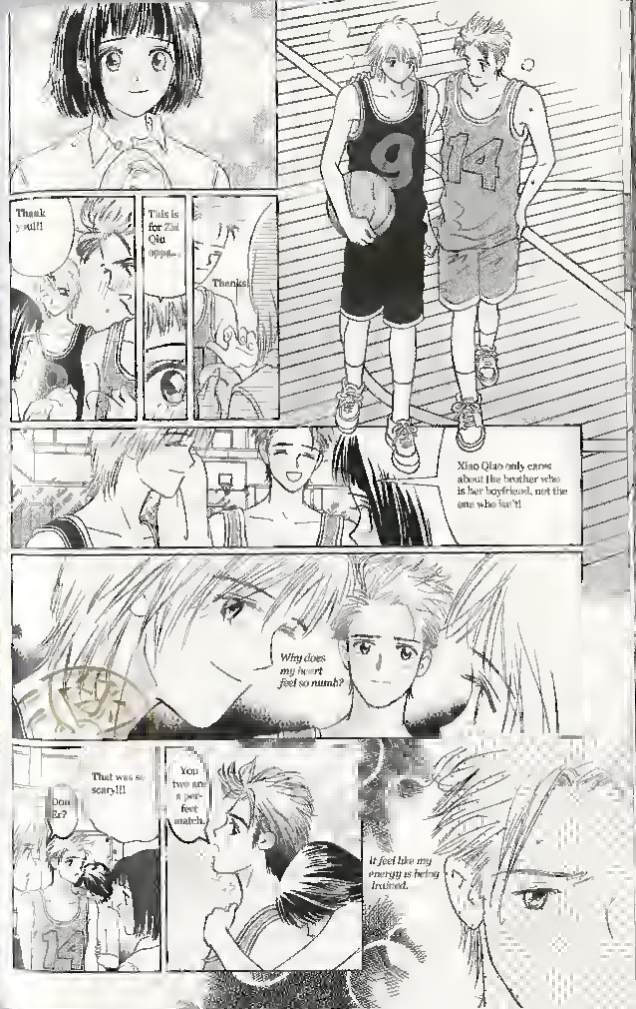
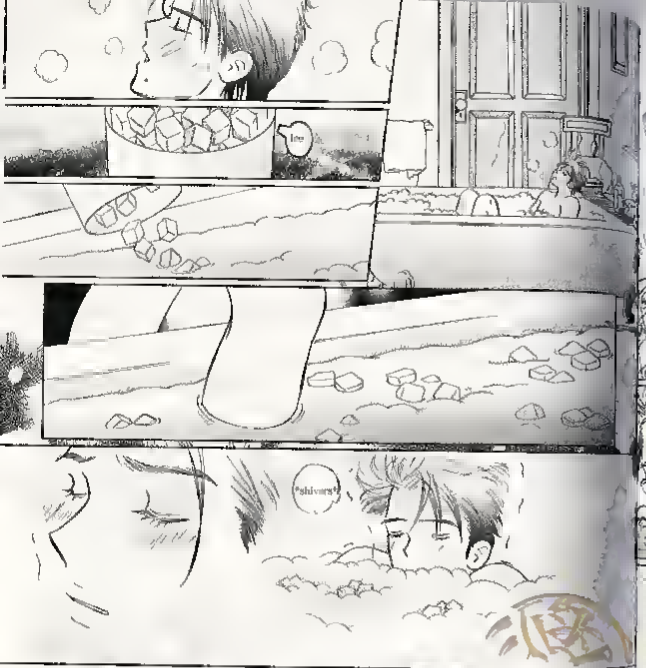
Wen Ke academy's international basket ball competition....

I'm not afraid of you!!!!
Stop it
That's enough!
You...
Do you plan to test me some more? Go ahead!
This is all your fault. I hate you!
You have a reaction??
Am I right??
If I don't, I don't know what my next step will be. I won't know where to go!
Can you stop following me around????
Let's see if you still want to keep hanging around me!?
What are you doing??
If you dare to be half naked in front of me, then so am I!!!!

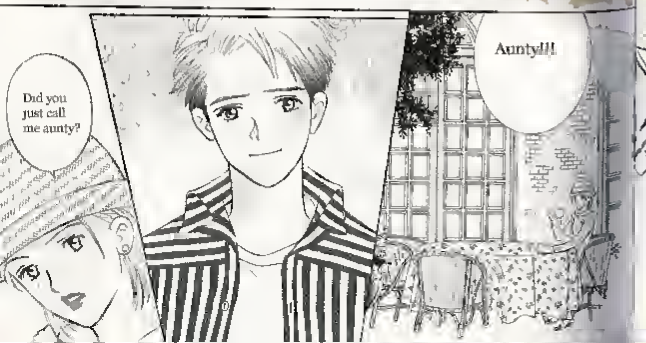
But whenever she does something, she would scare the heck out of me. I'm afraid to be around her
That girl must be serious about you.
I would do it too.
Hmm?
Hyung!
There is someone you would die for??
A long time ago... there was someone...
Then don't let her find out. It'll only make things tougher on her.
She was committed suicide because of you. That is frightening. I don't understand why people would throw their own lives away just for love.
You remember that????
I once told you that when there's some one you like, you must tell me. Why didn't you?
Who is the girl????
You still remember me as your brother. I'm already very satisfied with that.
Do I know her??
During... We'll always be brothers.
Does he know that we are not related?
Oops. I'm not suppose to....
I'm not going to tell you. I'm bringing that feeling into my grave with me. I will not tell anyone else about it.
That I do.
It's in the past. Let's not talk about it anymore.
For always fantasized that we are not blood related. But how come when my dream came true, I suddenly feel very sorry for you????



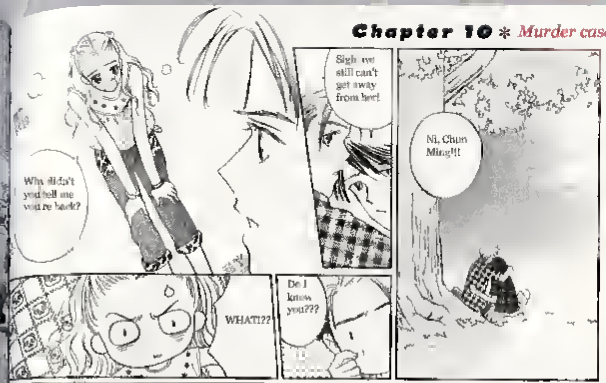
Thank you!!!
This is for Xiao Qiao oppa...
Thanks!
Xiao Qiao only cares about the brother who is her boyfriend, not the one who isn't!
Why does my heart feel so numb?
That was so scary!!!
Don't?
You two are a perfect match.
It feel like my energy is being drained.



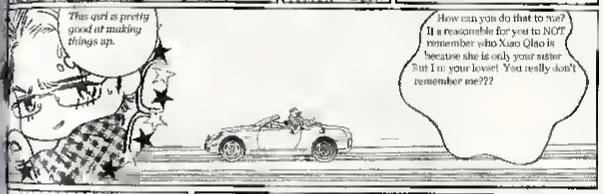
Tee
*shivers*



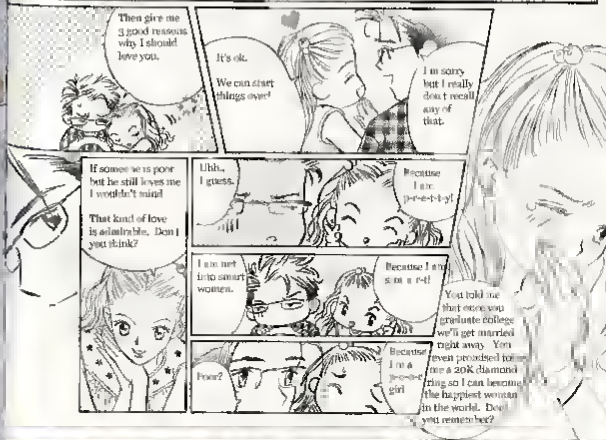
Did you just call me aunty?
Aunty!!!



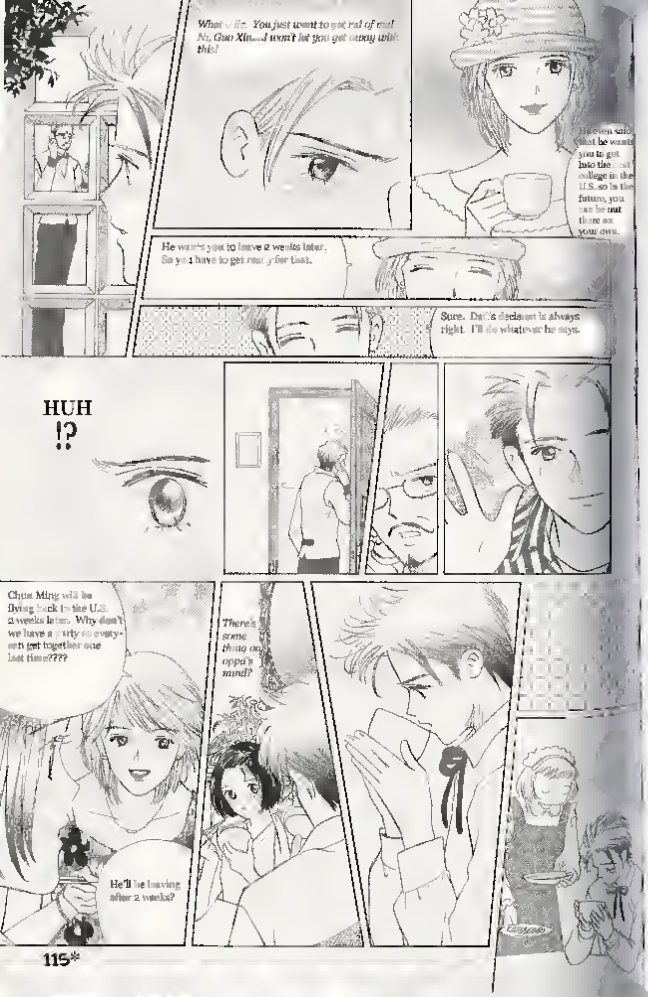
Why didn't you tell me you're back?
Sigh we still can't get away from her!
Ni, Chun Ming!!!
WHAT!??
Do I know you???



This girl is pretty good at making things up.
How can you do that to me? It is reasonable for you to NOT remember who Xiao Qiao is because she is only your sister But I'm your lover! You really don't remember me???

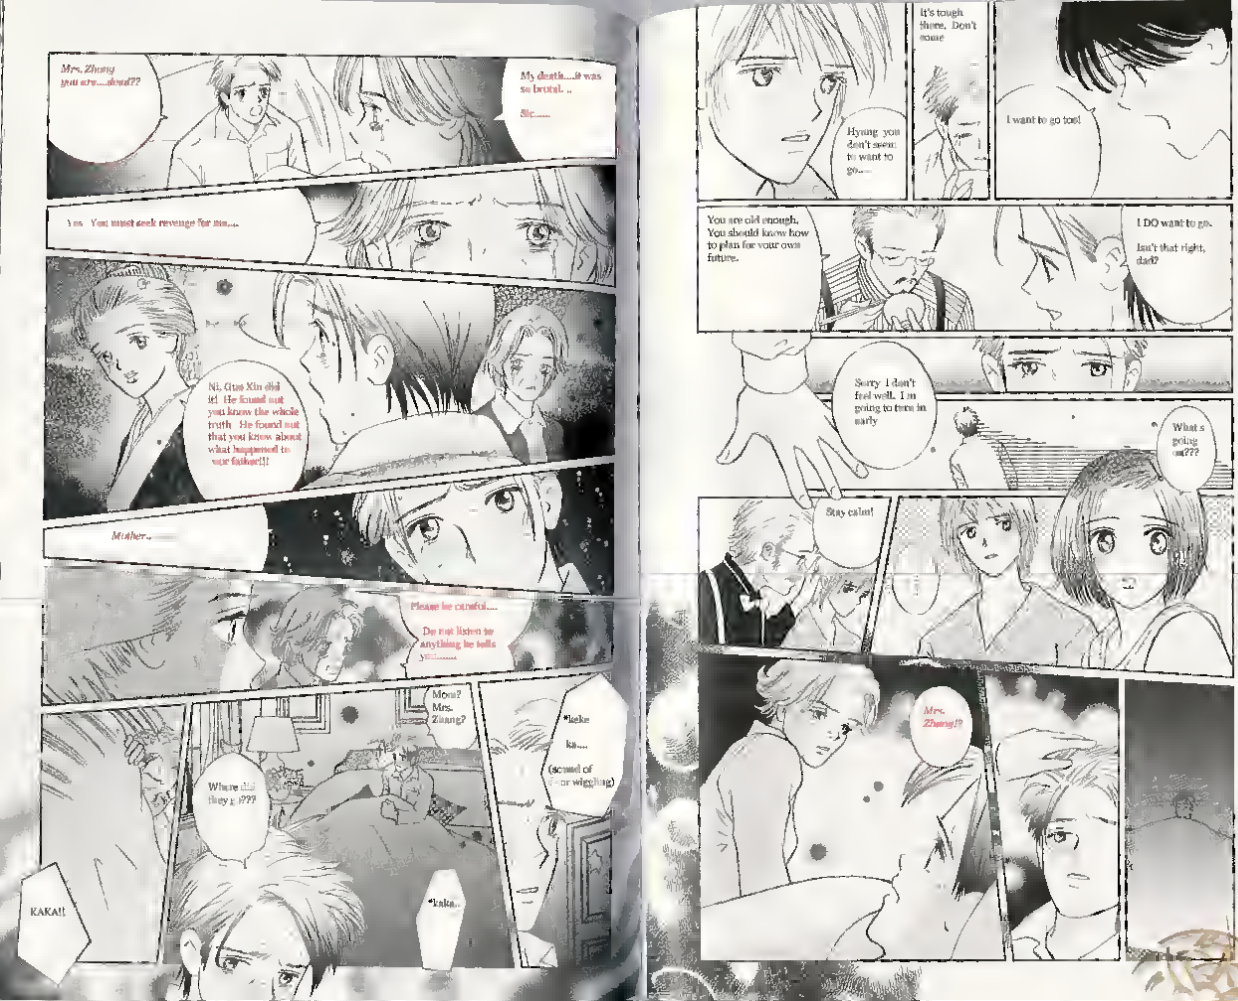


Then give me 3 good reasons why I should love you.
It's ok. We can start things over!
I'm sorry but I really don't recall any of that.
If someone is poor but he still loves me I wouldn't mind!
That kind of love is admirable. Don't you think?
Uhh.. I guess.
Meantime I am p-r-e-t-t-y!
I am not into smart women.
Because I am s-m-a-r-t!
Poor?
Because I'm a p-o-o-r girl
You told me that once you graduate college we'll get married right away. You even promised to buy me a 20K diamond ring so I can become the happiest woman in the world. Don't you remember?



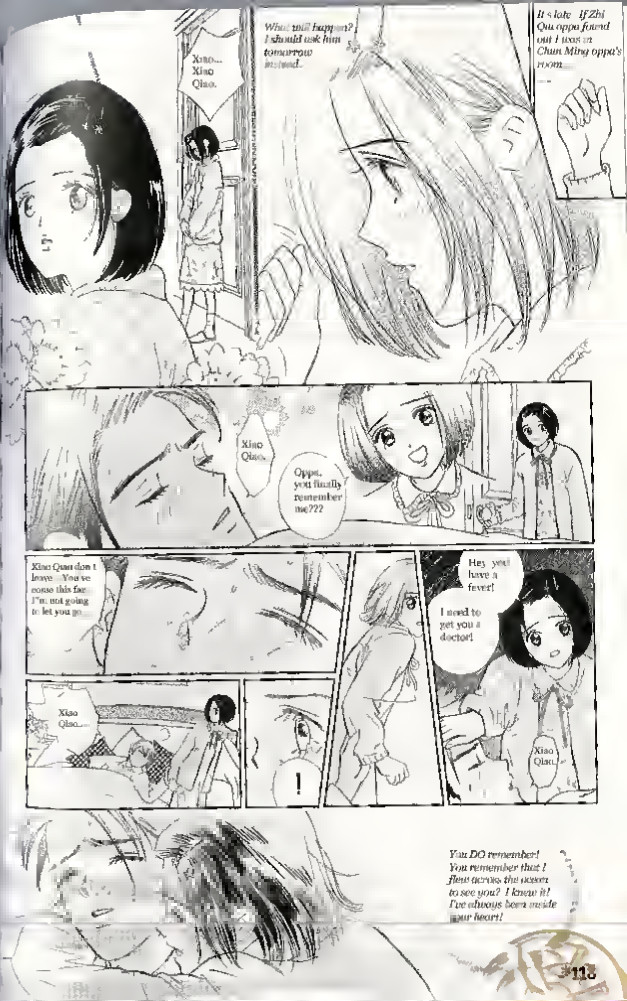
What a lie. You just want to get rid of me! No, Guo Xin...I won't let you get away with this!
He even said that he wants you to get into the best college in the U.S. so in the future, you can live out there on your own.
He wants you to leave 2 weeks later. So you have to get ready for that.
Sure. Dad's decision is always right. I'll do whatever he says.
HUH !?
Chun Ming will be flying back to the U.S. 2 weeks later. Why don't we have a party so everyone can get together one last time???
He'll be leaving after 2 weeks?
There's something on oppa's mind?

You are looking pale today.
I'm sorry!
No, you weren't.
Was I late?
My head really hurts, I don't know why.
It's so strange!
First time? We've been living in the same house for 8 years and this is the first time?
This is the first time I hear you call me aunty. I'm so surprised!
You just didn't trust people that's a
What is so strange?
Listen to my friendly advice. I only want the best for all of you.
That was in the past. Now, Xiao Qiao is Zhi Qiu's. Don't do anything foolish!
I don't know. She is my sister! But I feel so close to her. I believe that I once had feelings for her...
Is it someone we know?
Xiao Qiao!?
Who? Is it a man? Or a woman?
I'm getting a lot flashes of images. They are all of a woman....
It's making me unconscious...
The only woman who he ever truly loved!?
Your father expected a lot from you since he lost his whole life, the only woman with he ever truly loved, was your mother.
Aunty... what are you saying?



Mrs. Zhang you are...dead??
My death...it was so brutal. ..
Sir.....
Yes. You must seek revenge for me....
Ni, Gtqo Xin shi le! He found out you know the whole truth. He found out that you know about what happened to your father!!!
Mother.....
Please be careful.... Do not listen to anything he tells us.....
Mou? Mrs. Zhang?
*keke ka.... (sound of cr wiggling)
Where did they g..???
KAKA!!
*Uaka...
Hyung you don't seem to want to go....
It's tough there. Don't come
I want to go too!
You are old enough. You should know how to plan for your own future.
I DO want to go. Isn't that right, dad?
Sorry. I don't feel well. I m going to turn in early
What s going on???
Stay calm!
Mrs. Zhang!?

Xiao Qiao, you didn't sleep well?
You look down.
How are you feeling?
Did your fever come down?
OPPA!!!
Is he so confused that he can't even recall what happened last night?
Ah? I had a fever?
No, I didn't. I'm fine!
I'm going out.



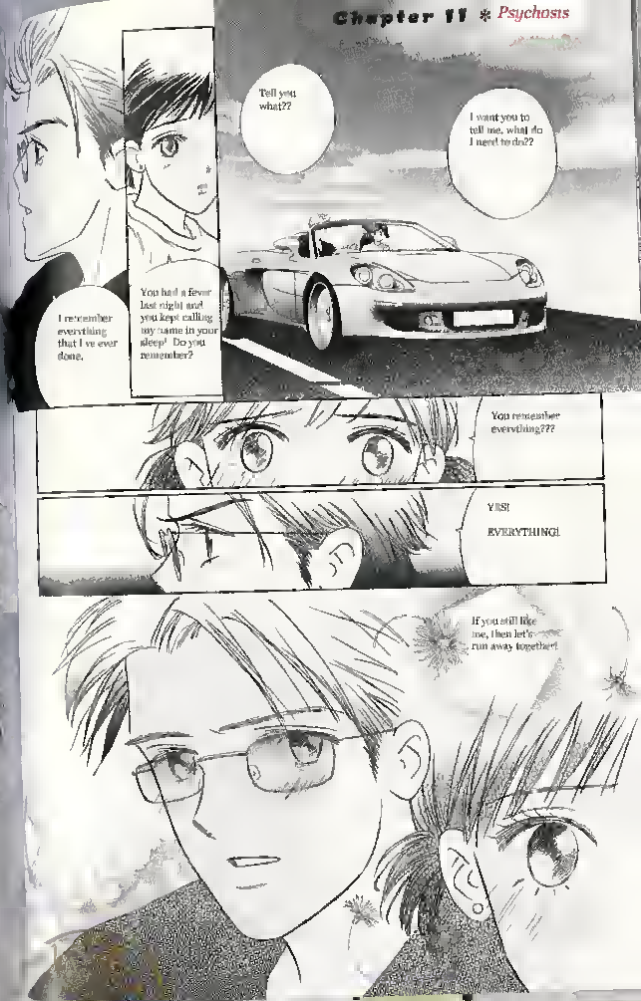
What will happen? I should ask him tomorrow instead.
Xiao... Xiao Qiao.
It's late. If Zhi Qiu oppa found out I was in Chun Ming oppa's room...
Xiao Qiao.
Oppa, you finally remember me???
Xiao Qiao don't leave... You've come this far... I'm not going to let you go...
Hey, you! have a fever!
I need to get you a doctor!
Xiao Qiao...
Xiao Qiao...
!
You DO remember! You remember that I first came to the screen to see you? I knew it! I've always been inside your heart!

I'm breaking up with you. Stop following me!
What?
Your hand kerchief?
Here.
Of course I am!
But the lunch box is gone....
I guess she's not so annoying afterall.
She looks just like Xiao Qiao
Does this mean he admits to our relationship????
Breaking up with ME??
Oh Dong Er! I will never ever break up with you! Trust me!!!
Sorry... I don't have any other information
I'm calling about a murder that happened in Tai Gu town.
Is this the police?
I'm ful filling to the eye?
That makes me so happy!
After I see you, I'm full already! I don't need to eat!!!
WAHHH! It's spilled!
QUIT FOLLOWING ME!!!
I got up at 5 this morning to make you this lunch box. It took me 10 hrs to get it right so you must have a taste! It's delicious!!
Are you ok???
I usually called the police. It's truth will come out and the police will come. Jia Zhi Yuan. Am I doing the right thing?
Oh Sir....
I'm sorry I'd have troubled you....
I don't know how I can ever thank you for this.....

Uncle, you are back?
Aunty isn't feeling well. She's resting upstairs.
Let me go check on her.
What are you looking at???
It's nothing!
Okay.
Let's go talk outside!
I need some fresh air...
Blood?
What blood?
His shoes are very clean!
Did you see it? His shoes.... had blood on them!
Oppa, I need to talk to you about something.
Why is Xiao Qiu lying to us??
My head... it hurts....
What does Hyung want??

Hyung. Why are you talking to yourself?
Huh? Dong Er... You don't see them???
That night I've always been the only one who could see them...
Hyung?!
I'm only doing this for myself...
Watch out!
Don't let Ni Guo Xin get his hands on you!
When I see Ni Guo Xin, how should I face him???
Are you heading back?
I'll ride with you.
Don't you know that I'm reciting a book?
They are upstairs playing on the computer.
Where is everyone?
How come the news didn't mention anything about a murder? Did they not find Mrs. Zhang's body inside of her house?
That is our news for today.
I didn't eat yet. Come eat with me.
Beep!
BLOOD...
I see BLOOD on his shoes!!

Even if you are not related to the Ni family, they still trusted you well. If we do this, it'll not only hurt Zhi Qin uncle's and aunty's
The Ni family, they are ALL selfish!!
But we can't be selfish.
I don't understand. Why did you lie?
Because I didn't think I could have you, but now I'm sure of the way you feel about me.
You are right. I never had to live a poor life. The Ni family gold was originally my mother's anyway. It's just that Ni Guo Xin stole it from her! But now he's being revenged!
Ever since the beginning, you have always been the one who cannot handle being poor!!!
I know that Zhi Qin is the reason why you don't want to run away with me. I trust my own sense. It is the money. You just don't want a poor man like me.
!?

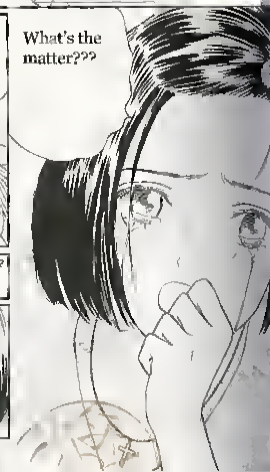


I remember everything that I've ever done.
You had a fever last night and you kept calling my name in your sleep! Do you remember?
Tell you what??
I want you to tell me, what do I need to do??
You remember everything???
YES!
EVERYTHING!
If you still like me, then let's run away together!

What am I doing HERE?
!!
Mom don't cry...
Oppa!!
No, Gwi Xin, let you with his car...

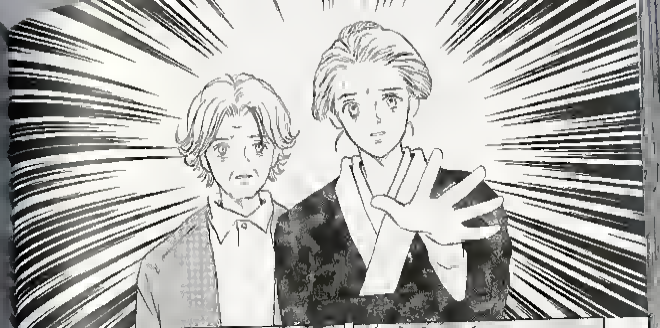
OPPA!!!

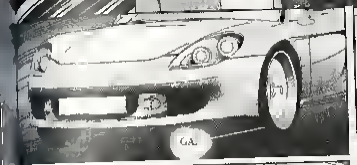
Hyung, what are you talking about??
Huh?
Where's mom??



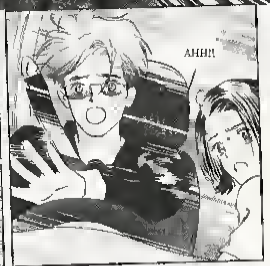
What's the matter???

You guys can't die here! Why? How come my angel hurts so bad???
I need to examine him

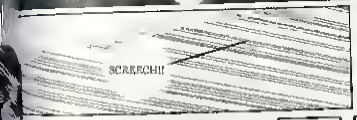




GA.



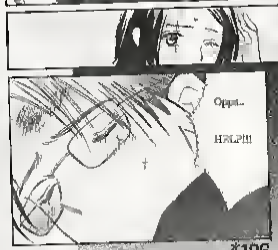
AHH!!



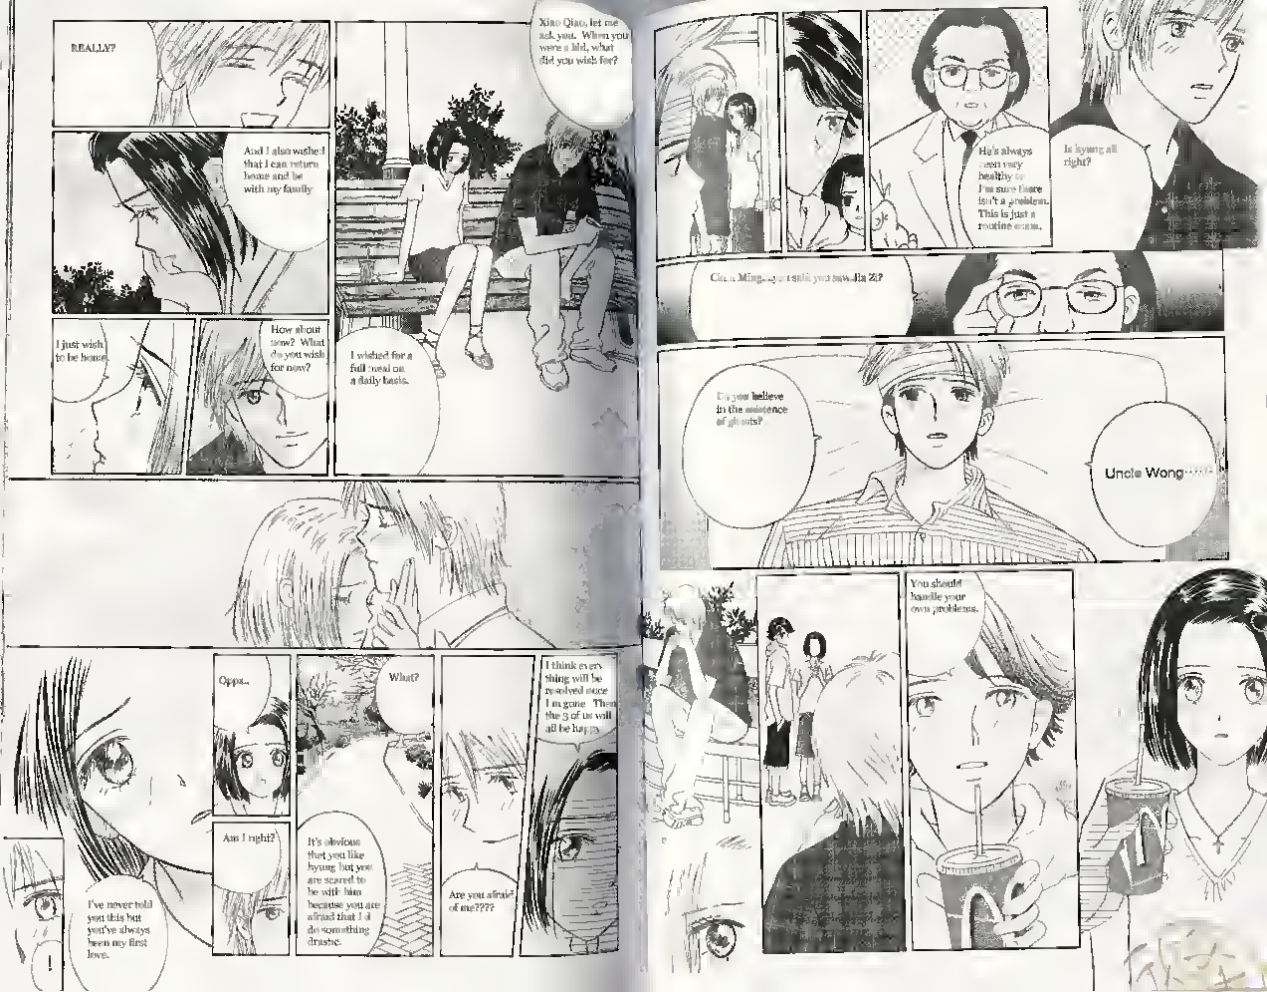
SCREECH!!

Ow!!

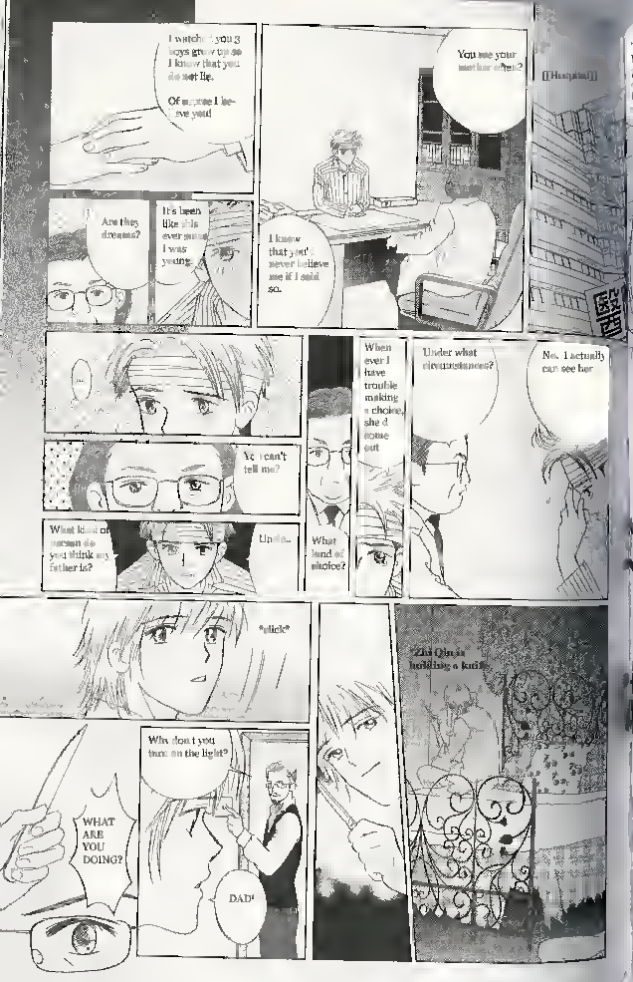
Chun Ming...



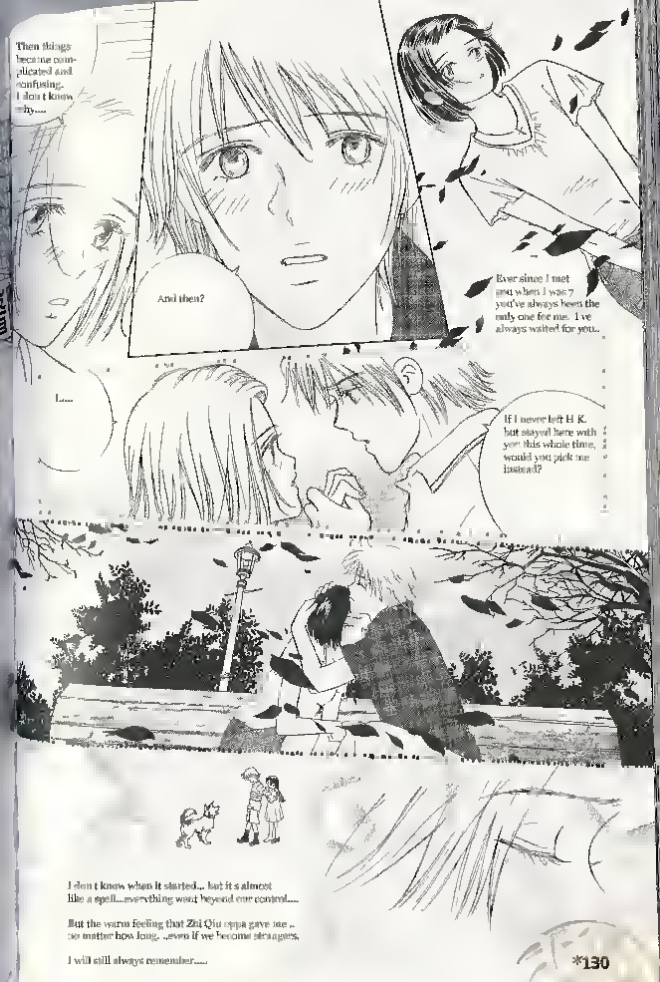
Oppa...
HELP!!!



REALLY?
And I also wished that I can return home and be with my family
Xiao Qiao, let me ask you. When you were a kid, what did you wish for?
I just wish to be home.
How about now? What do you wish for now?
I wished for a full meal on a daily basis.
He's always been very healthy so I'm sure there isn't a problem. This is just a routine exam.
Is Jiying all right?
Cai Ming...you said you saw Jia Zi?
Do you believe in the existence of ghosts?
Uncle Wong.....
Oppa...
What?
I think everything will be resolved once I'm gone. Then the 3 of us will all be happy.
Am I right?
It's obvious that you like Jiying but you are scared to be with him because you are afraid that I'll do something drastic.
Are you afraid of me????
I've never told you this but you've always been my first love.
!
You should handle your own problems.



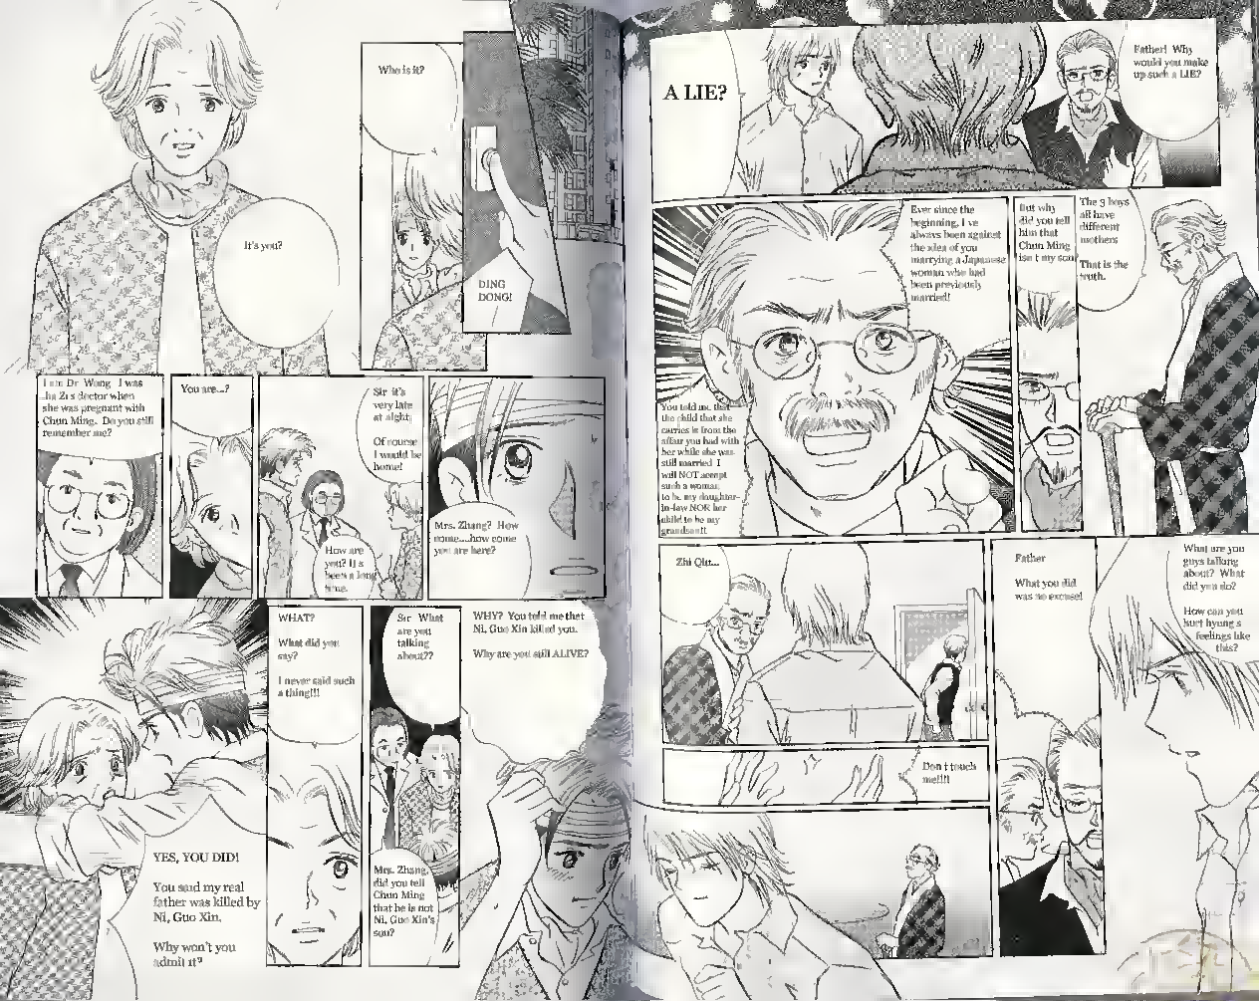
I watched you 3 boys grow up so I know that you do not lie.
Of course I believe you!
You see your mother often?
[[Hospital]]
Are they dreams?
It's been like this ever since I was young.
I know that you'll never believe me if I said so.
When ever I have trouble making a choice, she'd come out
Under what circumstances?
No. I actually can see her.
Yo can't tell me?
What kind of woman do you think my father is?
Unlike
What kind of choice?
*click*
Zhi Qiu is holding a knife
Why don't you turn on the light?
WHAT ARE YOU DOING?
DAD!



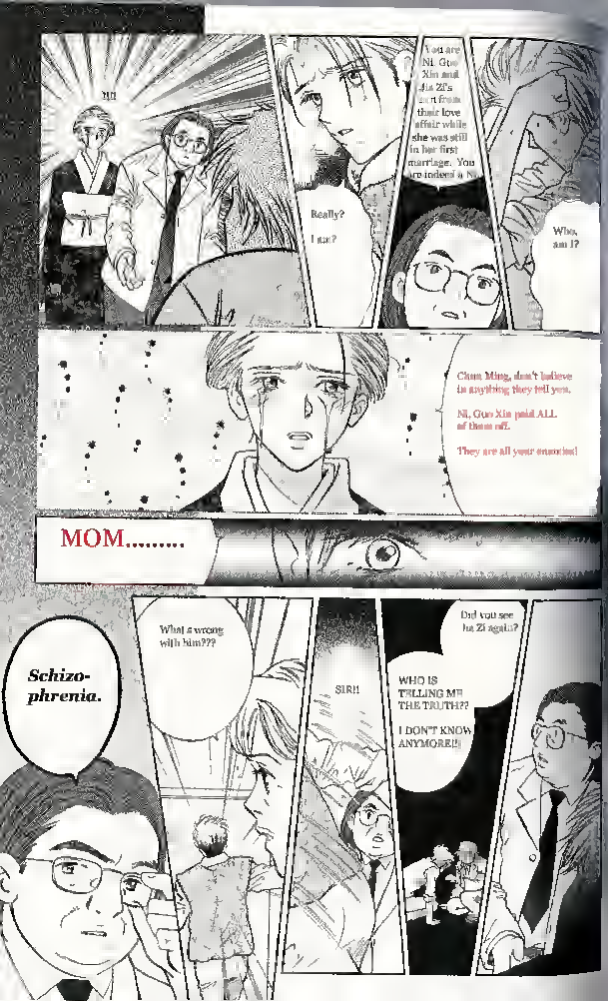
Then things became complicated and confusing. I don't know why....
And then?
Ever since I met you when I was 7 you've always been the only one for me. I've always waited for you..
I....
If I never left H.K. but stayed here with you this whole time, would you pick me instead?
I don't know when it started... but it's almost like a spell...everything went beyond our control....
But the warm feeling that Zhi Qiu oppa gave me .. no matter how long ..even if we become strangers,
I will still always remember.....

You suspect that Mrs. Zhang had been murdered?
Yes.
She came and told me so.
It was not a dream?
No, it's not. I really saw her. I even know who did it!
Calm down. What did she tell you exactly?
Uncle Wang is dad's friend so he'll never believe me. I am just wasting my time trying to explain this.
Let's go talk to Mrs. Zhang together.
Xiao Qiao is my hope.
She is everything to me.
To me, the lives of you boys are my hope.
What are you talking about???
Dad—Do you really care for Jiyang? He is not your child!
I DID.
Nothing.
Who told you that?

Are you afraid that I'll try to kill myself again? Why can't you believe that I'm already cured?
Zhi Qiu.
Why didn't you just ask one of the maid to do it?
Oh. I just want some night that's all.
I'm sorry
I just don't want to loose any one of my sons
Even though I suffered from severe depression when I was out of the country, but I'm fine now! Why are you still watching my every step? Are you scared that I'll do something foolish again?
Xiao Qiao pretended to be the girl I like as I kept in touch with me through letters. Ever though all we ever talked about were the little things, everyday I looked forward to her letters. They gave me a sense of hope. .
She taught me how wonderful it feels to have that sense of [hope] That kind of feeling, I cannot find it within our family.
Hope?
I don I need your special attention. Even if I loose to Jiyang, I'll still stay strong.
I really do regret taking Xiao Qiao in. Without her our family will be very happy.
Dad!
If that's the case then I'm sure that I would already be dead by now!



It's you?
Who is it?
DING DONG!
I am Dr. Wong. I was Jia Zi's doctor when she was pregnant with Chun Ming. Do you still remember me?
You are...?
Sir, it's very late at night.
Of course I would be home!
How are you? It's been a long time.
Mrs. Zhang? How come...how come you are here?
WHAT?
What did you say?
I never said such a thing!!!
Sir What are you talking about??
Mrs. Zhang, did you tell Chun Ming that he is not Ni, Guo Xin's son?
WHY? You told me that Ni, Guo Xin killed you.
Why are you still ALIVE?
YES, YOU DID!
You said my real father was killed by Ni, Guo Xin.
Why won't you admit it?
A LIE?
Father! Why would you make up such a LIE?
Ever since the beginning, I've always been against the idea of you marrying a Japanese woman who had been previously married!
You told me that the child that she carries is from the affair you had with her while she was still married. I will NOT accept such a woman to be my daughter-in-law NOR her child to be my grandson!!!
But why did you tell him that Chun Ming isn't my son
The 3 boys all have different mothers
That is the truth.
Zhi Qiu...
Don't touch me!!!!
Father
What you did was no excuse!
What are you guys talking about? What did you do?
How can you hurt hyung's feelings like this?

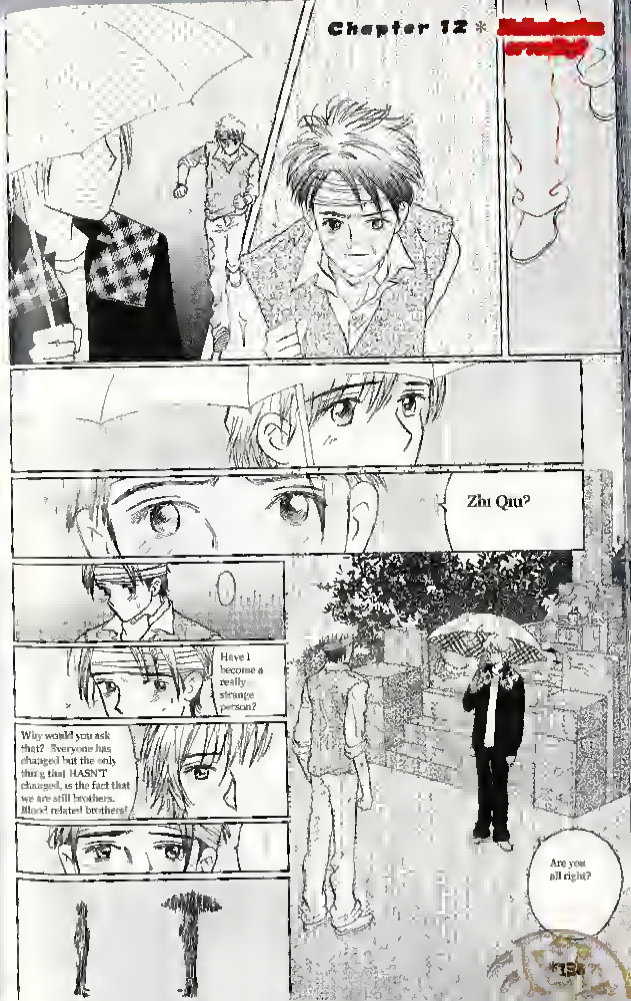


Mr.
Really?
I see.
Who, am I?
Chun Ming, don't believe in anything they tell you.
Ni, Guo Xin paid ALL of them off.
They are all your enemies!
MOM.....
Schizo-phrenia.
What's wrong with him???
SIR!!
WHO IS TELLING ME THE TRUTH??
I DON'T KNOW ANYMORE!!
Did you see Ba Zi again?

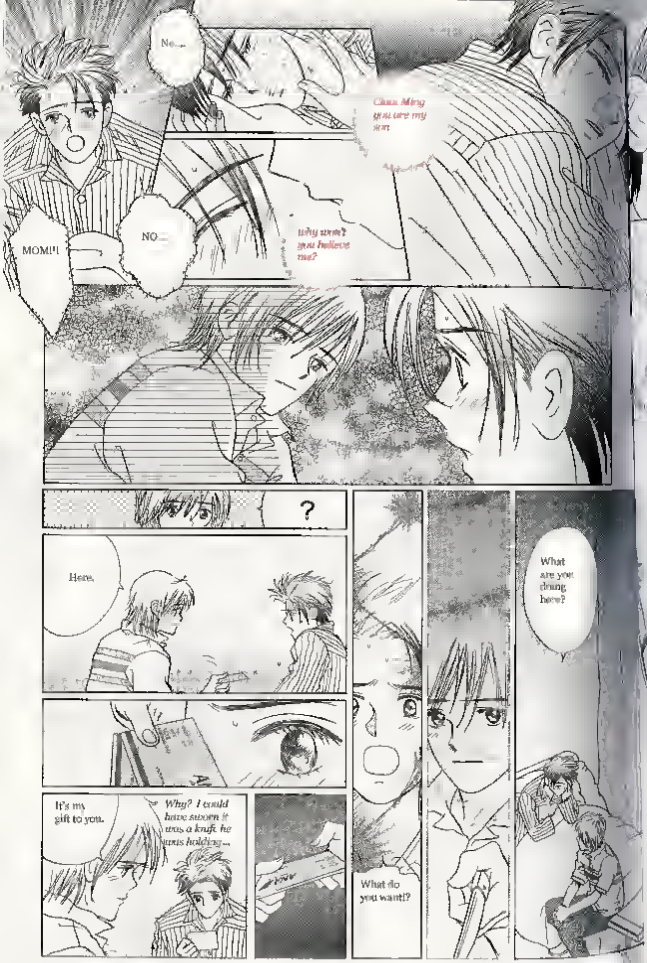
That was what I told you last time.
Did you hear me wrong?
You are Mr. Ni and Mrs. Ni's son.
Everyone knows that!
SAY SOME-THING!
WHO AM I???
CHUN MING...
Tell me! What is the truth?
What is NOT the truth???
Calm down!
Are you all right, Sir?
Are you sick?
Please calm down and listen to me.
You have to believe me...

DONG ER!!!
Ridiculous! At first you tell me that he has temporary memory loss, now you tell me he has Schizophrenia.
Chun Ming is my son, how can this happen to him????

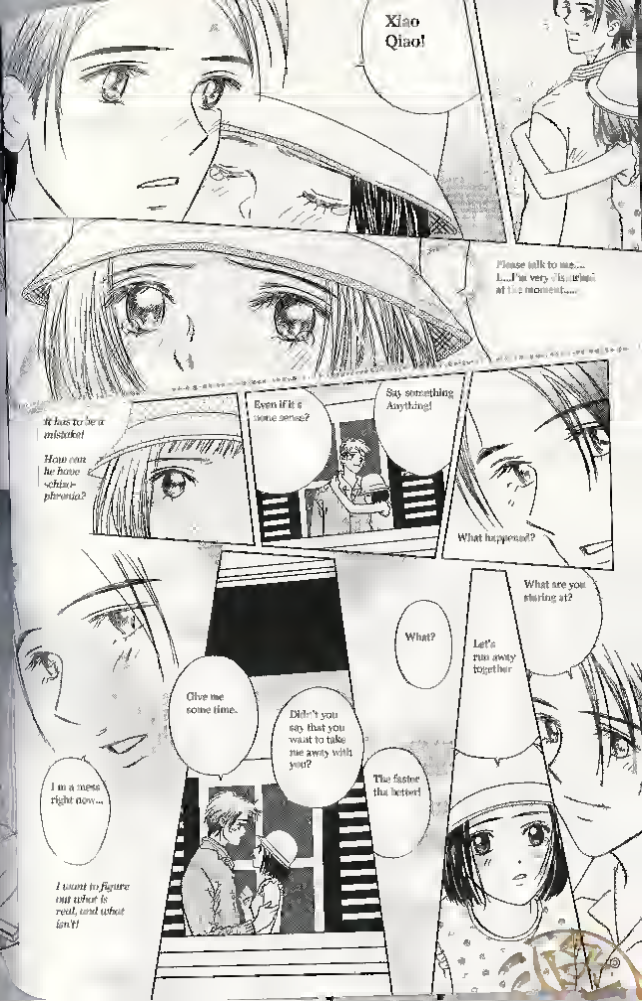
HUH?
?
Where is Xiao Qiao?
This report is from a psychiatrist –
Everyone should accept this and face reality. The earlier he gets sent to a mental institution, the better it is for his well being.
But we really can't tell that he is ill!
Doctor... are you sure it's not a mistake?



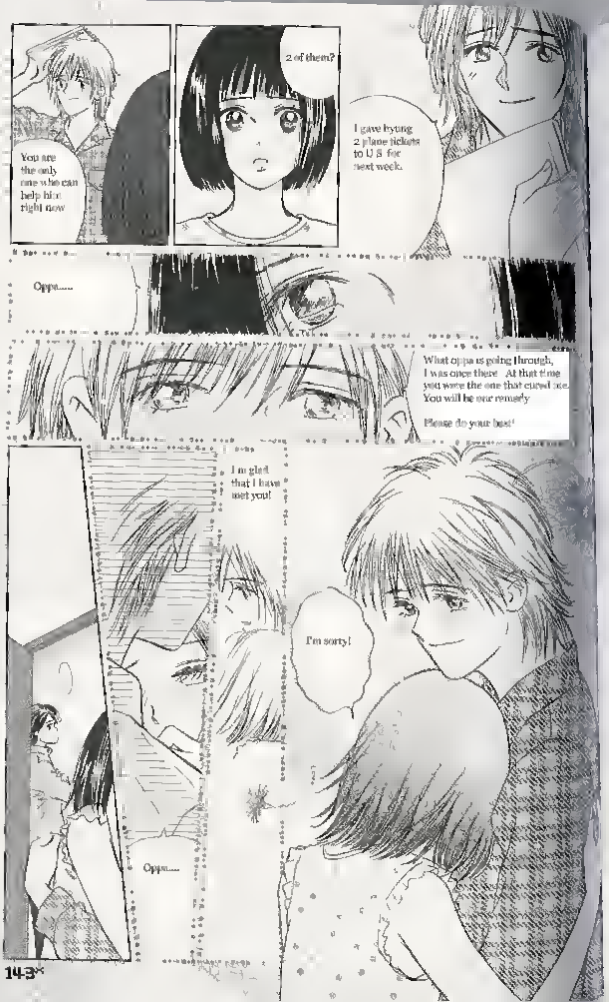
Zhi Qiu?
Have I become a really strange person?
Why would you ask that? Everyone has changed but the only thing that HASN'T changed, is the fact that we are still brothers. Blood related brothers!
Are you all right?



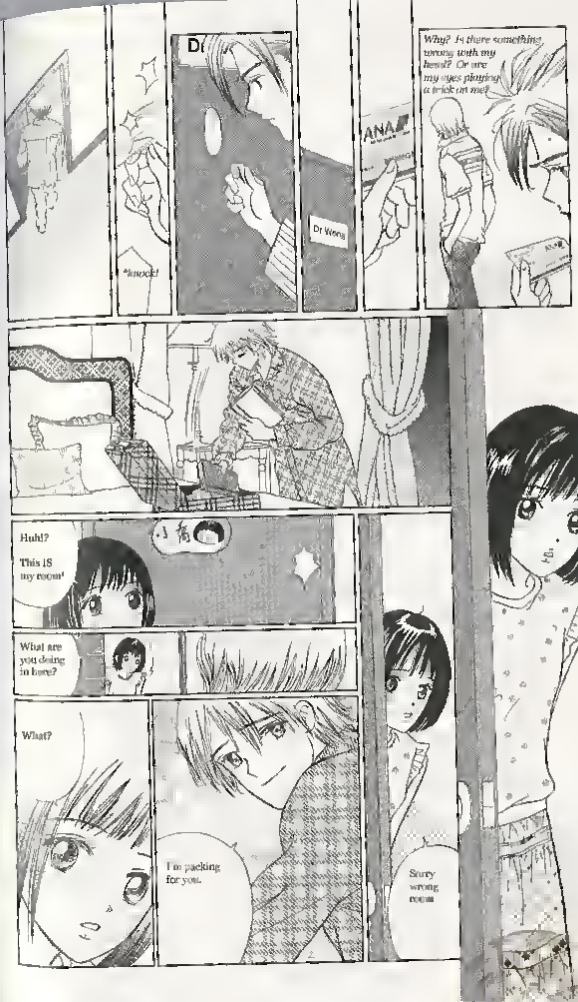
*Zhi Qiu was NOT holding a knife but Chun Ming sees a knife in his hand....



Xiao Qiao!
Please talk to me.... I...I'm very dizzy right at the moment....
It has to be a mistake!
How can he have schizophrenia?
Even if it's none sense?
Say something Anything!
What happened?
What are you staring at?
What?
Let's run away together
Give me some time.
Did-'t you say that you want to take me away with you?
The faster the better!
I in a mess right now...
I want to figure out what is real, and what isn't!



You are the only one who can help him right now
2 of them?
I gave hyung 2 plane tickets to U S for next week.
Oppa.....
What oppa is going through, I was once there. At that time you were the one that cured me. You will be our remedy.
Please do your best!
I'm glad that I have met you!
I'm sorry!
Oppa.....

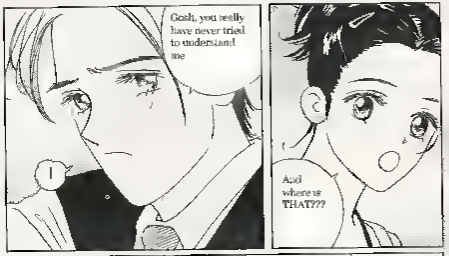


*knock!
Dr Wong
Why? Is there something wrong with my head? Or are my eyes playing a trick on me?
Huh!?
This IS my room!
What are you doing in here?
What?
I'm packing for you.
Sorry wrong room

Same old rules.
Oh? The what's the bet?
But no one has to sleep in the basement this time.
Xiao Qiao is the bet
Let's bet again
!
Just because you are giving her to me, it doesn't mean that I have to take her
If so, then I have already LOST
The winner gets to decide who gets to have her
PONG!

You heard everything?
Whoever loses has to sleep in the basement for night!!!
Maybe! Nobody knows what will happen in the future
This is a gamble.
A gamble for our happiness
If I'm the only one happy, that's not good enough. I've always felt that way
If they are unhappy together, then what will happen?
What you are doing is altering their fate!
I really don't understand. Are you doing the right thing?
We can start over. I'll stay at where I am and wait

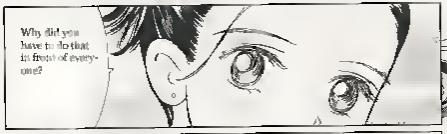
*yawns...
ZZZ
WHAT ARE YOU DOING IN HERE????????????
That's true.
I feel fine and I'm not sick. Why should I still stay there?
She's so shocked to see me. She's probably afraid of me because of my illness..
I hope he didn't see me drooling in my sleep!!
Just kidding! I just got here. Come have breakfast.
Whole night
How long have you been sitting there?
WHAT?
I came back last night!
Oppa, did you run away from the hospital?
PONG!
Yes, she IS
Everyone thinks so.
She's not a piece of pork chop!
I want in on this too!
You want to be a part of this?
If I'm in you two are NO match to me.
Xiao Qiao's fate....
I GET TO DECIDE...
Kids!
They are strong these days!
Through the window .
HEY!!!
Hey hyung.
HYUNG!!!!
Umm...I didn't get to tell you what I plan to do with Xiao Qiao...
Hey hyung, how did you get out of the hospital?
Suddenly I feel hungry
I didn't eat yet either How about some French cuisine?



Gosh, you really have never tried to understand me
And where is THAT???

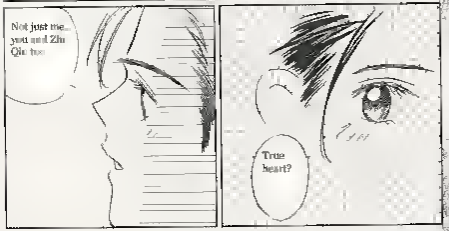
But don't worry. We'll have plenty of time to understand each other better
You are difficult to understand, you can't blame me.

You really mean that?
If you want to, I would LIKE to get to know you more



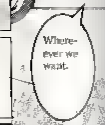
Why did you have to do that in front of everyone?

Because I want to be sure of where my true heart is.

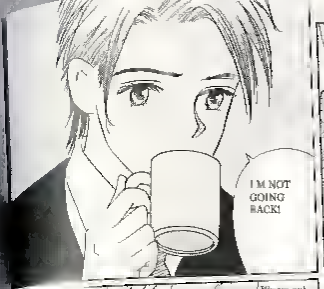


Not just me... you and Zhi Qiu too
True heart?

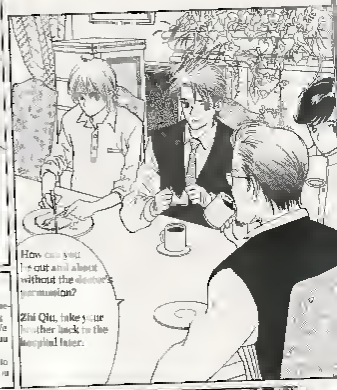
Where do you want to go??



Wherever we want.

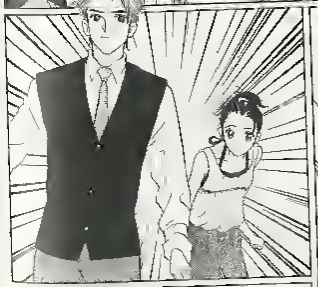


I M NOT GOING BACK!



How can you go out and about without the doctor's permission?
Zhi Qiu, take your brother back to the hospital later.

Whether I'm sick or not, I know it better than anyone else. Even if I am sick, I can sense my own illness. I don't need any doctors.
We are not saying that there is something wrong with you. We just want you to be fully examined to be sure you are ok!

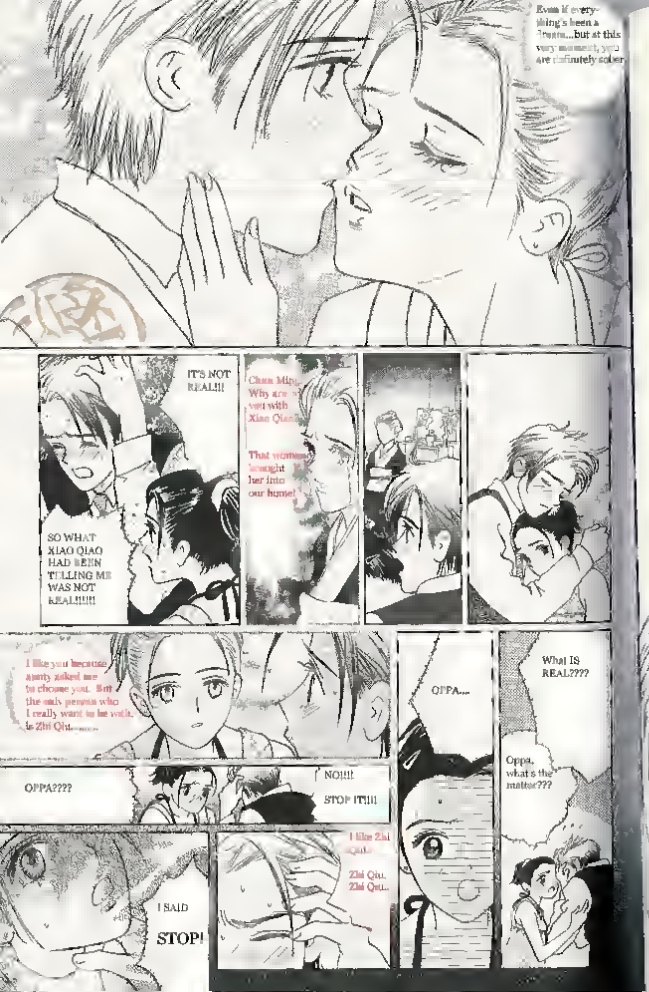


LET'S GO

Oppa knows what a young one with himself

Xiao Qiao!
What?

What is he thinking??
Hyung wants everyone to know about his relationship with Xiao Qiao?



Even if everything's been a lie....but at this very moment, you are definitely sober
IT'S NOT REAL!!!
SO WHAT XIAO QIAO HAD BEEN TELLING ME WAS NOT REAL!!!!!
Chun Mei... Why are you with Xiao Qiao?
That woman brought her into our home!
I like you because aunty asked me to choose you. But the only person who I really want to be with is Zhi Qiu.....
OPPA....
What IS REAL???
OPPA????
NO!!!!
STOP IT!!!!
Oppa, what's the matter???
I SAID
STOP!
I like Zhi Qiu...
Zhi Qiu, Zhi Qiu...

I've finally come to realize that no matter who my real parents are. I don't feel gratitude when it comes to them. They are not worthy. Why? Why did they have to bring me into this world full of misery?
Xiao Qiao, today will be my last time visiting my mother's grave.
Are you really that happy being with me?
But for me I feel thankful toward my parents. Even though they didn't take good care of me. But with out them, the two of us would never meet.
What I am hearing now.....
which is true? Which isn't true?
If so... then...
More or less than happiness
But without sadness, I would not treasure the good times.

Hi!
What are you doing HER!?
MAID?
So I'm your friend then?
Tonight I realised that I have no friends.
Why don't we go out to eat instead?
Another copy of Xiao Qiao's family?????
But I want to eat here!
Shuang Ruo, how come you are home so late?
Did you get the lottery ticket we asked you to buy???

SHUT UP!!!!
Oppa... what are you doing??

What are you doing up so early??
Look! Isn't it beautiful???
Why are we coming here at this hour?

Looking for me? Come on in.

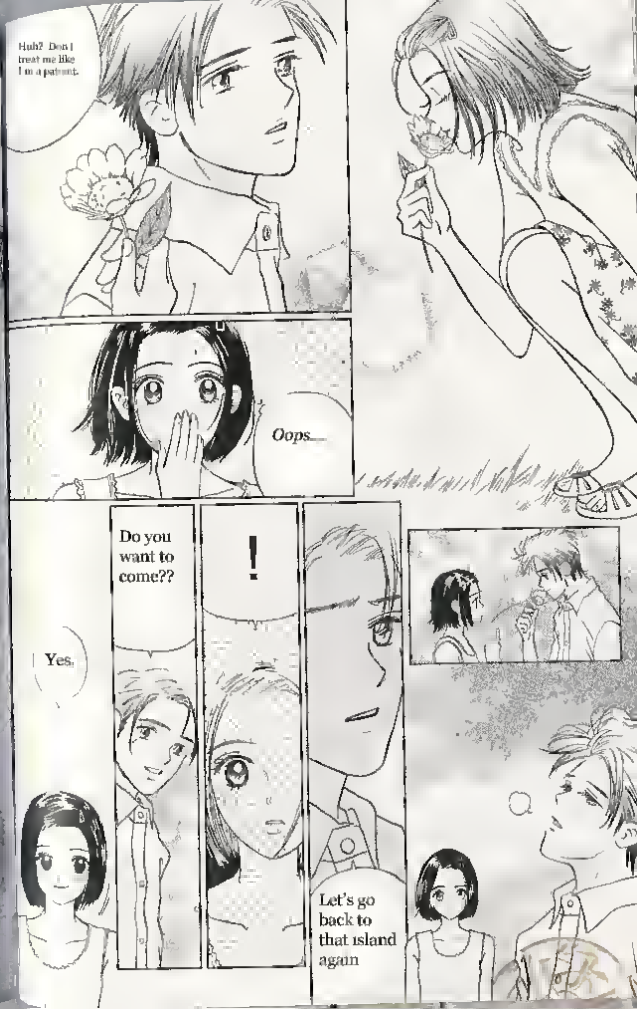
Is she having a nightmare because of me??
Let go of me oppa...
Xiao Qiao.
Let go of me...
Help...

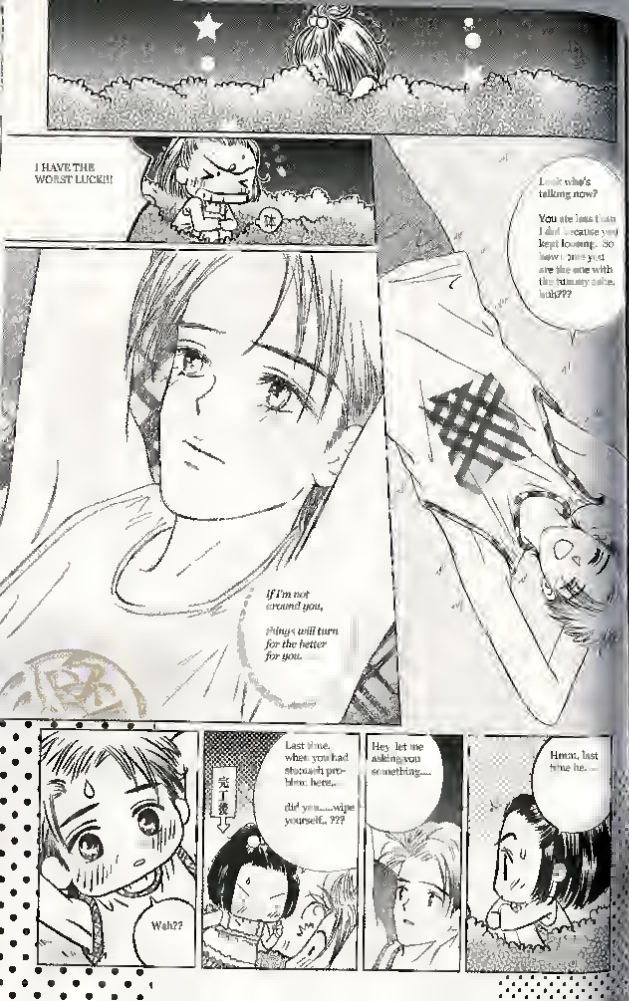
You can't take Xiao Qiao with you.
NOT RIGHT NOW.
I'm not being selfish. I just want the best for the two of you.
Are you saying that she'll be in danger when she's with me?
Xiao Qiao already said yes.
Please reconsider. For Xiao Qiao's sake...
You are not in the right condition to travel right now...
If you are worried that I'll come in between the two of you, I will leave.
I beg you. Go back to the hospital. Get some treatment
Xiao Qiao will still stay by your side



Huh? Don't treat me like I'm a patient.
Oops...
Do you want to come??
!
Yes.
Let's go back to that island again

Hyung!!!
What is it?
!
Chun Ming Jeyung left this for you.
He ran away with Xiao Qiao!!
We'll go look for them after three days!
WE SHOULD GO AFTER THEM RIGHT AWAY!

You will leave?
I've always prefered living in the U S more than Hong Kong anyway, it's not because of you guys.
Yes. You don't have to leave. Xiao Qiao doesn't have to leave either.
Once I do, then everything will be resolved.
You don't have to go.
It's settled then!
Oppa!!!
Tomorrow, I will go back to the hospital.
I'm loosing control of myself I'm having more delusions and auditory hallucinations. People around me will be in danger!



I HAVE THE WORST LUCK!!!
Look who's talking now?
You ate less than I did because you kept leaving. So how come you are the one with the tummy ache, huh???

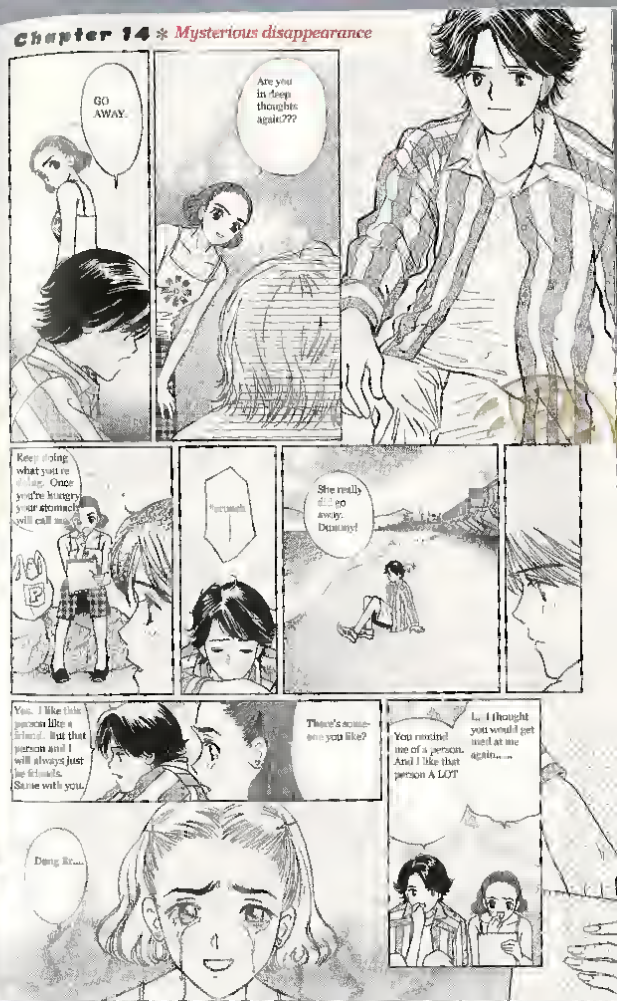
Your turn.. Be careful
Kekeke..

It's tough being the girl party.
I wonder what they are doing now???
I haven't decided yet. I don't know if we'll be in their way if we show up.
Hyung, are you trying to decide if you are going tomorrow or not?
If.....I said if....if Hyung, loosen it and puts Xiao Qiao in danger...will you go against him to save her???
Are you worried about Xiao Qiao or Chien Ming hyung?
Don't ask me a hypothetical question like that.
I'm worried about Xiao Qiao's safety and hyung's well being. I worry about both
What would you do?
I... I will stand in front of Xiao Qiao. That way I'll be the one getting hurt and not her
Me?? I only have one older brother....
I've been trying to figure out that answer for the past 2 days.



GO AWAY.
Are you in deep thoughts again???
Keep doing what you're doing. Once you're hungry, your stomach will call me!
*scream*
She really did go away. Dammit!
There's someone you like?
Yes. I like this person like a friend. But that person and I will always just be friends. Same with you.
I... I thought you would get used at me again.....
You mean I'm not a person. And I like that person A LOT
Dang it...

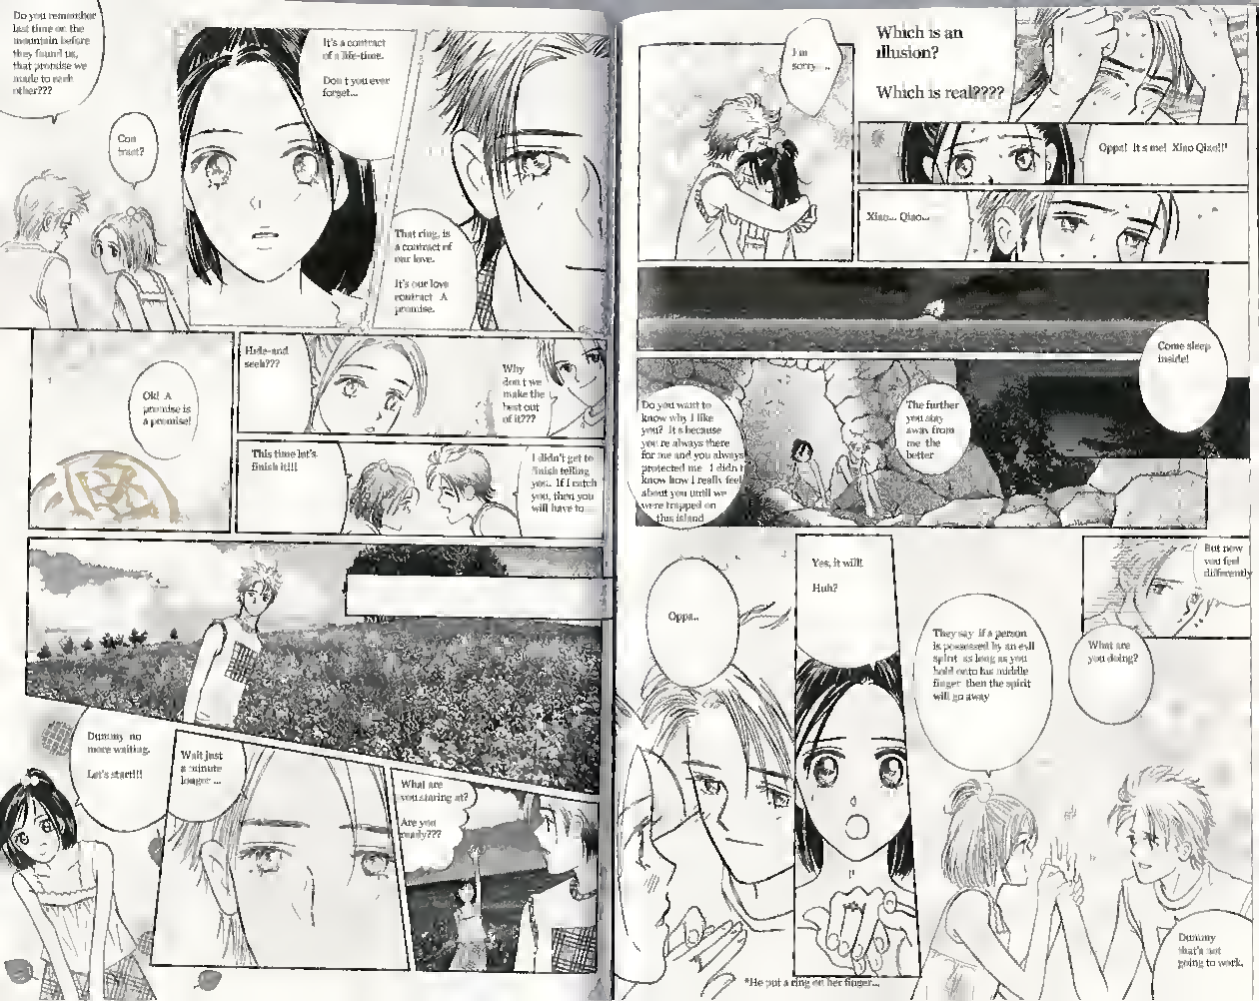
But you call her aunty. I think she's already happy with that.
Madame sist.
Hey! Xiao Qian?
The day after? Don't give up so easily. It'll stop raining tomorrow morning. Where do you want to go tomorrow?
If we can't tomorrow, there's always the day after
Mmm.
Where do you want to go tomorrow?
Xiao Qian... don't sleep.
It's raining again, just like last time.
I was hoping that we can watch the sun rise together. We probably can't now
Dinner!
Did you eat dinner yet?



Do you remember last time on the mountain before they found us, that promise we made to each other???
Can I trust?
It's a contract of a life-time.
Don t you ever forget...
That ring, is a contract of our love.
It's our love contract A promise.
Ok! A promise is a promise!
Hide-and seek???
Why don t we make the best out of it???
This time let's finish it!!!
I didn't get to finish telling you.. If I catch you, then you will have to...
Dummy no more waiting.

Wait just a minute longer...
What are you staring at?
Are you crazy???

Which is an illusion?
Which is real????
Oppa! It s me! Xiao Qiao!!
Xiao... Qiao...
Come sleep inside!
Do you want to know why I like you? It is because you re always there for me and you always protected me. I didn t know how I really feel about you until we were trapped on this island
The further you stay away from me the better
But now you feel differently
What are you doing?
Oppa..
Yes, it will.
Huh?
They say if a person is possessed by an evil spirit as long as you hold onto his middle finger then the spirit will go away
